## NOTICE OF THE TWENTY-FOURTH ANNUAL GENERAL MEETING

**NOTICE IS HEREBY GIVEN** that the Twenty-Fourth ("24<sup>th</sup>") Annual General Meeting ("AGM") of the Company will be held at Larut Hall, Level 7M, Novotel Taiping, 1 Jalan Tupai, 34000 Taiping, Perak Darul Ridzuan, Malaysia on Monday, 7 September 2026 at 11:00 a.m. for the following purposes:-

### AGENDA

1. To receive the Audited Financial Statements for the financial year ended 31 March 2026 together with the Reports of the Directors and the Auditors thereon. **(Please refer to Explanatory Note 1)**
2. To approve the payment of Directors' fees amounting to RM158,000.00 for the financial year ended 31 March 2026. **(Ordinary Resolution 1)**
3. To approve the payment of Directors' benefits of up to an amount of RM50,000.00 from 8 September 2026 until the date of the next Annual General Meeting of the Company. **(Ordinary Resolution 2)**
4. To re-elect Mr. Lim Chong Eng as a Director of the Company who is due to retire in accordance with Clause 122 of the Company's Constitution. **(Ordinary Resolution 3)  
(Please refer to Explanatory Note 2)**
5. To re-appoint Messrs. Deloitte Malaysia PLT (formerly known as Deloitte PLT) as Auditors of the Company until the conclusion of the next Annual General Meeting of the Company and to authorise the Directors to fix their remuneration. **(Ordinary Resolution 4)**

### As Special Business

To consider and if thought fit, with or without any modification, to pass the following Ordinary Resolution: -

6. **ORDINARY RESOLUTION:** **(Ordinary Resolution 5)**
  - **AUTHORITY TO ISSUE SHARES PURSUANT TO THE COMPANIES ACT 2016 AND WAIVER OF PRE-EMPTIVE RIGHTS**

"**THAT** subject always to the Companies Act 2016 ("**the Act**"), the Constitution of the Company and the approvals from Bursa Malaysia Securities Berhad ("**Bursa Securities**") and any other relevant governmental and/or regulatory authorities, the Directors be and are hereby empowered pursuant to the Act, to issue and allot shares in the capital of the Company from time to time at such price and upon such terms and conditions, for such purposes and to such person or persons whomsoever the Directors may in their absolute discretion deem fit provided always that the aggregate number of shares issued pursuant to this resolution does not exceed ten percent (10%) of the total number of issued shares of the Company for the time being;

**THAT** in connection with the above, pursuant to Section 85 of the Act to be read together with Clause 7 of the Constitution of the Company, approval be and is hereby given to waive the statutory pre-emptive rights of the shareholders of the Company to be offered new shares of the Company ranking equally to the existing issued shares arising from any issuance of new shares in the Company pursuant to the Act;

**AND THAT** the Directors be and are also empowered to obtain the approval for the listing of and quotation for the additional shares so issued on Bursa Securities; **AND FURTHER THAT** such authority shall commence immediately upon the passing of this resolution and continue to be in force until the conclusion of the next Annual General Meeting of the Company."
7. To transact any other ordinary business of which due notice shall have been given.

## Notice of the Twenty-Fourth Annual General Meeting (Cont'd)

By Order of the Board

**CHUA SIEW CHUAN (MAICSA 0777689) (SSM PC NO. 201908002648)**  
**YEOW SZE MIN (MAICSA 7065735) (SSM PC NO. 201908003120)**  
**YEE KIT YENG (MAICSA 7068292) (SSM PC NO. 202208000022)**  
Company Secretaries

Kuala Lumpur  
Dated: 30 July 2026

### Explanatory Notes: -

1. *This Agenda item is meant for discussion only, as the provision of Section 340(1)(a) of the Companies Act 2016 does not require formal approval of the members/shareholders for the Audited Financial Statements. Hence, this Agenda item is not put forward for voting.*
2. *Mr. Dominic Aw Kian-Wee who retires in accordance with Clause 122 of the Company's Constitution has expressed his intention not to seek for re-election. Hence, he will retire at the conclusion of the 24<sup>th</sup> AGM.*

### 3. **Ordinary Resolution 3 - Re-election of Director**

In determining the eligibility of the Director to stand for re-election at the 24<sup>th</sup> AGM of the Company, the Board of Directors through its Nomination and Remuneration Committee had reviewed and assessed the retiring Director from the annual assessment and evaluation of the Board of Directors for the financial year ended 31 March 2026, including fit and proper assessment.

Based on the result of the annual evaluation, the Board of Directors is satisfied with the performance, contributions and independence of the retiring Director and supports the re-election based on his:

- (i) ability to meet the Board of Directors' expectations in terms of character, experience, integrity, competency and time commitment in discharging his role as a Director of the Company;
- (ii) exercises of due care and carrying out of professional duties proficiently; and
- (iii) level of independence demonstrated by the Independent Non-Executive Director, where applicable.

The retiring Director, Mr. Lim Chong Eng has consented to his re-election and abstained from deliberations and decisions on his own eligibility to stand for re-election at the meetings of the Board and Nomination and Remuneration Committee, where relevant.

### 4. **Ordinary Resolution 5 - Authority to Issue Shares pursuant to the Companies Act 2016 and Waiver of Pre-emptive Rights**

The Company had been granted a general mandate on the authority to issue shares pursuant to the Companies Act 2016 ("**Act**") by its shareholders at the Twenty-Third Annual General Meeting of the Company held on 9 September 2025 (hereinafter referred to as the "**Previous Mandate**"). The Company wishes to renew the said mandate at the 24<sup>th</sup> AGM of the Company ("**New Mandate**") and seek for waiver of pre-emptive rights under Section 85 of the Act read together with Clause 7 of the Constitution of the Company.

The Previous Mandate granted by the shareholders had not been utilised and hence no proceeds were raised therefrom.

The purpose to seek the New Mandate is to enable the Directors to take swift action for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, raising funding for future investment project(s), working capital and/or acquisition(s) and to avoid delay and cost in convening general meetings to approve such issue of shares.

Pursuant to Section 85 of the Act read together with Clause 7 of the Constitution of the Company, shareholders have pre-emptive rights to be offered any new shares in the Company which rank equally to the existing issued shares in the Company or other securities.

## Notice of the Twenty-Fourth Annual General Meeting (Cont'd)

### Explanatory Notes (cont'd): -

#### 4. Ordinary Resolution 5 - Authority to Issue Shares pursuant to the Companies Act 2016 and Waiver of Pre-emptive Rights (cont'd)

That proposed Ordinary Resolution 5, if passed, the shareholders of the Company shall agree to waive their statutory pre-emptive right and thus, would allow the Directors to issue new shares to any person under authority to issue shares pursuant to the Act without having to offer new shares to be issued equally to all existing shareholders of the Company prior to issuance.

### Notes to the Notice of the 24<sup>th</sup> AGM:-

1. In respect of deposited securities, only members whose names appear in the Record of Depositors on 27 August 2026 (General Meeting Record of Depositors) shall be eligible to attend this Meeting.
2. A member entitled to attend, participate, speak and vote at the Meeting is entitled to appoint a proxy to attend, participate, speak and vote in his/her stead. A proxy need not be a member of the Company. There shall be no restriction as to the qualification of the proxy. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
3. A member may appoint more than one (1) proxy in relation to a meeting, provided that the member specifies the proportion of the member's shareholdings to be represented by each proxy.
4. Where a member of the Company is an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("**omnibus account**"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorised nominee refers to an authorised nominee defined under Securities Industry (Central Depositories) Act, 1991 ("**SICDA**") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.
5. The instrument appointing a proxy shall be in writing under the hand of the appointor or his/her attorney duly authorised in writing or, if the appointor is a corporation, either under its Common Seal or under the hand of an officer or attorney duly authorised in writing.
6. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a duly notarised certified copy of that power or authority, shall be deposited at the registered office of the Company at Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490 Kuala Lumpur, Wilayah Persekutuan not less than forty-eight (48) hours before the time appointed for holding the Meeting or adjournment thereof:-

| Mode of submission | Designated address                                                                                                                                                                                        |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hard copy          | Securities Services (Holdings) Sdn. Bhd. of Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490 Kuala Lumpur, Wilayah Persekutuan                                 |
| Electronic means   | Through Securities Services e-Portal at <a href="https://sshsb.net.my">https://sshsb.net.my</a><br><br><i>Please refer to the Administrative Notes for lodgement of e-proxy form for further details.</i> |

The lodging of the Form of Proxy does not preclude a member from attending and voting remotely at the 24<sup>th</sup> AGM should he subsequently decide to do so, provided a notice of termination of proxy authority in writing is given to the Company and deposited at the registered office of the Company at Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490 Kuala Lumpur, Wilayah Persekutuan not less than twenty-four (24) hours before the time stipulated for holding the 24<sup>th</sup> AGM or any adjournment thereof.

## CORPORATE STRUCTURE

<sup>1</sup> associate companies of One Glove Group Berhad

## PROFILE OF DIRECTORS

### DATO' ASMUNI BIN SUDIN

Chairman, Independent Non-Executive Director

Age 69

Male

Malaysian

**Dato' Asmuni bin Sudin** was appointed to the Board of One Glove Group Berhad on 24 February 2021 as an Independent Non-Executive Director. On 29 November 2022, he was re-designated as the Chairman of the Board and a member of the Nomination and Remuneration Committee from his previous position as Chairman of the Nomination and Remuneration Committee. He is also a member of the Audit Committee. He attended all five (5) Board meetings held in the financial year.

Dato' Asmuni graduated with a Bachelor's Degree in Economics from University of Malaya. He is also a Chartered member of the Chartered Institute of Islamic Finance Professionals and has extensive working experience in the banking industry, which includes thirty (30) years working in Malayan Banking Berhad where he served under various positions. His last posting in Malayan Banking Berhad was the Regional Director/Executive Vice President, Region of Selangor and Negeri Sembilan, before he joined AgroBank as Chief Financial Services Officer in 2010. In 2018, he joined Bank Kerjasama Rakyat Malaysia Berhad as its Chief Operating Officer (Banking Operations).

Dato' Asmuni also sits on the board of PT Resources Holdings Berhad, which is a public company listed on the ACE Market of Bursa Malaysia Securities Berhad and two (2) non-listed public companies namely, Malaysia Debt Ventures Berhad and SPB Development Berhad.

### LOW BOK TEK

Group Managing Director

Age 68

Male

Malaysian

**Mr. Low Bok Tek** was appointed as the Group Managing Director of One Glove Group Berhad on 24 February 2021. He attended all five (5) Board meetings held in the financial year. He is not a member of any Board Committees.

Mr. Low completed his Malaysian Certificate of Education from Hua Lian Secondary School in 1976. He has approximately 38 years of entrepreneurial experience in the glove, distribution of motor vehicles and public transport industry.

In 1987, Mr. Low founded Latexx Partners Berhad, which was one of the largest rubber glove manufacturers in Malaysia and had contributed to its successful listing in 1996. He was also the Executive Chairman and Chief Executive Officer of Latexx Partners Berhad from 2004 to November 2013. In late 2012, he divested his entire stake in Latexx Partners Berhad to Semperit AG Holding, which is an Austrian-based global rubber medical glove maker. He remained on the board of directors of Latexx Partners Berhad in an executive capacity until November 2013 and thereafter in a non-executive capacity until his resignation in May 2016. Presently, Mr. Low is an entrepreneur who holds ownership in several private companies involved in oil palm plantation activities, property investment and the food and beverage industries. He does not hold directorships in any other public company and listed issuer.

Mr. Low is a major shareholder of the Company. To his best knowledge and belief, he has no other conflict of interest or potential conflict of interest, including interest in any competing business with the Company or its subsidiaries.

## Profile of Directors (Cont'd)

### DOMINIC AW KIAN-WEE

Executive Director

Age 55

Male

Malaysian

**Mr. Dominic Aw** was appointed to the Board of One Glove Group Berhad on 27 August 2020 as a Non-Independent Non-Executive Director. On 24 February 2021, he was re-designated as an Executive Director of the Company. He attended all five (5) Board meetings held in the financial year. He is not a member of any Board Committees.

Mr. Dominic holds a Bachelor of Law (Hons) degree from the University of Hull, North Humberside, England and a Barrister-at-Law (Middle Temple) from the University of Westminster, London, England. He was a partner of Mazlan & Associates (Advocates & Solicitors) from 2003 to 2015 and has over 19 years of working experience as an advocate and solicitor.

Mr. Dominic is also the Chairman of the Board of Directors of Perusahaan Sadur Timah Malaysia (Perstima) Berhad, which is a public company listed on the Main Market of Bursa Malaysia Securities Berhad.

### DR. LIEW LAI LAI

Independent Non-Executive Director

Age 56

Female

Malaysian

**Dr. Liew Lai Lai** was appointed to the Board of One Glove Group Berhad on 12 April 2021 as an Independent Non-Executive Director. She is also the Chairperson of the Audit Committee and a member of the Nomination and Remuneration Committee. She attended all five (5) Board meetings held in the financial year.

Dr. Liew graduated from the National University of Malaysia (UKM), Bangi, Selangor, Malaysia with a Bachelor of Economics in Development and Planning. She also holds a Master of Business Administration from Mississippi State University, Starkville, MS, USA and a Doctor of Business Administration from University Science of Malaysia, Penang, Malaysia. Dr. Liew is also both a Fellow and Chartered Global Management Accountant and member of the Chartered Institute of Management Accountants, UK and a Chartered Accountant with and member of the Malaysian Institute of Accountants.

In 1996, Dr. Liew joined Latexx Manufacturing Sdn. Bhd. as an Assistant Manager of Corporate Planning, Finance & Legal Affairs Department and had since held various positions until 2010, where she moved up the corporate ladder as the Senior Director, Finance and Corporate Services in Latexx Partners Berhad for approximately seven (7) years. She was also an Executive Director of Medtexx Industries (Thai) Co. Ltd., Thailand and also provided consultancy and advisory services on matters related to finance and corporate services for local companies.

Dr. Liew has vast experience in the field of accounting, finance and corporate planning, especially in financial planning and analysis, cost and management accounting, cash flow planning and budgetary control. Dr. Liew is currently the Vice-President of Finance and Administration of a Japanese manufacturing company based in Malaysia.

She does not hold directorships in any other public company and listed issuer.

Profile of Directors  
(Cont'd)

## LIM CHONG ENG

Independent Non-Executive Director

Age 68

Male

Malaysian

**Mr. Lim Chong Eng** was appointed to the Board of One Glove Group Berhad on 24 February 2021 as an Independent Non-Executive Director. On 29 November 2022, he was re-designated as the Chairman of the Nomination and Remuneration Committee from his previous position as a member of the Nomination and Remuneration Committee. He is also a member of the Audit Committee. He attended all five (5) Board meetings held in the financial year.

Mr. Lim graduated with a Bachelor of Science Degree in Mechanical Engineering from University of Wales, United Kingdom.

Mr. Lim has extensive working experience in the manufacturing sectors of many industries. He started his career in 1982 and has held various senior management positions in the electronics, metal, coach building, luggage and medical gloves industries. He carries with him twenty-five (25) years of valuable experience in the medical gloves industry.

Mr. Lim previously worked with Latexx Partners Berhad from 1995 to 2010. In 2011, he was a consultant for Careplus Group Berhad on operational matters. His last working portfolio was Senior Vice President for global sourcing for Ammex Corporation, USA from 2012 to 2016.

He does not hold directorships in any other public company and listed issuer.

---

### Notes :

Save as disclosed above, none of the Directors has:-

1. any family relationship with any Director and/or major shareholder of the Company;
2. any conflict of interest or potential conflict of interest, including interest in any competing business with the Company or its subsidiaries; and
3. any conviction for offences within the past five (5) years other than traffic offences, if any, or any public sanction or penalty imposed by the relevant regulatory bodies during the financial year.

## KEY MANAGEMENT INFORMATION

### LAW SIAU LIM (JERRY)

Chief Executive Officer, Onetexx Sdn. Bhd.

Age 47

Male

Malaysian

**Mr. Law Siau Lim** was appointed as the Chief Operating Officer of Onetexx Sdn. Bhd., a subsidiary of One Glove Group Berhad on 1 April 2021 and was subsequently appointed as the Chief Executive Officer of Onetexx Sdn. Bhd. on 1 January 2023.

He graduated with a Degree in Architecture from Royal Melbourne Institute of Technology in 2003 and obtained a Professional Qualification as a Practising Architect with the Architects Registration Board of Victoria, Australia.

Mr. Law has been involved in many international large scale and high-profile projects as a Design Architect in Australia, UK, China, Indonesia, etc. In 2003, he was appointed as an Associate in Denton Corker Marshall, Melbourne, Australia until 2012. He also spent 3 years working with Denton Corker Marshall in London from 2006 to 2009 as a Project Architect.

In 2012, he joined JLTL Architects Pty Ltd in Melbourne as a partner and was also appointed as a Design Director. Upon his return to Malaysia, he was appointed as an Executive Director of Three By Three Sdn. Bhd. which was involved in construction, property development and project management.

Mr. Law was instrumental in designing Onetexx Sdn. Bhd.'s factory in Kamunting, Perak and leading the integration and implementation of proprietary manufacturing processes, digitalisation and automation. His direction and leadership have been invaluable to Onetexx Sdn. Bhd., particularly from his hands-on knowledge of the factory design and manufacturing processes coupled with his desire to integrate IR 4.0 into factory operations which has led to the timely collection and extraction of data which Onetexx Sdn. Bhd. utilises to drive efficiencies and optimise costs.

### LOW BAN SIN (FREDDY)

Chief Sales Officer, Onetexx Sdn. Bhd.

Age 55

Male

Malaysian

**Mr. Low Ban Sin** was appointed as the Chief Sales Officer of Onetexx Sdn. Bhd., a subsidiary of One Glove Group Berhad on 1 January 2024, after having been Director of Operations & Strategy since 1 April 2021. Notwithstanding his new appointment, he continues to oversee the Research and Development and Supply Chain Management Departments.

He is a member of The Chartered Company Secretaries & Administration since 2000. He holds a Degree in Business Studies, Administration & Management.

Mr. Low Ban Sin began his career as a Head of Finance & Corporate Secretarial in Asian Micro Sdn. Bhd. where he managed the financial controls and corporate matters for Malaysia and Thailand from 1997 to 2003. He then moved to Seal Polymer Industries Berhad as a General Manager from 2003 to 2008.

From 2008 through to 2020, he was involved in strategy, operations and in providing business and technical advice for companies in the examination glove manufacturing industry including Green Prospect Sdn. Bhd. (as Operations Director) and Latexx Manufacturing Sdn. Bhd. (a member of Semperit AG Group) (as Senior Director).

Mr. Low brings with him a wealth of experience in managing all aspects of glove manufacturing operations including manufacturing processes, quality assurance, regulatory affairs, procurement and supply chain, making him an excellent interface between operations and the sales and marketing team and giving him an invaluable edge as he engages with potential and current customers.

## Key Management Information (Cont'd)

| TEONG LIAN AIK                                    |        |      |           |
|---------------------------------------------------|--------|------|-----------|
| Director of Factory Management, Onetexx Sdn. Bhd. | Age 71 | Male | Malaysian |

**Mr. Teong Lian Aik** was appointed as the Chief Executive Officer of Onetexx Sdn. Bhd., a subsidiary of One Glove Group Berhad on 1 April 2021 and was subsequently appointed as a Director of Factory Management on 1 January 2023.

He completed his Malaysian Higher School Certificate of Education from King Edward VII School in 1972.

With more than 45 years of working experience in the construction and property development sector, Mr. Teong spent the early part of his career as a Project Manager with Siew Yeap Engineering from 1974 to 1991 before becoming the managing director of various companies involved in construction, property development and project management from 1991 through to 2020 including Era Teknik Sdn. Bhd., Legend Develand Sdn. Bhd. and Three by Three Sdn. Bhd. His construction experience includes not only infrastructure and residential projects but also the completion of 2 major glove factories with 26 dipping lines as well as the construction of workers' hostels cum canteen for Latexx Partners Berhad in Kamunting, Perak.

Mr. Teong successfully managed and oversaw the construction of Onetexx Sdn. Bhd.'s factory in Kamunting, Perak and his hands-on managerial and project experience has been invaluable to the Group throughout the course of commencement of operations of that factory and after.

Mr. Teong is the brother-in-law to Mr. Low Bok Tek, the Group Managing Director and major shareholder of the Company.

| LEE HONG LAM                                       |        |      |           |
|----------------------------------------------------|--------|------|-----------|
| Group Financial Controller, One Glove Group Berhad | Age 29 | Male | Malaysian |

**Mr. Lee Hong Lam** was appointed as the Group Financial Controller of One Glove Group Berhad and its subsidiaries on 6 April 2026 and is presently primarily responsible for managing the Group's financial affairs.

Mr. Lee graduated with a Bachelor's Degree in Accounting from Universiti Tunku Abdul Rahman, Malaysia, in 2019. He is also a member of Malaysian Institute of Accountants (MIA).

Mr. Lee has over seven (7) years of experience in accounting and management, and oversight of financial operations. He began his career in outsourced accounting before transitioning to audit firms. He started as an intern with EY Malaysia and subsequently joined Deloitte PLT in October 2019 as an Audit Assistant, where he was later promoted to Audit Assistant Manager. During his tenure in Deloitte PLT through to June 2024, he was primarily involved in audits of private and public listed companies, as well as with initial public offerings for certain clients as reporting accountant.

From July 2024 to March 2025, he served as the Group Reporting and Finance Accountant at a plantation and manufacturing company listed on the Main Market of Bursa Malaysia Securities Berhad, where he was responsible for group reporting, annual budgeting and tax matters. Prior to joining One Glove Group Berhad, he held the position of Accounts and Finance Manager at a manufacturer of automotive tyres. In this role, he oversaw management reports, cash flow management, and treasury functions.

## Key Management Information (Cont'd)

### Notes :

Save as disclosed above, none of the Key Management has:-

1. any directorship in public companies and listed issuers;
2. any family relationship with any Director and/or major shareholder of the Company;
3. any conflict of interest or potential conflict of interest, including interest in any competing business with the Company or its subsidiaries; and
4. any conviction for offences within the past five (5) years other than traffic offences, if any, or any public sanction or penalty imposed by the relevant regulatory bodies during the financial year.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Dear Valued Stakeholders

I am pleased to present to you the Management Discussion and Analysis for the Group for the financial year ended 31 March 2026 ("**FYE 2026**").

### Group Overview

The Company is principally engaged in investment holding whilst its active subsidiary is involved in the manufacturing, sales and marketing of gloves and other related activities ("**Gloves Business**").

The Gloves Business is undertaken by Onetexx Sdn. Bhd. ("**Onetexx**"), a 100% subsidiary of the Company. Onetexx owns and operates a state-of-the-art 12 double former dip line factory in Kamunting, Perak ("**Kamunting Factory**") and holds various registrations and certifications (including ISO 9001:2015, ISO 13485:2016, ISO 14001:2015 and ISO 45001:2018 certifications, FDA Establishment and FDA 510k registrations, EN ISO 374 PPE Cat III (Module C2; Type B) certification and Worldwide Responsible Accredited Production ("**WRAP**") certification) to facilitate its business.

In addition, the Company owns a 38% equity interest in One Glove Venture Sdn. Bhd. ("**OGV**"). OGV in turn owns 100% equity interests in two (2) subsidiaries, namely Stylish Technology Sdn. Bhd. ("**ST**") and Stylish Energy Sdn. Bhd. ("**SE**"). ST continues to own land of a combined area of approximately 322 acres in Jebong, Larut Matang, Perak ("**Land**") free and clear of encumbrances whilst SE remains dormant.

### Operational Review

FYE 2026 was another challenging year for the Group. Global installed capacity continued to exceed demand, sustaining downward pressure on Average Selling Prices ("**ASPs**") and intense market competition. These headwinds were compounded by the extension of tariff impositions by the USA to countries beyond China, which intensified competition in (and resulted in a significant erosion of ASPs for) non-US markets as glove manufacturers recalibrated their strategies in response to the evolving trade environment. The appreciation of the Ringgit Malaysia against the US Dollar further weighed on the Group's export realisations.

Amidst this evolving landscape, the Group continued to prioritise product quality, regulatory compliance and operational efficiency, leveraging on its highly automated and digitalised Kamunting Factory. During FYE 2026, the Group:

- a. continued to streamline and improve its quality assurance processes to cater for increasingly stringent regulations and customer demands;
- b. continued to improve its production planning, workflows and maintenance programmes, in an effort to reduce production costs and improve production efficiencies. The solar photovoltaic system installed at the Kamunting Factory (for electricity supplied to Onetexx under a power purchase agreement) commenced operations, reducing the Group's reliance on conventional electricity sources and supporting its cost optimisation and decarbonisation efforts;
- c. continued a "made to order" production approach, supported by tighter inventory management and closer engagement with local and overseas suppliers to enhance the stability and continuity of raw material supplies, so as to improve working capital efficiency and reduce inventory holding costs; and
- d. continued to enhance its environmental, social and governance ("**ESG**") compliance and goals, building upon its "A" rating from its amfori BSCI audit and further successfully obtaining WRAP Gold Certification.

## Management Discussion And Analysis (Cont'd)

### Financial Performance Review

During FYE 2026, the Group recorded total revenue of RM39.475 million, all of which was derived from the glove manufacturing business. This represented an increase of approximately 11.31% as compared to the preceding year, mainly attributable to higher sales volume.

During the same period, the Group recorded Loss Before Tax of RM39.339 million. The higher loss before tax (as compared to the preceding year) was mainly attributed to a one-off impairment charge of RM5.633 million on plant and machinery, including capital work-in-progress, the write-off of property, plant and equipment of RM1.482 million and the appreciation of the Ringgit Malaysia against the US Dollar, despite lower production costs achieved from improved production efficiencies during the year under review.

Notwithstanding the above, the Group's total equity strengthened to RM168.075 million as at 31 March 2026 (from RM122.690 million as at 31 March 2025), mainly due to the recognition of the Group's 38% share of a revaluation surplus on the Land held by ST, amounting to RM85.465 million, following a revaluation exercise conducted by an independent valuer. Correspondingly, net assets per ordinary share improved to RM0.29 (from RM0.22 as at 31 March 2025).

### Strategies for Sustainable Growth

The Group presently has one (1) core business segment, being the Gloves Business, with one (1) factory in operation, being the Kamunting Factory.

The Group continues to see global demand for gloves trending upward in the mid to long term but is mindful that it has to adapt to the evolving gloves market landscape to be competitive.

Against this backdrop, the Group remains committed to strengthening its competitiveness by focusing on product quality, regulatory compliance, and operational efficiency. It continues to prioritise automation, digitalisation and process optimisation to reduce costs and support long-term sustainability. The Group is also intensifying its sales and marketing efforts to diversify its customer base and improve order visibility.

The Group's ongoing cost optimisation programme remains central to these efforts. This includes continually refining its production processes and pursuing innovation through research and development to improve efficiency and support its "made to order" approach, implementing utilities-saving measures to lower production overheads and managing headcount in line with prevailing production utilisation, all with the aim of reducing the Group's cost base and improving its operating cash flows.

In parallel, the Group is taking steps to strengthen its financial position and unlock the value of its assets. OGV is actively pursuing either a direct disposal of all or part of the Land held by ST, or an indirect disposal of ST itself, and is in discussions with multiple prospective purchasers. The Land is strategically located, with frontage onto the North-South Expressway near Taiping, Perak; part of it has been converted for industrial use. The relevant local authority has indicated that it has no objection to the change of the approved development to data centre whilst the Land is also suitable for other utilities intensive industrial uses. The proceeds attributable to the Group from any such disposal are intended to be applied primarily towards Onetexx's operational requirements and the repayment of borrowings, which would materially reduce the Group's finance costs and strengthen its liquidity position.

In tandem, the Group will also continue to build and enhance its environmental, social and governance practices in a systematic manner leveraging upon its in-house designed ESG Management System within which is embedded both its ISO 14001:2015 Environmental Management System and an ISO 45001:2018 Occupational Health & Safety Management System as well as its social compliance and governance systems.

## Management Discussion And Analysis (Cont'd)

### Operational Risks

The Group's operations continue to be exposed to risks inherent to the glove manufacturing business.

In respect of the Gloves Business, the Group will be subject, amongst others, to demand for gloves globally, fluctuations in ASPs, raw material prices, energy and labour costs, availability of sufficient labour, competition from existing and new players, introduction of new legal and environmental frameworks, changes in certification/licensing requirements, socio-political instability and changes in credit conditions.

The Group remains cognisant of these risks and has put in place a risk management framework to monitor and manage such risks at appropriately acceptable levels.

### Outlook

The outlook for the Group for FYE 2027 continues to remain challenging. Global installed capacity continues to exceed demand, resulting in sustained pressure on ASPs and intense market competition, compounded by the tariff policies of the USA. Since March 2026, the outbreak of conflict in the Middle East has disrupted global crude oil supply and driven an escalation in nitrile butadiene rubber ("**NBR**") and chemical costs, as well as adding uncertainty to global supply chains and logistics, while the appreciation of the Ringgit Malaysia against the US Dollar continues to weigh on export realisations.

In response to input cost volatility, the Board has approved a revised pricing mechanism, implemented since April 2026, under which increases in raw material costs are passed through to customers. The Group also continues to enjoy the support of its lenders and ADA Capital Investments Limited, a substantial shareholder, as it navigates these near-term headwinds.

The Group will use its best efforts to remain competitive by maintaining and improving the quality of its products and services and operational efficiencies, managing its costs and continuing to build upon its ESG practice, so as to be ready to capitalise on any recovery in demand and to serve markets that prioritise reliability, regulatory adherence and social compliance.

### Low Bok Tek

*Group Managing Director*

## CORPORATE GOVERNANCE OVERVIEW STATEMENT

Corporate governance in One Glove Group Berhad ("**One Glove**" or "**Company**") and its subsidiaries (collectively, "**One Glove Group**" or "**Group**") is a journey and a continual work in progress. The Board of Directors ("**Board**") recognises that a good governance framework is essential in protecting its shareholders' interests by delivering good corporate performance, underpinned by sustainable benefits for the economy, the environment and society. Both the Board and Management of the Company are committed to achieving the highest standards of corporate governance and promoting effective stewardship in practices and governance oversight.

As part of this commitment, the Board is pleased to report, hereunder, its Corporate Governance Overview Statement to provide investors with an overview of the extent of compliance with the practices as set out in the Malaysian Code on Corporate Governance ("**MCCG**") under the stewardship of the Board. In doing so, the Board has taken guidance from the three (3) key Principles below as set out in the MCCG.

**Principle A: Board  
Leadership and  
Effectiveness**

**Principle B: Effective  
Audit and Risk  
Management**

**Principle C: Integrity in  
Corporate Reporting and  
Meaningful Relationship  
with Stakeholders**

This overview statement is to be read together with the Corporate Governance Report 2026 ("**CG Report**") of the Company, which is available on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com). The CG Report provides detailed explanations on how One Glove has applied each Practice as set out in the MCCG during FYE 2026.

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS

#### 1.0 Board's Leadership on Objectives and Goals

##### 1.1 The Board's roles and activities

The Board's principal role is to effectively promote the best interests of the Company with a view towards enhancing shareholders' and stakeholders' values. In discharging its fiduciary duties and leadership functions, the Board is guided by the Board Charter, which outlines the duties and responsibilities of the Board, Board functions as well as those which the Board may delegate to the Board Committees, Group Managing Director ("**GMD**") and Management.

The Board also ensured that it set the strategic direction of the Group, exercised oversight on Management and set the appropriate tone at the top, while providing thought leadership and championing good governance and ethical practices throughout the Group.

All the Directors of the Company have objectively discharged their fiduciary duties and responsibilities at all times in the best interests of the Company to oversee the conduct, business activities and development of the Group.

For FYE 2026, the Management had presented to the Board the following proposals and strategic initiatives: -

##### (a) Annual Budget Plan

As a financial activity tracking initiative to support the strategic plan, the Management had tabled to the Board, the annual budget plan of the Group for FYE 2026 for review and approval.

The Board reviewed and deliberated the basis and underlying assumptions made by the Management when preparing the annual budget plan of the Group and provided guidance to ensure that the assumptions made were applicable to the Group.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 1.0 Board's Leadership on Objectives and Goals (Cont'd)

##### 1.1 The Board's roles and activities (Cont'd)

For FYE 2026, the Management had presented to the Board the following proposals and strategic initiatives (Cont'd): -

##### (b) Cost optimisation plan

As part of the broader cost optimisation strategy, the Management has completed the installation of solar panels at Onetexx's manufacturing facility as part of its energy and resource efficiency initiatives aimed at maintaining production levels while reducing operational costs. The objectives are to lower the Company's carbon footprint via a reduction of Scope 2 emissions, improve environmental, social and governance ("ESG") and reduce utility costs.

As fiduciaries, Directors are required to act in the best interests of the Company at all times and must avoid placing themselves in situations that may give rise to a conflict of interest, except with the Company's fully informed consent. Premised on the above, the Directors have a duty to declare to the Board should they have any interest, whether direct or indirect, in any agenda item or transaction proposed to be entered into by the Company, and such interested Director shall then abstain from deliberations and decision-making on the said agenda item.

During FYE 2026, Directors had participated in training programmes as follows: -

| Name of Director        | Training/courses attended                                                                                                                                                                                                                         |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dato' Asmuni bin Sudin  | <ul style="list-style-type: none"> <li>ESG for the Glove and Rubber Industry</li> <li>Key Amendments to the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad</li> <li>Pengurusan dan Pentadbiran Koperasi (Wajib 1)</li> </ul> |
| Mr. Low Bok Tek         | <ul style="list-style-type: none"> <li>ESG for the Glove and Rubber Industry</li> </ul>                                                                                                                                                           |
| Mr. Dominic Aw Kian-Wee | <ul style="list-style-type: none"> <li>ESG for the Glove and Rubber Industry</li> <li>AI in Manufacturing</li> </ul>                                                                                                                              |
| Dr. Liew Lai Lai        | <ul style="list-style-type: none"> <li>ESG for the Glove and Rubber Industry</li> <li>Malaysian Institute of Accountants (MIA) Annual Conference: Collaborative Leadership for a Sustainable Future</li> </ul>                                    |
| Mr. Lim Chong Eng       | <ul style="list-style-type: none"> <li>ESG for the Glove and Rubber Industry</li> </ul>                                                                                                                                                           |

In order for the Group to remain competitive, the Board will undergo relevant training programmes and seminars from time to time and as and when necessary to update themselves with the relevant knowledge and skills to discharge their duties effectively. An in-house training programme entitled 'ESG for the Glove and Rubber Industry' was recommended by the Nomination and Remuneration Committee ("NRC") and approved by the Board. The said in-house training was conducted on 31 March 2026, with the participation of Board members and senior management.

In addition, the Company Secretaries and external auditors provide updates to the Board on a regular basis on the respective changes and amendments to regulatory requirements and laws and accounting standards to ensure Directors keep abreast of such developments. During FYE 2026, the Board was briefed by the Company Secretaries on the key updates and highlights of the latest amendments to the Main Market Listing Requirements ("Main LR") of Bursa Securities.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 1.0 Board's Leadership on Objectives and Goals (Cont'd)

##### 1.1 The Board's roles and activities (Cont'd)

During FYE 2026, five (5) Board Meetings were held and details of Directors' attendance are as follows: -

| Directors               | Attendance |
|-------------------------|------------|
| Dato' Asmuni bin Sudin  | 5/5        |
| Mr. Low Bok Tek         | 5/5        |
| Mr. Dominic Aw Kian-Wee | 5/5        |
| Mr. Lim Chong Eng       | 5/5        |
| Dr. Liew Lai Lai        | 5/5        |

To enable the Board to discharge its responsibilities in meeting the goals and objectives of the Company, the Board has, amongst others:-

- together with senior management, promoted good corporate governance culture within the Group which reinforces ethical, prudent, integrity and professional conduct, including overseeing the ethical conduct of business and preventing bribery on the Group's business;
- reviewed, discussed and decided on Management's proposals for the Group, and monitored its implementation;
- ensured that the strategic plan of the Group supports long-term value creation, focuses on economic and ESG considerations underpinning the sustainability of the Group in the Group's strategies, business plans, major plans of action and risk management;
- supervised and assessed Management performance;
- ensured there is a sound framework for internal controls and risk management;
- recognised the principal risks of the Group's business and that business decisions involve the taking of appropriate risks;
- set the risk appetite within which the Board expects Management to operate and ensured that there is an appropriate risk management framework to identify, analyse, evaluate, manage and monitored significant financial and non-financial risks;
- ensured that senior management has the necessary skills and experience, and measures are in place to provide for the orderly succession of Board and senior management;
- ensured that the Company has in place procedures to enable effective communication with shareholders and stakeholders;
- ensured that all its directors are able to understand financial statements and form a view on the information presented; and
- ensured the integrity of the Company's financial and non-financial reporting.

##### 1.2 Key Responsibilities of the Chairman

The key responsibilities discharged by the Chairman of the Board included (but are not limited to) the following:

- provided leadership for the Board so that the Board can discharge its duties and responsibilities effectively;
- led the board in the adoption and implementation of good corporate governance practices in the Group;
- set the Board agenda and ensuring that Board members receive complete and accurate information in a timely manner;
- led Board meetings and discussions;
- encouraged active participation and allowing dissenting views to be freely expressed;
- managed the interface between Board and management; and
- ensured that appropriate steps are taken to provide effective communication with stakeholders and that their views are communicated to the Board as a whole.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 1.0 Board's Leadership on Objectives and Goals (Cont'd)

##### 1.3 Separation of the position of the Chairman and GMD

The Board has a structure where the roles of the Chairman and GMD are separate.

The positions of the Chairman and GMD are held by two different individuals and each has a clear accepted division of responsibilities to ensure that there is a balance of power and authority to promote accountability. The Chairman is responsible for instilling good corporate governance practices and leadership, and for ensuring Board effectiveness. The Chairman leads the Board in its collective oversight of Management, while the GMD has the overall responsibilities over the Group's operating units, organisational effectiveness and implementation of Board policies and decisions.

The distinct and separate roles of the Chairman and GMD are clearly defined in the Board Charter to ensure that no one individual has unfettered powers of decision-making.

##### 1.4 The Chairman of the Board is also the member of the two (2) Board Committees, namely the Audit Committee ("AC") and NRC.

The Board took cognisance that having the same person assume the position of chairman of the Board and member of other board committees gives rise to the risk of self-review and may impair the objectivity of the chairman and the Board when deliberating on the observations and recommendations put forth by the board committees. However, Dato' Asmuni bin Sudin, as Board Chairman, is not involved in management and operational matters of the Group, and he always provides constructive ideas and opinions to the Board and Board Committees respectively and showed impartiality in his judgement and conduct based on different perspectives as a Board Chairman and member of Board Committees.

##### 1.5 Company Secretaries

The Company is supported by the suitably qualified and competent Company Secretaries. The Company Secretaries are qualified Chartered Secretaries under Section 235(2)(a) of the Companies Act 2016 registered with the Companies Commission of Malaysia ("CCM") and are members of the Malaysian Association of the Institute of Chartered Secretaries and Administrators ("MAICSA"). The Company Secretaries are external company secretaries from Securities Services (Holdings) Sdn. Bhd. with vast knowledge and experience from being in public practice and are supported by a team of competent company secretarial personnel.

The Company Secretaries have:

- together with Management, managed all Board and Board Committee meeting logistics;
- attended and recorded minutes of all Board and Board Committee meetings and facilitated Board communications either in person or through its representative;
- advised the Board on its roles and responsibilities;
- facilitated Director training and development;
- advised the Board on corporate disclosures and compliance with Companies Act 2016, the Company's Constitution, Securities Commission's regulations and Listing Requirements; and
- monitored corporate governance developments and advised the Board on governance practices.

The Company Secretaries have and will continue to constantly keep themselves abreast of matters concerning company law, the capital market, corporate governance, and other pertinent matters, and with changes in the regulatory environment, through continuous training and industry updates. They have also attended relevant continuous professional development programmes as required by MAICSA and CCM for practising Chartered Secretaries.

The Board is satisfied with the performance and support rendered by the Company Secretaries to the Board in the discharge of its function, duties and responsibilities.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 1.0 Board's Leadership on Objectives and Goals (Cont'd)

##### 1.6 Timely circulation of meeting materials

Management is cognisant of the importance of providing complete and adequate information to the Directors on a timely basis to enable them to make informed decisions to discharge their duties and responsibilities.

The Notice and agenda of the scheduled Board Meeting are given to the Directors at least seven (7) days prior to the Board Meeting. Where there were exceptional circumstances where such a notice period could not be provided for the convening of Special Meetings of the Board to address critical matters, all Directors had consented to the shorter notice.

To leverage on the usage of technology, the meeting papers are circulated to the Directors in electronic form via email at least three (3) business days prior to the meetings, to allow the Directors to consider the relevant information. The Management will strive to circulate the meeting materials at least five (5) business days in advance of the meeting day moving forward.

The minutes of the Board and Board Committee meetings, as recorded by the Company Secretaries, are disseminated to the Directors in a timely manner for review. All Board members reviewed and confirmed the minutes of meetings to ensure they accurately reflect the deliberations and decisions of the Board, including a statement of declaration of interest or abstention from voting and deliberation where required.

#### 2.0 Demarcation of Responsibilities

##### 2.1 Board Charter

The Board has a Board Charter, which is published on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com). The Board Charter clearly sets out the Board's strategic intent and identifies the respective roles and responsibilities of the Board, Board Committees, individual Directors and senior management, as well as the Board's governance structure and authority. The Board Charter was last reviewed and adopted by the Board on 31 May 2023.

As part of its efforts to ensure the effective discharge of its duties, the Board has delegated certain functions and authorities to two (2) of its Board Committees, namely, AC and NRC. These Committees are entrusted with specific responsibilities to assist the Board in overseeing the Company's affairs, in accordance with their limits of authority and respective Terms of Reference, which are published on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com). These Terms of Reference are reviewed as and when the need arises and were recently amended to reflect the latest compliance requirements as a result of changes in the regulatory framework. The Board keeps itself abreast of the responsibilities delegated to each Board Committee, and matters deliberated at each Board Committee meeting through the minutes of the Board Committee meetings and reports by the respective Board Committee Chairperson, at Board meetings.

##### AC

Details on the AC are in the AC Report contained in this Annual Report.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 2.0 Demarcation of Responsibilities (Cont'd)

##### 2.1 Board Charter (Cont'd)

##### **NRC**

The NRC was established with clearly defined Terms of Reference, and comprised three (3) Non-Executive Directors, all of whom are independent pursuant to Paragraph 15.08A(1) of the Main LR of Bursa Securities, during FYE 2026 as follows:-

| Name                   | Designation | Directorship                       |
|------------------------|-------------|------------------------------------|
| Mr. Lim Chong Eng      | Chairman    | Independent Non-Executive Director |
| Dato' Asmuni bin Sudin | Member      | Independent Non-Executive Director |
| Dr. Liew Lai Lai       | Member      | Independent Non-Executive Director |

The NRC is empowered by the Board to oversee the selection and assessment of Directors to be appointed to ensure that the Board's composition and skills meet the needs of the Company, and hence, is tasked with the following duties and responsibilities:-

- to formulate and review the policy on Board composition having regard to the mix of skills, independence and diversity (including gender diversity) required to meet the needs of the Company, strengthen board leadership and oversight of sustainability issues.
- to source, identify, review and recommend candidates for appointment to the Board and Board Committees, taking into consideration the optimum and effective size of the Board and the candidates: -
  - ✓ character, competency, knowledge and experience;
  - ✓ professionalism;
  - ✓ integrity and credibility;
  - ✓ time commitment; and
  - ✓ in the case of the candidates for the position of Independent Non-Executive Directors, the candidates' ability to discharge such responsibilities or functions as Independent Directors.
- to conduct a fit and proper assessment on any person identified to be appointed as a Director or to continue holding the position as a Director within the Company prior to the initial recruitment or appointment (including proposed re-election or re-appointment) as a Director.
- to recommend to the Board of Directors the nominees to fill the seats on Board Committees.
- to review Board succession plans.
- to review training programmes for the Board annually and facilitate board induction and training programmes for new members of the Board.
- to ensure that all Directors receive appropriate continuous training programmes in order to broaden their perspectives and to keep abreast with developments in the marketplace, changes in new statutory and regulatory requirements and understand the sustainability issues relevant to the Company and its business, including climate-related risks and opportunities.
- to assess the effectiveness of the Board and Board Committees as a whole and each individual Director of the Board. The evaluation of the Board includes a review of the Board's performance in addressing the Group's material sustainability risk and opportunities.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 2.0 Demarcation of Responsibilities (Cont'd)

##### 2.1 Board Charter (Cont'd)

###### ***NRC (Cont'd)***

- to review the term of office and performance of the AC and each of its members annually.
- to review and assess the remuneration packages for the Directors in all forms, and to be determined on the basis of the Directors' merit, qualification and competences, while having regard to the Group's operating results, individual performance and comparable market statistics, which are aligned with the business strategy and long-term objectives of the Group. In addition, the performance of the Group in managing material sustainability risks and opportunities will also be considered.
- to structure the component parts of remuneration so as to link rewards to Group strategy and performance.
- to ensure the levels of remuneration be sufficiently attractive and be able to retain Directors needed to contribute to the success of the Group.
- to ensure that the remuneration and incentives for Independent Directors do not conflict with their obligation to bring objectivity and independent judgement on matters discussed at Board meetings.

###### ***Activities of the NRC***

During FYE 2026, the NRC held one (1) meeting to discharge its duties and responsibilities in respect of or otherwise approved the following: -

- reviewed the contribution and performance of each individual Director, the Board as a whole and Board Committees;
- assessed the independence of Independent Directors;
- reviewed and recommended the re-election of Directors to the Board for recommendation to the shareholders for approval;
- reviewed the term of office and performance of the AC and each of its members;
- reviewed and discussed the remuneration packages for the Executive Directors;
- reviewed and recommended the payment of Directors' fees and benefits payable, to the Board for recommendation to the shareholders for approval;
- reviewed and recommended the training programme for the Board; and
- reviewed and recommended the appointment of Group Financial Controller for the Board's approval.

In proposing candidates for appointment or re-election as Directors, the NRC takes into consideration all diversity aspects under the Boardroom Diversity Policy as well as the criteria outlined in the Directors' Fit and Proper Policy:-

- professional expertise, level of experience, competency and background;
- time commitment and potential to add value to the Board and the Company as a whole; and
- promotion of diversity in views and opinions in the Board.

In assessing the performance of the Board, Board Committees and Directors of the Company, the NRC takes into consideration the following:-

- personal commitment/contribution to interaction
- understanding of the Company's activities
- compliance with the terms of reference, duties and responsibilities of a director, and of the Board Chairman

##### *Activities of the NRC (Cont'd)*

The attendance of Directors who are members of Board committees during FYE 2026 is set out below:-

| Directors                      | AC  | NRC |
|--------------------------------|-----|-----|
| <b>Non-Executive Directors</b> |     |     |
| Dato' Asmuni bin Sudin         | 5/5 | 1/1 |
| Dr. Liew Lai Lai               | 5/5 | 1/1 |
| Mr. Lim Chong Eng              | 5/5 | 1/1 |

#### 3.0 Good Business Conduct and Healthy Corporate Culture

##### 3.1 Code of Conduct and Ethics

The Group, its Directors, Management and employees firmly believe in creating a corporate culture to operate the businesses of the Group in an ethical manner and to uphold the highest standards of professionalism and exemplary corporate conduct. The Board has formalised ethical standards by establishing a Code of Conduct and Ethics ("**Code**"), which outlines the standards of business conduct and ethical behaviour which the Directors and employees should possess in discharging their duties and responsibilities.

Additionally, the Group is committed towards preserving and protecting its interest and reputation at all times. The Group expects high standards of integrity and accountability from all employees within its Group of Companies. It is also intended to encourage and enable employees and others to raise concerns within the Group prior to seeking resolution outside the Company. The said Code is published on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

##### 3.2 Whistleblowing Policy

The Group is committed towards ensuring that every part of its operation is carried out professionally and in accordance with relevant laws, rules, regulations, code of ethics and governance requirement. The Company places high value on the level of trust and integrity expected of its employees within its Group. It is also intended to encourage and enable employees and others to raise concerns within the Group prior to seeking resolution outside the Company.

In line with this, the Group has put in place a whistleblowing policy to encourage its employees to report genuine concerns in relation to breach of any legal obligation (including negligence, criminal activity, breach of contract and breach of the law), miscarriage of justice, danger to health and safety or to the environment and the cover-up of any of these in the workplace. The whistleblowing policy of the Group provides guidance on the appropriate communication and feedback channels to facilitate whistleblowing. The whistleblowing policy was subsequently revised on 29 May 2024.

The said whistleblowing policy is published on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

Employees are made aware that relevant disciplinary actions will be taken for unethical behaviour and gross misconduct.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 3.0 Good Business Conduct and Healthy Corporate Culture (Cont'd)

##### 3.3 Anti-Bribery and Anti-Corruption Policy

In support of ethical business practices, the Board has adopted a zero-tolerance approach against all forms of bribery and corruption and takes a strong stance against such acts through the adoption of the Group's Anti-Bribery and Anti-Corruption Policy on 24 January 2022 as additional measures to comply fully with the applicable laws and regulatory requirements on anti-bribery and anti-corruption. The Group's Anti-Bribery and Anti-Corruption Policy was subsequently revised on 29 May 2024.

This Policy applies to all employees and Directors of the Group and/or any person(s) associated with the Group (e.g., suppliers, sub-contractors, consultants, agents, representatives and others performing work or services). It is made available on the Company's corporate website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

##### 3.4 Directors' Fit and Proper Policy

The Board has in place a Directors' Fit and Proper Policy, which sets out the fitness and propriety for the appointment and re-election of Directors and to ensure that each of the Director has the character, integrity, experience, competence and time commitment to effectively discharge his/her role as a Director of the Company in tandem with good corporate governance practices.

The Directors' Fit and Proper Policy is available on the Company's corporate website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

#### 4.0 Governance of Sustainability

##### 4.1 Sustainability activities

The Board acknowledged that sound corporate governance underpins a company's ability to not only effectively manage the risks in its operating environment, but also to recognise and capture the opportunities that are presented. The Board is responsible for providing this underpinning, and as such, the sustainable development of the Group is governed as an integral part of the Board's performance.

The establishment of the Sustainability, Compliance and Certification Department ("**SCC Department**") signifies the Group's dedication to fostering a sustainable and responsible corporate culture.

To assist the Board in carrying out its responsibilities, the Board leads the oversight of the Group's ESG footprint through the Risk Management Committee established within Onetexx, that comprises two (2) sub-committees, ESG Compliance Committee and Safety, Health and Environment Committee. This is co-ordinated and driven by the SCC Department. The Group's governance structure for sustainability is as follows:-

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 4.0 Governance of Sustainability (Cont'd)

##### 4.1 Sustainability activities (Cont'd)

The mode of establishment, composition and role is outlined as follows:-

|                       | ESG Compliance Working Group                                                                                                                            | ESG Compliance Committee                                                                                                                                                                         |

| <i>Reporting line</i> | ESG Compliance Committee                                                                                                                                | Risk Management Committee                                                                                                                                                                        |

The ESG Compliance Working Group comprises key individuals and department heads responsible for the day-to-day performance and progress of the sustainability initiatives. The working group reports directly to the ESG Compliance Committee, who is responsible for the Company's sustainability strategies, policies and initiatives. Decisions made that are related to ESG matters and driving ESG topics in business considerations are escalated to the Risk Management Committee for deliberation.

To maintain sustainability momentum within the Group, the Management continues to strengthen its ESG practice and enhance its integration into active operations under Onetexx, building upon the solid base founded upon the initial recommendations provided by Elevate Limited, an ESG Consultant in 2022.

During FYE 2026: -

- Within the framework of the in-house designed ESG Management System ("ESG-MS"), using the "Plan, Do, Check, Act" ("PDCA") model within the ISO 14001:2015 (Environmental Management System) and ISO 45001:2018 (Occupational Health and Safety Management System) frameworks, the SCC Department continued to spearhead the review and refinement of our ESG practices based on insights from internal and third-party audits to ensure its ongoing effectiveness and improvement;
- As part of its commitment to responsible business conduct, Onetexx maintains its membership with amfori Business Social Compliance Initiative ("BSCI"), an industry-driven movement which aimed at monitoring and assessing workplace standards across the global supply chains. Guided by the BSCI Code of Conduct, the Group continues to enhance its internal policies and practices to improve its social compliance and uphold ethical business standards and to open itself to annual social audits. Onetexx achieved an "A" rating in its BSCI Social Audit. Reinforcing this commitment, Onetexx obtained its gold certification of compliance from Worldwide Responsible Accredited Production ("WRAP"), having aligned its practices with the 12 Principles of WRAP which extend beyond fair labour, health and safety, environmental responsibility and ethical conduct to cover customs compliance and security (including cybersecurity). This continued commitment refines our due diligence processes, mitigates social risks, supports compliance with international human rights and sustainability standards, and helps us meet the expectations of our stakeholders and customers;

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 4.0 Governance of Sustainability (Cont'd)

##### 4.1 Sustainability activities (Cont'd)

During FYE 2026 (Cont'd): -

- (c) As part of its commitment to sustainable manufacturing and climate action, the Group committed to achieving Net Zero GHG emissions across Scope 1, Scope 2 and Scope 3 by 2045. By reducing greenhouse gas emissions, improving resource efficiency, and embracing sustainable innovation, the Group aims to support the transition to a low-carbon economy while creating long-term value for its stakeholders; and
- (d) As a member of United Nations Global Compact ("UNGC") through its local chapter, UN Global Compact Network Malaysia & Brunei ("UNGCMYB") and in line with our commitment to sustainability and human rights, the SCC Department participated in the UNGC Young Executive Sustainability Summit, a platform to strengthen sustainability leadership, gain practical tools, and engage with peers. This participation reinforces our commitment to sustainability, enhances our leadership capacity, and reflects our proactive approach to creating positive organisational impact.

Please refer to the Sustainability Statement in the Annual Report for further details.

- 4.2 The Company has engaged with stakeholders in a variety of ways through formal and informal activities. Sustainability strategies, priorities and performance are communicated through the Company's annual report and corporate website, which contains its sustainability approach and governance, environmental performance, contributions to society and employee relations, among others.
- 4.3 The Board assessed the training programme attended by each Director during FYE 2026 to ensure that the Directors had and will continue to constantly keep abreast of the relevant requirements and matters concerning sustainability, including the latest development in the industry as well as the sustainability issues relevant to the Group.
- 4.4 The review of the sustainability risks and opportunities is embedded in the Board evaluation forms. While the sustainable development of the Group is governed as an integral part of the Board's performance, the senior management is also playing a pivotal role in fostering a sustainable organisation by integrating sustainability initiatives and principles into the Group's operations, thereby ensuring the Group's strategy and the sustainability efforts are aligned. In evaluating the performance of senior management, the Board reviews the Group's sustainability performance based on the updates/reports from Management concerning the ESG priorities and the progress at nearly every quarterly meeting.
- 4.5 The Executive Director, Mr. Dominic Aw Kian-Wee, who is also the chairman of the ESG Compliance Committee is the designated person within management to manage sustainability strategies and initiatives in the Group. As the Board holds the ultimate responsibility of oversight and observance of sustainability strategy and initiatives, the Chair of ESG Compliance Committee is responsible for reporting to the Board on the implementation of sustainability initiatives on a regular basis. This is to ensure that the governance and operational aspects of sustainability integration receive dedicated oversight at the Board level.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 5.0 Board's Objectivity

- 5.1 The NRC is responsible to oversee and review on an on-going basis, the overall composition of the Board in terms of size, the required mix of skills, experience and other qualities and core competencies for the Directors of the Company. The effectiveness of the Board as a whole and the contribution and performance of each individual Director to the effectiveness of the Board and the Board Committees will also be assessed by the NRC on an annual basis.

#### 5.2 Board Composition

The Board is led and managed by experienced Board members from diverse backgrounds with a wide range of expertise. The Board presently comprises a total of five (5) members, of which three (3) members are Independent Non-Executive Directors and two (2) members are Executive Directors, which fulfils the prescribed requirement under Paragraph 15.02(1) of the Main LR of Bursa Securities and Practice 5.2 of the MCCG.

The presence of Independent Directors who make up a majority of the Board provides necessary checks and balance on the decision-making process of the Board. This strong and independent element brings an objective and independent judgement to the decision-making process of the Board and is vital to the effective stewardship of the Group.

All Directors have distinguished themselves in their field of expertise and have advised the Board in the area of their respective specialty, where this is relevant to the Group's business activities and strategic development.

The Board is of the view that its present size and composition reflects an appropriate balance of Executive and Non-Executive Directors with the desired blend of skills and experience necessary for the Group's current business and operations.

#### 5.3 Tenure of Independent Directors

The NRC assessed the independence of the Independent Directors and monitored their tenure annually.

None of the Independent Directors has exceeded a cumulative term of nine (9) years in the Company as at 31 March 2026.

- 5.4 Being a step-up practice, the Board has not adopted a policy which limits the tenure of its Independent Directors to nine (9) years.

#### 5.5 Boardroom and Gender Diversity

The Board is supportive of the Board and senior management composition diversity recommendation promoted by the MCCG in order to offer greater depth and breadth to Board discussions and constructive debates at senior management level.

All Board and Senior Management appointments are based on objective criteria, merit and with due regard to the benefits of diversity within the Board. Diversity in this context encompasses a wide range of factors, including but not limited to gender, age, cultural and educational background, professional experience, skills and knowledge.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 5.0 Board's Objectivity (Cont'd)

##### 5.5 Boardroom and Gender Diversity (Cont'd)

The NRC considers the following objective criteria in their nomination and election process:–

The Board appoints its members through a formal and transparent selection process. The new appointees will be considered and evaluated by the NRC and the NRC will then recommend the candidates to be approved and appointed by the Board. The Company Secretaries will ensure all appointments are properly documented.

The Company is an equal opportunity employer and does not practise discrimination of any form, whether based on ethnicity, age, gender, nationality, religious affiliation, education background or marital status, throughout the organisation.

- 5.6 The Board will consider utilising independent sources to identify suitably qualified candidates when the need arises in the future. During FYE 2026, there were no new Directors appointed to the Board.
- 5.7 The NRC is responsible for making recommendation to the Board on the eligibility of the Directors to stand for re-election at the AGM. The performance of the retiring Directors who are recommended for re-election at the AGM has been assessed through the Board and Board Committee evaluation, including the fit and proper assessment.
- 5.8 The NRC is chaired by Mr. Lim Chong Eng, an Independent Non-Executive Director.
- 5.9 The Board recognises that a gender-diverse Board could offer greater depth and breadth whilst the diversity at key senior management would lead to better decision-making. Presently, there is only one (1) female Director on the Board of the Company namely, Dr. Liew Lai Lai.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 5.0 Board's Objectivity (Cont'd)

5.10 The Board practises non-gender discrimination and endeavours to promote workplace diversity and supports the representation of women in the composition of the Board of the Company and senior management positions of the Group. The Company has adopted a Gender Diversity Policy and a Boardroom Diversity Policy.

In pursuing its gender diversity agenda, the measurable diversity objectives set by the Board are to:-

- ✓ foster an inclusive culture - involving both women and men in fostering an inclusive culture that upholds the central principle of meritocracy.
- ✓ improve talent management - embedding diversity initiatives into the broader talent management processes in order to support the development of all talent, including an increase of the representation of women in management roles.
- ✓ develop a work environment that values and utilises the contributions of employees with diverse backgrounds, experiences and perspectives through awareness of the benefits of workforce diversity and successful management of diversity.
- ✓ create awareness in all employees of their rights and responsibilities with regards to fairness, equity and respect for all aspects of diversity.

The recruitment and appointment of suitable female representation on the Board will be considered when vacancies arise or suitable candidates are identified in line with the Group's strategic objectives.

#### Gender, ethnicity and age diversities in the Board

#### Gender, ethnicity and age diversities in the workforce

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 6.0 Overall Effectiveness of the Board

6.1 There is a formal evaluation process to assess the effectiveness of the Board as a whole. The Board, through the NRC would typically undertake the following assessments annually and the results of the evaluations are presented to the NRC and the Board:-

- (i) Directors' self-assessment;
- (ii) Board and Board Committees performance evaluation;
- (iii) review of the term of office and performance of AC and each of its members; and
- (iv) assessment of Independent Directors.

The annual assessment of individual Directors, the Board as a whole and the Board Committees is based on a comprehensive assessment system, which commences with the completion of a set of comprehensive Self-Assessment Forms detailing all assessment criteria to be completed by all Directors for evaluation by the NRC. Criteria for the self-assessment include self-ratings on the Director's knowledge, support of the mission and goals of the Company, time commitment, and active participation on the Board.

Based on the outcome of the evaluation, the Board noted the following:-

- individual Directors are able to meet the Board of Directors' expectations in terms of character, experience, integrity, competency and time commitment in discharging their roles as Directors of the Company.
- individual Directors exercised due care and carried out professional duties proficiently.
- the Board and Board Committees had been effective in carrying out their functions and duties.
- all Independent Directors had been and remain independent from management and free from any business relationship that could materially interfere with their independent judgement.

The Board will consider engaging a professional, experienced and independent party to lend greater objectivity to the assessments as and when required.

#### 7.0 Level and Composition of Remuneration

7.1 Policies and procedures to determine the remuneration of Directors and senior management

In view that fair remuneration is crucial to attract, retain and motivate Directors and senior management, the Board has adopted Policies and Procedures to Determine the Remuneration of Directors and senior management which takes into account the demands, complexities and performance of the Company as well as skills and experience required to determine the remuneration of Directors and senior management. The said policies and procedures are available on the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

The NRC is responsible for reviewing and making recommendations to the Board for approval, the framework and remuneration packages of each Director in all forms, drawing from outside advice whenever necessary prior to making the relevant recommendations to the Board so that the levels of remuneration are sufficient to attract and retain the Directors needed to run the Company successfully. In its review, the NRC considers various factors including the Directors' fiduciary duties, time commitments and the Company's performance.

As part of the remuneration strategy, the table below sets out the guiding principles and its implementation: -

| Guiding Principles                    | Details                                                                                                                                                                                                                                     |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alignment with shareholders' interest | <ul style="list-style-type: none"> <li>• Align interests between employees and shareholders</li> <li>• Design incentive scheme to align incentive payments with the long-term performance of the Group</li> </ul>                           |
| Provide market competitive pay        | <ul style="list-style-type: none"> <li>• Offer competitive packages to attract and retain talented and experienced individuals</li> <li>• Align compensation pay with the market, subject to affordability</li> </ul>                       |
| Pay-for-performance                   | <ul style="list-style-type: none"> <li>• Instill and drive a pay-for-performance culture</li> <li>• Measure performance against performance appraisal e.g. performance scorecard, comprising financial and non-financial metrics</li> </ul> |

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE A: BOARD LEADERSHIP AND EFFECTIVENESS (CONT'D)

#### 7.0 Level and Composition of Remuneration (Cont'd)

- 7.2 The Board has established a NRC that assists the Board in reviewing and recommending the proposed remuneration packages of the Directors of the Company.

The Board is satisfied that the NRC has effectively and efficiently discharged its roles and responsibilities with respect to its nomination and remuneration functions. As such, it is not necessary to separate the nomination and remuneration functions into distinct nomination and remuneration committees.

The Terms of Reference of NRC is available on the Company's corporate website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

The NRC currently consists of all Independent Non-Executive Directors, which is in line with the MCCG.

The following works were undertaken by the NRC relating to its remuneration function during FYE 2026: -

- reviewed and assessed the payment of benefits payable to the Directors and recommended the same to the Board for consideration to recommend to the shareholders for approval;
- reviewed the Directors' fees for the financial year ended 31 March 2026 and recommended the same to the Board for consideration to recommend to the shareholders for approval; and
- reviewed and recommended the remuneration package for Executive Directors to the Board.

#### 8.0 Remuneration of Directors and Senior Management

- 8.1 Details of the aggregate remuneration of the Directors during FYE 2026, are as follows:-

| Received from the Company  |                |               |                                                                                |                |

8.2 The key senior management's remuneration component including salary and other emoluments in bands of RM50,000/- on a named basis, are disclosed as follows:-

| Remuneration bands (RM) | Number of top five (5) senior management                                                 |
|-------------------------|------------------------------------------------------------------------------------------|
| RM350,001-RM400,000     | • Mr. Law Siau Lim, Chief Executive Officer, Onetexx                                     |
| RM250,001-RM300,000     | • Mr. Low Ban Sin, Chief Sales Officer, Onetexx                                          |
| RM150,001-RM200,000     | • Mr. Wong Teck Chee, Group Financial Controller ( <i>resigned w.e.f. 3 April 2026</i> ) |
| RM100,001-RM150,000     | • Mr. Teong Lian Aik, Director of Factory Management, Onetexx                            |

8.3 The aggregate remuneration (including salaries, bonus, allowances, benefits-in-kind or other emoluments) paid to the senior management members (excluding executive Directors) for FYE 2026 was RM930,294/-. The Board considers the remuneration information of senior management to be confidential and proprietary, and to respect their privacy, will not disclose said information in detail.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE B : EFFECTIVE AUDIT AND RISK MANAGEMENT

#### 9.0 Effective and Independent AC

- 9.1 The AC is chaired by Dr. Liew Lai Lai, while the Chairman of the Board is Dato' Asmuni bin Sudin, an Independent Non-Executive Chairman.

This separation of leadership and responsibility ensured that the objectivity of the Board's review of the AC's findings and recommendations is not impaired. This separation is set out clearly in the Terms of Reference of the AC.

During the financial year under review, the Chairperson of the AC was responsible to ensure the overall effectiveness and independence of the AC. Together with other members of the AC, they had ensured amongst others that: –

- the AC was fully informed about significant matters related to the Company's audit and its financial statements and these matters are addressed;
- the AC appropriately communicated its insights, views and concerns about relevant transactions and events to Internal and External Auditors; and
- the AC's concerns on matters that may have an effect on the financial or audit of the Company were communicated to the External Auditors.

- 9.2 The AC has formalised the policy that requires a cooling-off period of at least three (3) years to be observed by the former key audit partner of the Company's External Auditors in the Terms of Reference of the AC before being appointed as a member of the AC. This is to safeguard the independence of the audit and preparation of the Company's financial statements.

None of the members of the AC were former key audit partners of the Company. As a matter of practice, the AC has recommended to the NRC not to consider any key audit partner as a potential candidate for Board/AC member to affirm the AC's stand on such policy.

- 9.3 In recommending the appointment or re-appointment of the External Auditors to the Board, the AC has established Policies and Procedures to Assess the Suitability, Objectivity and Independence of External Auditors ("**Policies and Procedures**") that consider amongst others:-

- the competence, audit quality, experience and resource capacity of the external auditor and its staff assigned to the audit;
- the adequacy of the scope of the audit plan;
- the external auditor's ability to meet deadlines in providing services and responding to issues in a timely manner as contemplated in the external audit plan;
- the nature and extent of the non-audit services rendered and the appropriateness of the level of fees; and
- obtaining assurance from the external auditors confirming that they are, and have been, independent throughout the conduct of the audit engagement in accordance with the terms of all relevant professional and regulatory requirements.

The assessment to consider the suitability, objectivity and independence of the audit firm is conducted annually. The AC was of the view that Messrs. Deloitte Malaysia PLT (formerly known as Deloitte PLT) the External Auditors, had conducted themselves objectively and independently in carrying out the audit of the Company during FYE 2026, and the AC was satisfied with the performance of the external auditors and had recommended to the Board the re-appointment of Messrs. Deloitte Malaysia PLT (formerly known as Deloitte PLT) as External Auditors of the Company.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE B : EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

#### 9.0 Effective and Independent AC (Cont'd)

9.4 The AC comprises solely of Independent Directors in line with step-up Practice 9.4 of the MCCG.

9.5 All members of the AC are financially literate and are able to understand the Group's business and matters under the purview of the AC, including the financial reporting process. They have continuously applied a critical and probing view on the Company's financial reporting process, transactions and other financial information, and effectively challenged Management's assertions on the Company's financials. Any inconsistencies or irregularities in the financial and operational reports would be questioned to ascertain that each quarterly report and the annual Audited Financial Statements taken as a whole provide a true and fair view of the Company's financial position and performance.

All members of the AC have also undertaken and will continue to undertake continuous professional development to keep themselves abreast of relevant developments in accounting and auditing standards, practices and rules, as and when required.

#### 10.0 Risk Management and Internal Control

10.1 The Board has established an effective risk management and internal control framework to identify and assess risks, monitor internal controls, and ensure that appropriate measures are in place to mitigate and control business risks.

10.2 The Board is aware of and recognises various types of risks inherent in the businesses of the Group and the possible financial impact. As part of its ongoing process to identify, evaluate, and to manage risks, the Board with the assistance of the AC will monitor the effectiveness of internal control, including identifying risk areas, where the details of these risk events will be identified and discussed at length in the meetings. The findings and recommendations, if any, will be tabled at the board meetings on a periodic basis, in which the key risks and corresponding risk mitigating actions are identified and their progress is set for discussions and deliberations. With the approval of the Board, appropriate measures will be taken to strengthen the controls in order to improve risk management of the Group. An appropriate framework is being maintained on an on-going basis to enhance and develop the Group's risk management further.

The Company also engages Internal Auditors to provide independent assessments of the adequacy, efficiency and effectiveness of the Group's internal control system. The Internal Auditors report directly to the AC and internal audit plans are tabled to the AC for review and approval by the Board to ensure adequate coverage.

Further details on the features of the risk management and internal control framework, and the adequacy and effectiveness of this framework, are disclosed in the Statement on Risk Management and Internal Control in this Annual Report.

10.3 The Board did not establish a Risk Management Committee, which comprises a majority of independent directors as the current Risk Management Committee made up of the senior management team and chaired by the GMD has managed the risks faced by the Group effectively and in a timely manner.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE B : EFFECTIVE AUDIT AND RISK MANAGEMENT (CONT'D)

#### 11.0 Effective Governance, Risk Management and Internal Control Framework

- 11.1 The internal audit function of the Company is carried out by an outsourced professional service firm that assists the AC and the Board in managing the risks and establishment of the internal control system and processes of the Group by providing an independent assessment on the adequacy, efficiency and effectiveness of the Group's risk management and internal control system and processes. The Internal Auditors report directly to both the AC and the Board.

The Internal Auditors have and will continue to keep abreast with developments in the profession, relevant industry and regulations.

The internal audit function is independent of the operations of the Company and provides reasonable assurance that the Company's system of internal control is satisfactory and operating effectively.

Further details of the internal audit function are set out in the Statement on Risk Management and Internal Control and the AC Report of this Annual Report.

- 11.2 The internal audit function is outsourced to One Finnacle Governance Sdn. Bhd. (formerly known as Silver Ocean Governance Sdn. Bhd.), which reports functionally to the AC with unrestricted access to the AC. The head of the internal audit function attends AC's meetings to report to the AC on their findings of the adequacy and effectiveness of the governance, risk management and internal control systems within the Group.

The outsourced internal audit function is headed by Mr. Yap Ping Hong, a Fellow Member of the Association of Chartered Certified Accountants, practising member of the Malaysian Institute of Accountants, and a Chartered Member of The Institute of Internal Auditors Malaysia. He is assisted by a range of one (1) to three (3) personnel deployed for the internal audit reviews.

All the internal audit staff on the engagement are free from any relationships or conflicts of interest, which could impair their objectivity and independence.

The internal audit reviews were guided by the International Professional Practices Framework issued by the Institute of Internal Auditors.

### PRINCIPLE C : INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

#### 12.0 Continuous Communication between the Company and Stakeholders

- 12.1 The Board believes that a constructive and effective investor relationship is essential in enhancing shareholder value. The Board, in its best efforts, always keeps the shareholders and various stakeholders informed of the Group's business and corporate development and ensures that communication with them is transparent and timely. Shareholders may also communicate with the Company on investor relation matters by posting their enquiries to the Company through the Company's web enquiry form on its website. The Company will endeavour to reply to these enquiries in the shortest possible time.
- 12.2 The Company is not categorised as "Large Companies" under the MCGG and hence, has not adopted integrated reporting based on a globally recognised framework.

## Corporate Governance Overview Statement (Cont'd)

### PRINCIPLE C : INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS (CONT'D)

#### 13.0 Conduct of General Meetings

- 13.1 The Company had provided all shareholders at least twenty-eight (28) days' notice before the date of the Twenty-Third Annual General Meeting ("23<sup>rd</sup> AGM") last year.

The Notice of General Meeting provides detailed explanation for the resolutions proposed along with any background information and reports or recommendation that are relevant, where required and necessary, to enable shareholders to make informed decisions in exercising their voting rights.

- 13.2 The Company held its 23<sup>rd</sup> AGM on 9 September 2025. All the Directors of the Company attended and participated at the 23<sup>rd</sup> AGM of the Company, to engage with the shareholders proactively.

The proceedings of the 23<sup>rd</sup> AGM included a question-and-answer session which invited shareholders to raise questions before putting resolutions to vote.

The Board ensured that sufficient opportunities were given to shareholders to raise issues relating to the resolution to be put for voting and adequate responses were given.

The Chairmen of the Board Committees were also readily available to address the questions posted by the shareholders at the 23<sup>rd</sup> AGM.

- 13.3 Securities Commission Malaysia had mandated all public listed companies to hold their general meetings in either physical or hybrid format with effect from 1 March 2025. Following the mandate, the Company's 23<sup>rd</sup> AGM was held physically on 9 September 2025 in accordance with Paragraph 8.27A of the Main LR of Bursa Securities.

While the Board recognises the benefits of leveraging technology to facilitate remote shareholder participation and voting in absentia, the Board is of the view that convening a fully physical general meeting enables direct, face-to-face interaction among shareholders, the Board and Senior Management thereby fostering meaningful dialogue, deeper engagement and more robust discussions.

To facilitate effective shareholders' participation at the 23<sup>rd</sup> AGM, shareholders who were unable to attend in person were encouraged to appoint proxy(ies) to attend, participate, speak and vote in their stead at the general meeting. In addition, shareholders were also encouraged to submit their questions in advance of the meeting.

In light of the associated costs and the available manpower for conducting hybrid general meetings, the Board is of the view that it is not economically justifiable to enable voting in absentia and remote shareholders' participation at the forthcoming 24<sup>th</sup> AGM of the Company. As such, the 24<sup>th</sup> AGM of the Company will be conducted in a physical format.

- 13.4 At the commencement of the 23<sup>rd</sup> AGM of the Company, the Chairman of the meeting briefed the shareholders, corporate representatives and proxies present at the meeting of their right to ask questions and vote on the resolutions set out in the Notice of 23<sup>rd</sup> AGM dated 30 July 2025.

All the Directors, senior management and the representatives of the external auditors were present at the 23<sup>rd</sup> AGM to provide responses to the questions raised by shareholders in relation to the agenda items for the 23<sup>rd</sup> AGM, both prior to and during the meeting.

The Board also ensured that sufficient opportunities were given to shareholders to raise issues relating to the affairs of the Company by providing ample time for the Question-and-Answer session during the 23<sup>rd</sup> AGM of the Company.

- 13.5 The Minutes of the 23<sup>rd</sup> AGM was made available to the shareholders within thirty (30) business days from the date of the 23<sup>rd</sup> AGM under the "Investor Relations" section of the Company's corporate website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

The Corporate Governance Overview Statement and the Corporate Governance Report are made in accordance with a resolution of the Board of Directors passed on 21 July 2026.

## SUSTAINABILITY STATEMENT

### ABOUT THIS STATEMENT

One Glove Group Berhad ("**One Glove**") is an investment holding company and its sole operating subsidiary is Onetexx Sdn. Bhd. ("**Onetexx**"), through which all manufacturing, supply chain, and workforce activities are conducted. One Glove and Onetexx share the same business address. For the purposes of this sustainability statement ("**Sustainability Statement**"), "**Group**" refers to One Glove and its active subsidiary, Onetexx, but excludes Rewise Sdn. Bhd. (formerly known as Best Water Sdn. Bhd.), being its dormant subsidiary.

### Reporting Boundary & Scope

This Sustainability Statement presents the sustainability performance of the Group for FYE 2026, with all operational activities, workforce disclosures, and quantitative environmental, social and governance ("**ESG**") data reflecting the operations of Onetexx unless otherwise stated. It provides an overview of our approach towards managing our stakeholder-relevant ESG topics, goals and performance. Where available, quantitative data is provided for the past three financial years to enable comparative analysis of the Group's sustainability journey.

### Reporting Framework

We have aligned our Sustainability Statement to Global Reporting Initiative ("**GRI**") Standards and Bursa Malaysia Securities Berhad's Main Market Listing Requirements and the Bursa Malaysia Sustainability Reporting Guide.

In addition, we have adopted Goals 8, 11, 12 and 13 of the United Nations Sustainable Development Goals ("**UN SDGs**").

### Assurance

This Sustainability Statement has not been subjected to internal review by our internal auditors or to independent external assurance in accordance with recognised assurance standards. However, the sustainability-related data and disclosures have been reviewed by the respective data owners to ensure accuracy and completeness and thereafter by management. The Company continues to enhance its data tracking and reporting processes to strengthen future disclosures.

Moving forward, we aim to undertake internal reviews and pursue independent external assurance for common sustainability disclosures to improve the credibility and transparency of our reporting.

### Feedback

We appreciate constructive feedback from our stakeholders as we aspire to generate a consistent and credible report that depicts real progress in our sustainability journey. Please direct your views and opinions to:

Dominic Aw Kian-Wee | Executive Director  
[dominic@oneglovegroup.com](mailto:dominic@oneglovegroup.com)

### Accessibility

This Sustainability Statement forms part of our Annual Report which can be downloaded from the "Investor Relations" section of our corporate website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

### Forward - Looking Statements

This Sustainability Statement contains forward-looking statements relating to the Group's future sustainability plans, initiatives, and commitments. These statements are based on certain assumptions and expectations of future events and circumstances. Actual results may differ materially due to risks, uncertainties, or other unforeseen developments. The Group does not undertake any obligation to update or revise these forward-looking statements and stakeholders should exercise appropriate caution in interpreting them.

## Sustainability Statement (Cont'd)

### OUR SUSTAINABILITY FRAMEWORK

Sustainability forms part of our core commitment to our stakeholders to efficiently manage our ESG-related risks and opportunities while remaining conscious of the needs of our customers, our community and the environment.

We have maintained our Group's Sustainability Framework as the primary framework to guide our strategic planning, direction and management of ESG practices, and to drive sustainability across operations. The framework also defines our sustainability vision and mission and maps our guiding principles to the requirements of our stakeholders under four strategic pillars whilst ensuring alignment with the UN SDGs.

\*Refer to page 39 and 40 for relevant details on UN SDGs and to page 42 and 43 for details on Stakeholders Engagement

### Alignment with the UN SDGs

The Group remains committed to supporting Malaysia's national development agenda through responsible and sustainable business practices. Our sustainability initiatives are aligned with the aspirations of Wawasan Kemakmuran Bersama 2030 and the 13th Malaysia Plan (2026–2030), which promote inclusive economic growth, social well-being, environmental sustainability and good governance.

As a responsible corporate citizen, we strive to support the national and global efforts towards sustainable development by aligning our operations with the UN SDGs, adopting four goals that are most relevant to our operations, namely SDGs 8, 11, 12 and 13.

We are a member of the United Nations Global Compact ("UNGC") through its local chapter, UN Global Compact Network Malaysia & Brunei ("UNGCMYB"). This voluntary initiative is a call by the Group to accelerate the alignment of our operations and strategies with UNGC's 10 principles in areas of human rights, labour, environment and anti-corruption under the guidance and utilising the comprehensive resources of UNGC.

## Sustainability Statement (Cont'd)

### OUR SUSTAINABILITY FRAMEWORK (CONT'D)

#### Alignment with the UN SDGs (Cont'd)

| UN SDG Goal                                                                       | Theme                                                      | One Glove Group's Actions                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------|------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Taking urgent actions to combat climate change and impacts | <ul style="list-style-type: none"> <li>We maintained the ISO 14001:2015 Environmental Management System to guide and support us in combating climate change through better environmental management.</li> <li>In addition to monitoring Scope 1 and Scope 2 greenhouse gas ("GHG") emissions at our manufacturing facility, we strengthened the assessment and reporting of Scope 3 emissions, focusing on indirect emissions from employee commuting and business travel, in accordance with GHG Protocol Guidelines for Category 6 (Business Travel) and Category 7 (Employee Commuting).</li> <li>We initiated our commitment to Net Zero GHG emissions across Scope 1, Scope 2 and Scope 3 by 2045.</li> <li>We organised activities in conjunction with Environmental Day to promote sustainable practices and awareness of environmental impact and build environmental consciousness amongst our employees.</li> <li>We participated in Earth Hour, undertaking a coordinated switch-off of non-essential lighting, with our participation being evidenced to the World Wildlife Fund for Nature ("WWF").</li> </ul> |

In line with our commitment to sustainability and human rights, we participated in the one-day **UNGC Young Executive Sustainability Summit**, a platform to strengthen sustainability leadership, gain practical tools, and engage with peers to drive positive impact. This participation reinforces our commitment to sustainability, enhances our leadership capacity, and reflects our proactive approach to creating positive organisational impact.

As part of our commitment to the initiative, we submit the UNGC Communication on Progress (COP) questionnaire annually, demonstrating our ongoing commitment to transparency, accountability, and the implementation of the UNGC Principles. Our COP submission for FYE 2026 has been completed.

## Sustainability Statement (Cont'd)

### SUSTAINABILITY GOVERNANCE STRUCTURE

A robust sustainability governance structure ensures that we remain transparent and accountable as we strive to sustain economic growth whilst addressing our ESG risks effectively.

Our Group's sustainability governance structure serves as the overarching supporting pillar to implement sustainability strategies and initiatives. We have adopted a four-tier structure where the Board of Directors ("**BOD**") holds the ultimate responsibility for oversight and observance of best practices. Setting the tone from the top, the BOD reviews our sustainability framework, strategy and implementation across the Group.

The Risk Management Committee ("**RMC**") reports to the Audit Committee on sustainability strategy and implementation based on our sustainability framework. Our ESG Compliance Working Group supports the RMC by monitoring the ESG practices in the Group as well as collecting the necessary information and data to support decision-making and strategy.

## Sustainability Statement (Cont'd)

### OUR STAKEHOLDER ENGAGEMENT

Stakeholders are paramount to the growth and development of businesses. We define stakeholders as individuals or groups that have a vested interest in our ESG performance and business conduct. We understand that frequent and consistent engagement with our stakeholders is key to addressing their expectations, evaluating priorities and determining key ESG issues which, in turn, secures their trust.

In continuing dialogues and consultations with stakeholder groups at different intervals, areas of concern are highlighted, and we are committed to ensuring that our sustainability agenda addresses their respective concerns.

#### Employees

Our employees are fundamental to the Group's success. We promote a diverse and capable workforce by supporting their well-being, encouraging career growth, and offering fair compensation to help drive innovation and sustainable progress

| Areas of Concern                                                                                                                                                                               | Engagement Channels & Frequency                                                                                                                                                                          | Our Action                                                                                                                                                                                                                                                                                                                                                                                                       | Link to Material Matter                                                                                                                          |

### MATERIAL SUSTAINABILITY MATTERS

#### MATERIALITY ASSESSMENT

In the financial period ended 30 September 2021 ("FPE 2021"), we conducted our first materiality assessment driven by our five-step process to identify and prioritise ESG topics that are relevant to the Group and our stakeholders. This assessment will be performed periodically to ensure that we consider and integrate these ESG topics in identifying opportunities and risks in our business operations, as well as to guide the Group's ESG strategy and reporting.

The materiality assessment process that we have implemented enabled us to identify and prioritise ESG matters based on relevance. Using the materiality matrix that we developed, we allocated resources towards sustainability initiatives that have the highest impact on our business goals and those that meet our stakeholders' expectations.

## Sustainability Statement (Cont'd)

### MATERIALITY MATRIX

The Group had identified a total of 14 material matters for FPE 2021 which are relevant to our business operations and to our stakeholders. The top right portion of the materiality matrix indicates the materiality matters that are of high priority to both entities, whereas occupational health and safety, legal and regulatory compliance, corporate governance and transparency and quality assurance are of critical importance in the current reporting period.

We have maintained the identified material matters to allow the programmes and initiatives we have planned to be implemented and those we have implemented to mature.

### ROBUST CORPORATE GOVERNANCE

We are driven by our quest for necessary mechanisms to ensure that our business practices are centred on transparency and accountability. Consequently, we recognise that instituting a robust corporate governance that emphasises legal and regulatory compliance as well as internal policies is crucial for a sustainable organisation.

### LEGAL AND REGULATORY COMPLIANCE

A strong compliance culture is pivotal for the Group's growth. To this end, we established a new Sustainability, Compliance and Certification ("**SCC**") department in the financial period ended 31 March 2023 ("**FPE 2023**") to lead the ESG efforts of the Group. The SCC department is responsible for identifying key ESG priorities of the Group, developing and implementing policies and procedures to mitigate risks and capture opportunities identified.

On environment, social compliance and governance matters, we internally designed and implemented the ESG-MS to guide us in our actions. The ESG-MS is designed based on the plan, do, check, act ("**PDCA**") framework which includes the identification of stakeholder requirements, risks and opportunities of the Group, development of policies and procedures, capacity building and training of internal and external stakeholders, implementation of policies and procedures, and periodic internal verification and auditing to ensure all systems are established. Any findings arising from the verification and auditing activities are investigated to determine the root cause so that all improvements can be incorporated into the ESG-MS.

With glove manufacturing being our primary area of operation, maintaining strict compliance with relevant legal and regulatory requirements is vital to our success. To keep abreast of the developments in the regulatory landscape, the Board receives legal and secretarial updates. Initiatives that we take to ensure compliance with applicable laws and regulations are communicated internally through management meetings, announcements, memoranda and circulars, and targeted briefings, and externally through Annual General Meetings, our corporate website and annual reports.

## Sustainability Statement (Cont'd)

### LEGAL AND REGULATORY COMPLIANCE (CONT'D)

Some of the key measures performed in FYE 2026 include the following:

- We communicated updates on newly introduced or revised laws, regulations, and policies to employees through official channels such as internal announcements, memos, and targeted briefings.
- We conducted a comprehensive review of all compliance indicators and non-compliance matters during our Management Review meetings to support informed decision-making and uphold regulatory standards.
- We maintained and regularly updated the content of our onboarding training for new employees. Our training includes ESG-related matters with a focus on human rights, environment, health and safety ("**EHS**") requirements, our whistleblowing policy and anti-bribery and anti-corruption policy ("**ABAC**").
- We conducted annual assessments to ensure compliance with applicable laws and regulations through external audits, including ISO 14001:2015 Environmental Management System, ISO 45001:2018 Occupational Health and Safety Management System, and social compliance audits under amfori Business Social Compliance Initiative ("**BSCI**"). The Grade A rating in our FYE 2025 BSCI audit underscores our improvement and demonstrates our strong adherence to international standards and commitment to responsible business practices.
- We subjected our Anti-Bribery and Anti-Corruption (ABAC) management system to an internal audit to strengthen our governance framework and enhance organisational integrity as part of our continuing commitment to ethical business practices.
- We continue to enhance our compliance with ISO 9001:2015 and ISO 13485:2016 standards to uphold product quality and regulatory compliance.
- We obtained Worldwide Responsible Accredited Production ("**WRAP**") Gold Certification by adhering to its 12 Principles, which encompass fair labour practices, health and safety, environmental responsibility, ethical conduct, and supply chain security. To support compliance with WRAP security requirements, the Group has established a Security Committee responsible for overseeing cybersecurity, physical security, warehouse security, and customs-related controls, with reference to the Customs Trade Partnership Against Terrorism ("**CTPAT**") security framework, thereby strengthening our overall supply chain integrity.

### CORPORATE GOVERNANCE AND TRANSPARENCY

The Board of Directors ("**Board**") is guided by an internal Board Charter ("**Charter**") which has been established according to the principles and best practices of the Malaysian Code on Corporate Governance, 2021 ("**MCCG**").

The Charter serves to inform Directors of their roles and responsibilities during their term and outlines the standards of professional behaviour expected of them. It is reviewed regularly by the Board to ensure it remains relevant and aligned with the latest regulatory requirements.

## Sustainability Statement (Cont'd)

### CORPORATE GOVERNANCE AND TRANSPARENCY (CONT'D)

The values, principles and expectations of professional conduct are further upheld through the Group's Code of Conduct and Ethics ("**Code**"). The Code contains clear guidelines on how employees and associates are expected to conduct themselves. The Code is made available to all employees and training is provided to them at onboarding. The Code is complemented by policies such as:

| Policy                                                 | Function                                                                                                                                                                                                                               |
|--------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Whistleblowing Policy                                  | Encourages employees and stakeholders to report misconduct, wrongdoing and/or corruption confidentially and without fear of retaliation, ensuring ethical business practices and a proper reporting channel.                           |
| Anti-Bribery and Anti-Corruption Policy and Guidelines | Establishes a corruption risk management framework to ensure the prevention of bribery and corruption applicable to all stakeholders across the Board, management and employees.                                                       |
| Boardroom Diversity Policy                             | Ensures diverse board composition to promote sustainable development and comply with regulatory requirements on skills, experience, age, culture, background and gender.                                                               |
| Gender Diversity Policy                                | Aims to foster a culture ensuring equal opportunity and actively pursues women's participation on the Board.                                                                                                                           |
| Supplier Code of Conduct                               | Emphasises ethical, social and environmental standards, including zero tolerance for modern slavery practices and expects suppliers to uphold these principles throughout their operations and supply chain.                           |
| Privacy Policy                                         | Compliance with the Data Protection law by ensuring the security and confidentiality of personal information collected from various sources.                                                                                           |
| Human Rights Policy                                    | Demonstrates the company's commitment to respecting and protecting employee rights through the promotion of fair treatment, safe working conditions, non-discrimination, and the freedom to form or join worker representation groups. |

In line with our anti-bribery and anti-corruption policy ("**ABAC**"), every employee undergoes training and signs an acknowledgement of their understanding and agreement to adhere to this policy. We have conducted 271 hours of training on the ABAC policy for our 253 employees during FYE 2026 to strengthen the understanding of the policy. The Group recorded zero bribery or corruption cases in FYE 2026.

The Group remains committed to maintaining exemplary ethical practices and governance standards. To this end, we will continue to review our policies and undertake enhancements where necessary and ensure that information is readily available on One Glove's website.

### ENVIRONMENTAL STEWARDSHIP

As we grow our glove manufacturing business, we are mindful of our environmental footprint that contributes to climate change, impacts the natural ecosystem and results in resource depletion. Hence, we have adopted environmental stewardship as a key component of our sustainability strategy.

## Sustainability Statement (Cont'd)

### ENVIRONMENTAL STEWARDSHIP (CONT'D)

#### CLIMATE CHANGE

Climate change has been identified as one of the most critical sustainability issues facing the globe to date.

In response to climate-related challenges, One Glove Group is committed to enhancing the transparency of its disclosures in line with internationally recognised standards. The Group is transitioning towards the International Sustainability Standards Board ("ISSB") (IFRS S1 and IFRS S2), which incorporates and builds upon the principles of the Task Force on Climate-related Financial Disclosures ("TCFD").

This transition will be guided by the four pillars of Governance, Strategy, Risk Management and Metrics and Targets. The Group is actively working towards IFRS adoption in the upcoming reporting period, with dedicated efforts to strengthen internal systems, capabilities, and data readiness. This reflects our firm commitment to a structured and responsible transition toward full alignment with disclosure requirements.

To monitor and reduce GHG emissions from our operations, we apply the ESG-MS through the PDCA model. We have begun monitoring and calculating our GHG emissions under Scope 1 (direct emissions), Scope 2 (indirect emissions from purchased energy), and, where data is available, Scope 3 (employee commuting and business travel), as part of our efforts to enhance climate-related disclosures.

#### Energy Efficiency & Air Emissions

Efficient energy management is crucial in the fight against climate change and the preservation of Earth's resources.

In FYE 2026, we have implemented the following energy reduction and energy efficiency initiatives:

## Sustainability Statement (Cont'd)

### ENVIRONMENTAL STEWARDSHIP (CONT'D)

#### CLIMATE CHANGE (CONT'D)

##### Fuel Consumption

At our manufacturing facility, we utilise natural gas and diesel as fuel. Natural gas is used in our manufacturing process to power our boilers and burners as well as in our facility heating systems while diesel is used to power one forklift. All other forklifts in operation are electric vehicles ("EV").

We utilise automated guided vehicles ("AGV") for internal logistics and movement of materials. These AGVs run on electricity and help us run more efficiently by carrying out logistics operations at an optimal speed compared to using forklifts.

As both natural gas and diesel are fossil fuels and derived from non-renewable sources, we will monitor their consumption quantities to ensure our contribution to greenhouse gases is reduced in alignment with the targets of SDG 13.

##### Greenhouse Gas Emissions

The greenhouse gas emissions from our electricity, fuel consumption, business travel and employee commuting are provided below:

| Scope (t CO2e) | FYE 2024 | FYE 2025 | FYE 2026  |
|----------------|----------|----------|-----------|
| Scope 1        | 4,831.11 | 9,919.63 | 13,338.27 |
| Scope 2        | 2,979.69 | 5,800.41 | 5,324.30  |
| Scope 3        | N/A      | 134.58   | 180.51    |

\* Carbon emission intensity includes only Scope 1 and Scope 2 emissions.

#### Notes:

- Scope 1 direct emissions include natural gas, diesel combustion and emissions from company vehicle mileage.
- Scope 1 emission factors were obtained from the 2006 IPCC Guidelines for National Greenhouse Gas Inventories, published by the United Nations Intergovernmental Panel on Climate Change (IPCC), Volume 2: Energy.
- Scope 2 indirect emissions include purchased electricity covering our manufacturing facilities and offices, calculated using the location-based method.
- Scope 2 emissions are calculated using the location-based method in accordance with the GHG Protocol, based on the Suruhanjaya Tenaga Grid Emission Factor (EF).
- Scope 3 indirect emissions tracking began in FYE 2025 and covers indirect emissions generated by Category 6 business travel (car, train and flight) and Category 7 employee commuting.
- Scope 3 emission factors for employee commuting and business travel (car and train) were obtained from DEFRA 2024.
- Scope 3 emission factors for business travel (flight) were calculated based on the ICAO Carbon Emissions Calculator <https://www.icao.int/environmental-protection/Carbonoffset/Pages/default.aspx>

Sustainability Statement  
(Cont'd)

ENVIRONMENTAL STEWARDSHIP (CONT'D)

CLIMATE CHANGE (CONT'D)

Greenhouse Gas Emissions (Cont'd)

In line with our commitment to environmental sustainability and recognised reporting frameworks such as the GHG Protocol and Bursa Malaysia Sustainability Reporting Guide, we have incorporated the use of solar energy to reduce our reliance on conventional electricity sources. This initiative reflects a small but meaningful progression in our decarbonisation journey.

By integrating solar energy into our operations, we aim to reduce our Scope 2 emissions associated with purchased electricity, while strengthening our resilience against energy price volatility and grid dependency. This effort enhances transparency in our energy management practices, supports data-driven sustainability decisions, and creates long-term opportunities for further emissions reduction across our value chain.

WATER MANAGEMENT

Water scarcity is an increasingly common issue at local and global levels. As glove manufacturing is a large water consumer, we must continue to utilise this resource sustainably to safeguard future availability. We have conducted an environmental aspects and impact assessment in accordance with the ISO 14001:2015 Environmental Management System to identify the Group's activities that may affect water resources.

In line with our efforts to contribute to the achievement of SDG 12, we manage our daily water consumption through efficient water usage. To this end, we have segregated the data collected to gain deeper insights into our water consumption patterns.

One Glove sources its primary water supply from the municipal water system with an alternative supply being pond water treated at a Reverse Osmosis ("RO") water treatment facility. This approach provides us with the flexibility of optimising water efficiency to ensure a reliable supply of treated water for our operations.

| Water Withdrawal (m³) | FYE 2024 | FYE 2025 | FYE 2026 |
|-----------------------|----------|----------|----------|
| Municipal Water       | 12,443   | 16,582   | 240,904  |
| RO Water              | 135,771  | 237,268  | 36,593   |

## Sustainability Statement (Cont'd)

### EFFLUENT MANAGEMENT

One Glove is committed to managing, preventing and mitigating the impacts of our effluent and liquid waste generated as it could potentially harm our ecosystem. Hence, the industrial effluent generated from our manufacturing operations is treated on-site at our Industrial Effluent Treatment System ("IETS"). The design and operation of the facility have been approved by DOE. Our IETS team is led by a competent professional who holds certifications as a Certified Environmental Professional in the Operation of Industrial Effluent Treatment Systems for both Physical-Chemical Processes ("CePIETSO-PCP") and Biological Processes ("CePIETSO-BP"). As committed, we monitor the quality of the effluent discharged on a weekly basis to ensure compliance with the requirements of the Environmental Quality (Industrial Effluent) Regulations, 2019.

To date, we have sustained a record of zero compounds or penalties from local authorities and have continued to maintain Standard B for water quality-related parameters which includes biological oxygen demand ("BOD"), chemical oxygen demand ("COD") and total suspended solids ("TSS").

| Water (m <sup>3</sup> ) | FYE 2024 | FYE 2025 | FYE 2026 |
|-------------------------|----------|----------|----------|
| Discharge               | 142,323  | 282,120  | 384,728  |

\*The increase in volume of water discharge for FYE 2026 (as compared to FYE 2025) was due to an increase in production output.

### WASTE MANAGEMENT

The manufacturing sector generates solid waste that has the potential to negatively impact the environment if not handled appropriately. Indiscriminate and illegal disposal of waste may result in the contamination of soil and groundwater as well as surface water systems.

At One Glove, we aim to manage our solid waste responsibly and reduce our waste output in line with our commitment to environmental stewardship. The waste generated from our operations can be categorised into scheduled and non-scheduled (municipal) waste.

#### **Scheduled Waste**

Scheduled waste ("SW") is significant from a sustainability perspective, as it encompasses a specific category of waste materials that are regulated and subject to strict management and disposal requirements. SW is typically classified based on its hazardous properties and potential to cause harm to human health and the environment. Understanding and effectively managing scheduled waste is crucial for promoting sustainable waste management practices and safeguarding the well-being of communities and ecosystems.

Sustainability Statement  
(Cont'd)

WASTE MANAGEMENT (CONT'D)

Scheduled Waste (Cont'd)

|                      | FYE 2024 | FYE 2025 | FYE 2026 |
|----------------------|----------|----------|----------|
| Scheduled Waste (MT) | 154.10   | 163.34   | 253.61   |

\*The increase in FYE 2026 (as compared to FYE 2025) was due to an increase in production output.

The management of SW is regulated under the Environmental Quality (Scheduled Wastes) Regulations 2005. Types of SW generated at our manufacturing facility are:

| Code   | Waste                                                                                                           |
|--------|-----------------------------------------------------------------------------------------------------------------|
| SW 321 | Rubber or latex wastes or sludge containing organic solvents or heavy metals                                    |
| SW 409 | Disposed containers, bags or equipment contaminated with chemicals, pesticides, mineral oil or scheduled wastes |
| SW 410 | Rags, plastics, papers or filters contaminated with scheduled wastes                                            |
| SW 305 | Spent lubricating oil                                                                                           |
| SW 109 | Spent COD vial                                                                                                  |

Breakdown of Waste Type FYE 2026 (MT)

Our scheduled waste is managed by our environmental, health and safety department (“EHS Department”) and is led by a competent person who is a Certified Environmental Professional in Scheduled Waste Management (“CEPSWaM”). There were no non-compliances raised by DOE during FYE 2026.

## Sustainability Statement (Cont'd)

### WASTE MANAGEMENT (CONT'D)

#### Non-Scheduled Waste

Types of non-scheduled solid waste expected to be generated include damaged ceramic hand formers (moulds for the gloves), and production-related waste including paper boxes, plastic material and other office waste. These wastes are sent to the landfill by waste contractors.

| Non-Scheduled Waste (MT) | FYE 2024 | FYE 2025 | FYE 2026 |
|--------------------------|----------|----------|----------|
| Former                   | 9.21     | 0        | 0        |
| Packaging                | 37.89    | 3.36     | 4.87     |

#### Notes:

- The reduction in FYE 2025 (as compared to FYE 2024) is due to a reduction in disposal activities.
- The data for non-scheduled waste includes packaging waste and formers.

### BUILDING SOCIAL RELATIONSHIPS

#### OUR PRODUCT

The production of nitrile butadiene rubber (“**NBR**”) gloves remains a critical focus, driven by rising global demand. Forecasts indicate a steady upward trend in glove consumption over the medium to long term, fuelled by growing awareness of healthcare and hygiene standards across industries such as the medical and industrial sectors and across geographical regions especially those with historically low per-capita glove usage where increasing adoption is expected to further boost demand. We are well-positioned to meet these evolving needs by delivering high-quality gloves meeting requisite international standards and market expectations.

## Sustainability Statement (Cont'd)

### BUILDING SOCIAL RELATIONSHIPS (CONT'D)

#### OUR PRODUCT (CONT'D)

##### COMMITMENT TO QUALITY EXCELLENCE

We are committed to maintaining exceptional quality standards, underpinned by robust quality management systems certified under ISO 9001:2015 (Quality Management System) and ISO 13485:2016 (Medical Devices Quality Management System). These certifications demonstrate our dedication to global regulatory compliance and excellence in the medical device industry.

To ensure ongoing compliance and effectiveness, we implement a comprehensive internal audit programme. This programme drives continuous improvement by integrating audit feedback into our management review process, fostering operational excellence and aligning with sustainability goals.

##### Rigorous Supply Chain and Material Quality Control

To build and maintain customer trust, we employ a stringent Approved Vendor List for sourcing raw materials, ensuring that only reliable and high-quality inputs are used in our manufacturing process. All raw materials undergo thorough inspection, validation, and testing before integration into production, ensuring that our gloves meet customer expectations and regulatory standards.

Our documented processes and standardised systems ensure consistency, quality control, and compliance at every stage of production, reinforcing our commitment to delivering reliable and sustainable products.

##### Customer-centric Quality Assurance

We foster customer confidence through a robust quality assurance plan that incorporates targeted inspection test methods, process control audits, and meticulous documentation reviews. These measures are carefully designed to align with both customer expectations and stringent regulatory requirements.

By maintaining transparent and well-defined quality protocols, we ensure that our gloves consistently meet the highest standards required for healthcare and industrial applications, contributing to safer and more sustainable outcomes for our customers and end-users.

| Quality Control Procedure                                   | Purpose                                                                                    | Impact                                                                                    |
|-------------------------------------------------------------|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
| Evaluation, Selection, and Monitoring of Approved Suppliers | Evaluate and monitor suppliers to ensure they meet quality and sustainability requirements | Builds a sustainable supply chain by ensuring consistent, high-standard material sourcing |
| Incoming Inspection Testing                                 | Inspect and test incoming materials for compliance with customer and regulatory standards  | Reduces waste by ensuring only compliant materials are used in production                 |
| Former Receiving and Incoming Method                        | Standardise inspection of formers to meet quality benchmarks before production             | Minimises production errors, ensuring consistent quality and reducing resource waste      |
| Inspection of Incoming Packaging Materials and Labelling    | Verify the quality of packaging materials and ensure proper labelling per standards        | Enhances transparency and traceability in the supply chain through compliant packaging    |
| Pre-shipment Inspection (PSQA)                              | Inspect and test finished gloves to meet customer and regulatory standards before shipment | Ensures only compliant products are shipped, reducing returns and waste                   |

## Sustainability Statement (Cont'd)

### BUILDING SOCIAL RELATIONSHIPS (CONT'D)

#### COMMITMENT TO QUALITY EXCELLENCE (CONT'D)

| Quality Control Procedure                         | Purpose                                                                                | Impact                                                                              |
|---------------------------------------------------|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Residual Powder Content of Gloves                 | Test for residual powder to ensure compliance with powder-free standards               | Supports user safety and regulatory compliance, promoting safer product use         |
| Determination of Tensile Stress-Strain Properties | Test the physical durability of gloves to meet customer requirements for strength      | Enhances product reliability, reducing premature disposal and waste                 |
| Procedure for Customer Focus                      | Verify materials and processes meet customer-specific requirements                     | Ensures customer satisfaction through consistent quality, minimising rework         |
| Control of Non-Conformance                        | Identify and manage non-conforming products to prevent unintended use or delivery      | Reduces waste by addressing quality issues promptly and ensuring compliance         |
| Corrective and Preventive Action                  | Address quality risks and improve processes through corrective and preventive measures | Improves efficiency, minimises environmental impact, and ensures consistent quality |

We are committed to delivering high-quality powder-free NBR medical examination and industrial gloves (“**Gloves**”) that meet stringent quality standards. Our comprehensive Final Goods Inspection process, conducted before shipment, ensures product excellence through a robust statistical sampling plan. This plan carefully selects representative samples, with predetermined sample sizes and acceptance criteria, to verify that each batch or lot adheres to our rigorous quality standards.

Our inspections are performed by trained inspectors, ensuring consistency and reliability. The Pre-Shipment Quality Assurance (“**PSQA**”) process guarantees thorough evaluation of finished products, confirming compliance with our quality and sustainability standards. Upon successful inspection, we issue a Certificate of Conformance (“**COC**”), providing documented evidence of our commitment to quality.

This pre-shipment inspection procedure, as outlined in the accompanying chart, underscores our dedication to producing high-quality Gloves that meet customer expectations and environmental responsibilities.

## Sustainability Statement (Cont'd)

### BUILDING SOCIAL RELATIONSHIPS (CONT'D)

#### COMMITMENT TO QUALITY EXCELLENCE (CONT'D)

All finished products are subjected to independent inspection under ASTM D6319, EN455 or ISO11193 before shipment.

As our customers are a key business pillar, customer communication and satisfaction are paramount, and we obtain feedback directly from them through a Customer Satisfaction Survey ("CSS") form to assess their level of satisfaction and to identify areas for improvement.

#### SUPPLY CHAIN MANAGEMENT

Efficient and ethical supply chain management is a cornerstone of our business operations. We recognise that a robust, stable, and responsible supply chain is essential to delivering value to our stakeholders while upholding our commitment to sustainability and social responsibility.

In alignment with our dedication to fostering local economic growth, we prioritise sourcing goods and services from domestic businesses. Our commitment to the local economy has shown consistent upward momentum.

Local spend has increased steadily, rising from 81% in FYE 2024 to 86% in FYE 2025, and reaching a significant milestone of 90% in FYE 2026. While the total number of suppliers was consolidated to 515 in FYE 2026 to optimise efficiency, our focus remains firmly local, with 492 local partners forming the backbone of our operations.

We aim to adhere to the WRAP principles, ensuring that our supply chain moves towards meeting the highest standards of ethical manufacturing, including fair labour practices, security, and compliance. This includes alignment with C-TPAT requirements and the integration of cybersecurity measures to safeguard data and systems across the supply chain.

Our annual supplier evaluations are central to fostering strong, capable partnerships. Our evaluation coverage in FYE 2026 included 28 product supply partners and 175 non-production supply partners. Through these routine reviews, we continue to assess and educate our suppliers, reinforcing best practices and building a more resilient, well-informed partner ecosystem.

We remain committed to enhancing supply chain transparency and accountability. By leveraging data-driven insights and fostering collaborative relationships, we continue to build a resilient supply chain that aligns with global best practices and our core corporate values.

#### DATA PROTECTION, CYBERSECURITY & DIGITAL SUSTAINABILITY

Data protection and cybersecurity remain fundamental in safeguarding the trust and confidence of the Group's stakeholders. We are committed to protecting the privacy and confidentiality of our stakeholders, customers, and employees' data through continuous improvement of our security posture and governance practices.

To minimise system risks and vulnerabilities, the Group has implemented structured cybersecurity measures, including regular Vulnerability Assessment and Penetration Testing (VAPT), alongside systematic patch management to ensure that all systems remain up to date and secure. For FYE 2026, the Group is pleased to report that no complaints or incidents related to data privacy breaches were recorded.

During the year, the Group maintained a stable and secure IT infrastructure, with no major system disruptions reported. This ensured uninterrupted business operations across all divisions, supporting operational resilience and service continuity.

## Sustainability Statement (Cont'd)

### BUILDING SOCIAL RELATIONSHIPS (CONT'D)

#### DATA PROTECTION, CYBERSECURITY & DIGITAL SUSTAINABILITY (CONT'D)

##### Strategic Technology Pillars

The Group adopts a structured approach built upon four strategic pillars to guide all IT and digital sustainability initiatives:

##### Enhancements and Initiatives

As part of ongoing enhancement efforts, key cybersecurity improvements were implemented during the year. Identified security vulnerabilities were addressed promptly, and the Group's CCTV infrastructure was upgraded to support continuous 24/7 surveillance, strengthening both physical and digital security coverage.

The Group has also reviewed and updated its IT policies to align with current industry best practices and internal governance requirements. This ensures that our cybersecurity framework remains robust, relevant, and responsive to emerging threats.

From a digital transformation perspective, the integration of the Group's ERP system with business intelligence tools has enabled real-time reporting and enhanced data visibility across departments.

This initiative has significantly reduced reliance on manual reporting processes and improved the efficiency and accuracy of decision-making.

In supporting environmental sustainability, the Group continues to promote energy-efficient practices, including optimising server room operations and advancing paperless documentation initiatives to reduce resource consumption.

##### Future Outlook

Moving forward, the Group remains committed to continuous improvement by:

- Exploring cloud-based solutions for scalability and cost efficiency
- Implementing structured e-waste management practices
- Enhancing automation across business processes
- Strengthening cybersecurity resilience against evolving threats

## Sustainability Statement (Cont'd)

### OUR PEOPLE

At One Glove, we strongly believe that upholding human rights is as important as maintaining a safe workplace and providing the necessary employment benefits. Our employees are not just the backbone of our business existence, they are the life force that forms part of the core foundation of our organisational success; hence, safeguarding their welfare is non-negotiable.

#### Occupational Health and Safety

The health and safety of our employees, especially those stationed in our manufacturing facility, is integral to our ESG practice. We have a Safety and Health Policy ("**S&H Policy**") in place to ensure the safety and health of our employees. We are certified under the ISO 45001:2018 Occupational Health and Safety Management System, which provides a structured framework for systematically managing and continuously improving our safety and health performance.

At One Glove, we are committed to ensuring a safe and healthy working environment for all employees, visitors, and contractors. Through systematic safety and health procedures aligned with occupational standards, we aim to achieve zero workplace accidents. This commitment is demonstrated through our ongoing efforts to minimise occupational risks, beginning with the innovative design of our manufacturing facilities, which incorporate efficient layouts and semi-automated production and operational processes.

To manage the safety and health risks at the workplace, we performed a hazard identification, risk assessment and risk control ("**HIRARC**") using methodology published by the Department of Occupational Safety and Health ("**DOSH**"). We performed a review of all safety and health incidents at the workplace and took all necessary corrective action. In addition, we addressed complaints raised by workers through various committees, grievance channels, and internal audit findings to ensure continuous improvement in workplace practices and employee well-being.

We routinely perform specific risk assessments at workplace including Noise Risk Assessment ("**NRA**"), Local Exhaust Ventilation Monitoring ("**LEV**"), Chemical Health Risk Assessment ("**CHRA**") and Control Industrial Major Accident Hazard ("**CIMAH**") in line with the requirements of the Occupational Safety and Health Act 1994 (amendment 2022) and guidelines published by DOSH ("**OSHA**"). These assessments are conducted by DOSH-certified competent persons. We conduct an annual Noise Risk Identification ("**NRI**") across all departments to support and assess the health and safety of workers who are exposed to potentially excessive noise.

For non-routine work in the manufacturing facility, we require contractors and department areas to apply for a Permit to Work ("**PTW**") with a risk assessment to proactively manage potentially hazardous conditions before commencement of work. This PTW is managed through our internal online system by the Factory Management Department and supervised by the SCC Department.

To mitigate workplace hazards, we have implemented a comprehensive onboarding process for all employees. This covers essential EHS topics and procedures and informs employees of their right to refuse or stop unsafe or unhealthy work without fear of reprisal. Employees may report concerns about workplace conditions or any occupational safety and health issues through the worker representative committee or Safety & Health Committee meetings. Additionally, we carry out regular workplace inspections to identify unsafe acts and conditions. These proactive inspections help reduce accident rates and uncover potential hazards that could lead to injuries or illnesses.

In compliance with the OSHA:

- We maintained a Legal Register which serves as a reference to clarify and simplify the laws and regulations we must adhere to, helping to ensure we do not overlook any legal obligations. It is reviewed and updated regularly to stay current with regulatory changes.
- We established a Safety and Health Committee (with representatives from both employees and employers), which functions as a platform to review and discuss safety performance, accident statistics, current and upcoming training, as well as any safety and health-related issues.
- We recognise the importance of safety training and awareness required to encourage and cultivate a safe and healthy workplace.
- We conduct legally required training for all workers including safe chemical handling training, hearing conservation programme ("**HCP**"), personal protective equipment ("**PPE**") training, safety onboarding training for new workers, emergency response team training ("**ERT**") and fire drills.

## Sustainability Statement (Cont'd)

### OUR PEOPLE (CONT'D)

#### Accident Reporting Data

| We maintained our safety record with zero fatalities among both employees and non-employees in FYE 2026 |           |                                  |           |                                  |           |                                  |

\* N/A: Not available due to the unavailability or insufficiency of data for the reporting period year.

#### Notes:

- Correction and reinstatement of raw data in FYE 2024 and FYE 2025.
- LTIR data is reported for both operational and office-based employees.
- LTIR was adopted in FYE 2026, replacing LTIFR. The calculation factor was revised from 1,000,000 hours worked to 200,000 hours worked to better reflect the Company's workforce size as per Bursa Malaysia Sustainability Reporting Guidelines.

### TALENT MANAGEMENT

Human capital development at One Glove capitalises on talent management and retention as essential factors of resilient growth. As of the end of FYE 2026, our total workforce numbered 253 employees. Amidst stiff industry competition and a tough business environment, we strive to maintain an optimal workforce size while attracting and retaining the right talent to strengthen our workforce and team dynamics.

We intend to build a high-performance culture by encouraging productivity, innovation and creativity. Our employees are also provided with benefits that comply with local labour law requirements.

Notes:

- Employees with a contract of an indeterminate period (i.e. indefinite contract) for full-time or part-time work.
- Employees with a contract for a limited period (i.e. fixed-term contract) that ends when the specific time period expires, or when the specific task or event that has an attached time estimate is completed.
- Persons or organisations working permanently onsite or offsite on behalf of an organisation.
- The data reflects the value at the end of the reporting period.
- Correction and reclassification of data from "220" to "212" (for Permanent) in FYE 2024.

## Sustainability Statement (Cont'd)

### DIVERSITY AND INCLUSIVITY

Recognising that diversity and inclusivity are critical attributes of a well-functioning organisation, we formulated the Boardroom Diversity Policy and the Gender Diversity Policy to eliminate workplace discrimination based on ethnicity, age, gender, nationality, religious affiliation, educational background or marital status.

We also practise a fair recruitment and hiring process which upholds the same non-discriminatory policy that applies to the Board and Senior Management. Due to the nature of work in the manufacturing facility, most of our existing workforce is male. However, we actively encourage more female applicants to join our team in the future.

Additionally, we conducted a risk assessment for expectant and nursing mothers as a proactive approach to identify and address potential workplace risks that may impact their health or that of their child. This initiative is designed to ensure a safe, healthy, and supportive working environment for all employees. As part of this effort, dedicated parking spaces and lift access have been provided for expectant mothers to support their comfort and well-being at the workplace.

### SUPPORTING HUMAN RIGHTS

The Group strictly adheres to both local and international standards on human rights and social compliance, including full compliance with Malaysian labour laws and other applicable global frameworks. In line with this, we conduct regular audits in accordance with amfori BSCI and WRAP standards to ensure that human rights are respected and upheld throughout our operations.

Throughout FYE 2026, there have been no reported incidents of human rights violations, reflecting our continued commitment to maintaining a respectful, compliant, and safe working environment across all levels of our operations.

### CAPACITY BUILDING

We must continuously upskill our employees to strengthen their capabilities. To provide our employees with the learning and development opportunities we have subscribed to UNGC's academy platform which provides us with ESG-related training to advance our sustainability agenda, alongside being a member of the BSCI training platform.

### REMUNERATION, COMPENSATION AND BENEFITS

In line with our commitment to contribute to achieving the targets of SDG 8, all our permanent employees enjoy an attractive remuneration package in appreciation of their efforts and contributions to the company's growth. Additionally, we offer Social Security Organisation ("SOCSO") benefits, with regular briefings conducted by the SOCSO department of Taiping to ensure our workers are well informed about their coverage and entitlements. We also invited representatives from the Employees Provident Fund ("EPF") to deliver a foreign worker EPF briefing aimed at clarifying foreign workers' understanding of their EPF accounts and savings options. The session included on-site support to assist employees in opening and managing their accounts, reinforcing our commitment to financial literacy and employee well-being.

In support of employee welfare and engagement, the Group continued to provide free meals to all employees every Friday, with a total expenditure of RM71,880.00 during the reporting period. This initiative not only underscores our appreciation for our workforce but also reflects our dedication to fostering a supportive and inclusive work environment.

### OUR COMMUNITY

## Sustainability Statement (Cont'd)

### INDIRECT ECONOMIC IMPACT AND COMMUNITY ENRICHMENT

We are aware of the potential ripple effects our business operations may have on the local community and economy. To address this, we consistently provide economic opportunities to local community members by prioritising local hiring at our manufacturing facility. This approach is aligned with the targets of SDG 8, ensuring that our growth contributes positively to the surrounding community.

In FYE 2026, to support local communities, our employees, specifically department heads and persons in charge, volunteered to assist during open interviews held in collaboration with the Social Security Organisation ("**SOCSO**") at SOCSO's Taiping Office and at our Company premises. In addition, we carried out community outreach initiatives during Ramadan, the Free Meals on Wheels programme, which involved the distribution of complimentary meals to the public at R&R Utara Taiping and R&R Selatan Taiping, further reinforcing our commitment to social responsibility and community well-being.

Additionally, the Group supported 29 local student interns from various educational institutions, providing them with valuable hands-on experience in different departments, including quality control, production and logistics. These internships were designed to equip students with practical skills and industry knowledge, enhancing their employability and supporting their career development for future career opportunities.

Collectively, these initiatives reflect our holistic approach to community involvement, youth development, cultural respect, and employee well-being, all of which are integral to our corporate social responsibility agenda.

### CONCLUSION

Amidst continued glove market consolidation, we remain optimistic about our future. We are resilient and committed to promoting sustainable practices and managing ESG risks and opportunities. In the coming years, we aim to strengthen our ESG performance while sustaining positive economic growth and delivering value to our stakeholders in alignment with our sustainability framework, UN SDG goals 8, 11, 12 and 13 and with the national goals under Wawasan Kemakmuran Bersama 2030 and the 13th Malaysia Plan (2026–2030).

Notes:

1. Employees with a contract of an indeterminate period (i.e. indefinite contract) for full-time or part-time work.
2. Employees with a contract for a limited period (i.e. fixed-term contract) that ends when the specific time period expires, or when the specific task or event that has an attached time estimate is completed.
3. Persons or organisations working permanently onsite or offsite on behalf of an organisation.
4. The data reflects the value at the end of the reporting period.
5. Correction and reclassification of data from "220" to "212" (for Permanent) in FYE 2024.

| Total Number of Employee Turnover | FYE 2024 | FYE 2025 | FYE 2026 |

## AUDIT COMMITTEE REPORT

### INTRODUCTION

The Board is pleased to present the report of the Audit Committee for FYE 2026.

### PURPOSE

The Audit Committee assists the Board in carrying out its responsibilities and meeting corporate governance requirements. It reviews the quarterly financial information before recommending it to the Board for approval and release to Bursa Securities. In addition to this, the Audit Committee reviews the systems of internal controls which Management and the Board have established and makes recommendations to Management on actions to be taken, if any, based on the reports of the independent Internal and External Auditors.

### AUTHORITY, DUTIES AND RESPONSIBILITIES

The Audit Committee is governed by its Terms of Reference, which is available at the Company's website at [www.oneglovegroup.com](http://www.oneglovegroup.com).

### COMPOSITION OF THE AUDIT COMMITTEE AND ATTENDANCE OF MEMBERS AT MEETINGS

The composition of the Audit Committee and the attendance of the respective members at each Audit Committee Meeting during FYE 2026 are as follows:-

| Names                  | Designation | Directorship                       | Attendance |
|------------------------|-------------|------------------------------------|------------|
| Dr. Liew Lai Lai       | Chairperson | Independent Non-Executive Director | 5/5        |
| Dato' Asmuni bin Sudin | Member      | Independent Non-Executive Director | 5/5        |
| Mr. Lim Chong Eng      | Member      | Independent Non-Executive Director | 5/5        |

\* There were five (5) Audit Committee Meetings held during FYE 2026. The meetings were held on 28 May 2025, 24 July 2025, 28 August 2025, 26 November 2025 and 23 February 2026.

Dr. Liew Lai Lai, the Chairperson of the Audit Committee, is both a Fellow and Chartered Global Management Accountant and member of the Chartered Institute of Management Accountants, UK and a Chartered Accountant with and member of the Malaysian Institute of Accountants.

### SUMMARY OF WORK AND DISCHARGE OF RESPONSIBILITIES OF THE AUDIT COMMITTEE

During FYE 2026, the Audit Committee discharged its functions and carried out its duties as set out in the Terms of Reference.

The Audit Committee also met with the External Auditors without the presence of all the Executive Board members and Management two (2) times during the financial year, which is beyond the requirement of at least once as stipulated in the Audit Committee's Terms of Reference, to encourage a greater exchange of free and honest views between both parties.

## Audit Committee Report (Cont'd)

### SUMMARY OF WORK AND DISCHARGE OF RESPONSIBILITIES OF THE AUDIT COMMITTEE (CONT'D)

A summary of the work of the Audit Committee in the discharge of its functions and duties for the financial year and how it has met its responsibilities during the financial year are as follows:-

#### 1. Financial Results

- a) Reviewed the Group's quarterly financial results focusing particularly on changes in or implementation of major accounting policies, significant and unusual events and compliance with accounting standards and other legal requirements before recommending them for approval by the Board of Directors for announcement to Bursa Securities; and
- b) Reviewed the reports and the audited financial statements of the Group together with the External Auditors prior to tabling to the Board for approval.

In the review of the annual audited financial statements, the Audit Committee had discussed with Management and the External Auditors the accounting principles and standards that were applied and their judgement of the items that may affect the financial statements as well as issues and reservations arising from the statutory audit.

The Audit Committee met on the following dates during the financial year to deliberate on the financial reporting matters:-

| Date of Meeting  | Financial Reporting Statement Reviewed                                                                                    |
|------------------|---------------------------------------------------------------------------------------------------------------------------|
| 28 May 2025      | <ul style="list-style-type: none"> <li>Quarterly results for the financial period ended 31 March 2025</li> </ul>          |
| 24 July 2025     | <ul style="list-style-type: none"> <li>Audited Financial Statements for the financial year ended 31 March 2025</li> </ul> |
| 28 August 2025   | <ul style="list-style-type: none"> <li>Quarterly results for the financial period ended 30 June 2025</li> </ul>           |
| 26 November 2025 | <ul style="list-style-type: none"> <li>Quarterly results for the financial period ended 30 September 2025</li> </ul>      |
| 23 February 2026 | <ul style="list-style-type: none"> <li>Quarterly results for the financial period ended 31 December 2025</li> </ul>       |

#### 2. External Audit

- a) Reviewed and approved the External Auditors' audit planning report for the Group covering the analysis (on revenue and journal entries), audit objectives and approach, areas of audit emphasis, key audit areas, relevant accounting standards issued by the Malaysian Accounting Standards Board, other relevant technical pronouncements and fees;
- b) Reviewed and discussed the External Auditors' audit progress report for the Group covering the status of areas of audit emphasis and key matters of concern;
- c) Reviewed and discussed the External Auditors' audit report, covering the key audit matters ("KAM") raised;
- d) Discussed significant accounting and auditing issues, impact of new or proposed changes in accounting standards and regulatory requirements (if any);
- e) Met with the External Auditors twice without the presence of the Executive Directors and Management on 28 May 2025 and 24 July 2025, in order to provide the External Auditors with an avenue to candidly express any concerns they may have, including those relating to their ability to perform their work without restraint or interference and thereafter, once, to plan for the FYE 2026 audit on 23 February 2026; and
- f) Assessed the External Auditors' suitability, objectivity and independence, taking into consideration their technical competencies, audit quality, manpower resource sufficiency to perform the audit of the Group, and recommendation to the Board to approve for tabling their re-appointment at the Annual General Meeting.

## Audit Committee Report (Cont'd)

### SUMMARY OF WORK AND DISCHARGE OF RESPONSIBILITIES OF THE AUDIT COMMITTEE (CONT'D)

#### 3. Internal Audit

- a) Reviewed and approved the internal audit plan for FYE 2026, including the scope and areas of audit coverage.
- b) Reviewed the internal audit reports in respect of internal auditors' observations, recommendations for improvements and management responses as well as actions taken to improve the system of internal control and procedures. Reported to the Board on major findings from the internal audit reports, if any;
- c) Monitored the implementation of programmes recommended by Internal Auditors arising from its audits in order to obtain assurance that all key risks and controls have been fully dealt with;
- d) Reviewed the performance of the Internal Auditors pursuant to Paragraph 15.12(1)(e) of the Bursa Securities' Main Market Listing Requirements ("**Main LR**") and the Terms of Reference of the Audit Committee. The areas being assessed were:-
  - Level of understanding of the Group's business and the industry in which the Group operates;
  - Frequency of review to test the effectiveness of the financial, operational, compliance controls and processes of the Group;
  - Adequacy of manpower, budget and competency; and
  - Recommendation of action plans to monitor risks and internal controls.

#### 4. Other matters

- a) Reviewed the Risk Management Reports;
- b) Reviewed the Audit Committee Report and Statement on Risk Management and Internal Control for disclosure in the Annual Report;
- c) Reviewed and monitored any conflict of interest ("**COI**") situation that may arise within the Group. No COI or any potential COI was identified or reported among the board members during the financial year under review, save for an identified potential COI pertaining to a common director who serves on both the board of the Company and the associate companies, One Glove Venture Sdn. Bhd. and its group; and
- d) Reviewed the financial position of the Group, including its financial performance, liquidity position and key financial indicators and ratios.

### SUMMARY OF WORK OF THE INTERNAL AUDIT FUNCTION

The Group's internal audit function, which is outsourced to a professional service firm, assists the Board and the Audit Committee in providing independent assessment of the adequacy, efficiency and effectiveness of the Group's internal control system.

The Internal Audit covers the examination and evaluation of the adequacy and effectiveness of internal control systems and the quality of compliance to the internal control systems which comprises key components of control environment, risk assessment process, operational control activities, information and communication system and monitoring practices.

## Audit Committee Report (Cont'd)

### SUMMARY OF WORK OF THE INTERNAL AUDIT FUNCTION (CONT'D)

The internal audit activities carried out during the financial year include, inter alia, the following:

- reviewed the system of internal controls and key operating processes by adopting a risk-based approach and discussed with the Audit Committee on recommended improvements to the existing system of controls;
- ascertained the extent of compliance with the Group's established policies, procedures and statutory requirements;
- developed and adopted appropriate measures to further strengthen the internal control system; and
- followed up on the implementation of agreed action plans for the past internal audits.

The Internal Audit Reports incorporating the audit observations, audit recommendations and management action plans were issued to the Audit Committee. Follow-up audits were also conducted and the status of implementation on the agreed-upon action plans was highlighted to the Audit Committee.

During FYE 2026, the internal audit reviews performed by the Internal Auditors (including the follow-up reviews) covered the following business processes/areas:-

- waste management and occupational health & safety
- account receivables and e-invoicing
- quality control and quality assurance
- anti-bribery management system

The internal audit reviews carried out during FYE 2026 did not reveal weaknesses that have resulted in any material losses, contingencies or uncertainties that would require separate disclosure in this annual report.

# STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

## INTRODUCTION

The Board is pleased to present its Statement on Risk Management and Internal Control for financial year ended 31 March 2026 ("FYE 2026"), which has been prepared pursuant to paragraph 15.26(b) of the Bursa Securities Main Market Listing Requirements and in accordance with the principles and recommendations relating to risk management and internal controls provided in the Malaysian Code on Corporate Governance ("MCCG") and as guided by the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Companies (SORMIC Guide 2025). The statement below outlines the nature and scope of risk management and internal control of the Group during the financial year under review.

## BOARD RESPONSIBILITY

The Board acknowledges its responsibility and re-affirms its commitment to maintaining a sound risk management and internal control system to safeguard shareholders' investments and the Group's assets as well as reviewing the adequacy and integrity of the system of internal control. The responsibility of reviewing the adequacy and integrity of the Group's system of internal control is delegated to the Audit Committee, which is empowered by its terms of reference to ensure independent oversight of internal control and risk management.

However, as there are inherent limitations in any system of internal control, such a system put into effect by Management can only reduce but cannot eliminate all risks that may impede the achievement of the Group's business objectives. Therefore, the internal control system can only provide reasonable and not absolute assurance against material misstatement or loss.

## MANAGEMENT RESPONSIBILITY

Management is responsible for implementing the Group's policies and procedures on risk and internal control to identify, evaluate, measure, monitor and report risks as well as deficiencies and non-compliance with internal controls, and for taking appropriate and timely remedial actions as required.

## KEY FEATURES OF THE COMPANY'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM

### 1. CONTROL ENVIRONMENT

- Organisation Structure and Authorisation Procedures

The Group maintains a formal organisation structure with well-defined delegation of responsibilities and accountability within the Group's Senior Management. It sets out the roles and responsibilities, appropriate authority limits, review and approval procedures in order to enhance the internal control system of the Group's various operations.

- Periodic and Annual Budget

The Group recognises the importance of budgetary control being in place for the material operations of the Group, where actual performance is closely monitored against budgets to identify and to address significant variances. The annual business plan and budget are approved by the Board.

- Company Policies and Procedures

The Group has documented policies and procedures that are regularly reviewed and updated to ensure that it maintains its effectiveness and continues to support the Group's business activities at all times as the Group continues to grow.

## Statement on Risk Management and Internal Control (Cont'd)

### KEY FEATURES OF THE COMPANY'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM (CONT'D)

#### 1. CONTROL ENVIRONMENT (CONT'D)

- Code of Conduct and Ethics

The Group is committed to upholding a strong culture of integrity and ethical values, as emphasised in the Code of Conduct and Ethics for all the employees, officers and Directors of the Group. The purpose of this Code is to document and govern the basic standards and principles that the Group has adopted to promote honest and ethical business conduct by and among its directors, officers and employees, and to reasonably deter wrongdoing and inappropriate or illegal acts.

In line with its corporate culture, the Group has also established a Code of Conduct for Suppliers, which sets out minimum standards of ethical, social and environmental behaviour. Suppliers, contractors and service providers are expected to comply with these standards and ensure that they are upheld throughout their supply chains.

- Whistleblowing Policy

The Group has in place a Whistleblowing Policy, which is a platform that allows, supports and encourages its employees at all levels and stakeholders to report any genuine concerns about the wrongdoing that they may have observed within the Group. It also sets out avenues where legitimate concerns can be objectively investigated and addressed.

- Anti-Bribery and Anti-Corruption Policy and Guidelines

In support of ethical business practices, the Board has adopted a zero-tolerance approach against all forms of bribery and corruption and takes a strong stance against such acts through the adoption of the Group's Anti-Bribery and Anti-Corruption Policy and Guidelines as additional measures to fully comply with the applicable laws and regulatory requirements on anti-bribery and anti-corruption.

- Quality of Product

The main source of the income for the Group for the financial year was derived from the manufacture, sales and marketing of gloves. The quality of its gloves is therefore of prime importance to the Board. Compliance with procedures outlined in ISO 9001:2015 and ISO 13485:2016 certifications to underpin quality assurance and control are strictly adhered to via regular internal and external quality audits.

- Environmental Initiatives

In line with the Group's commitment to environmental stewardship, the Group's glove manufacturing factory has obtained ISO 14001:2015 (Environmental Management System) and ISO 45001:2018 (Occupational Health and Safety Management System) certifications, ensuring that environmental impact and health & safety standards are being monitored, addressed and improved. As part of its commitment to sustainable manufacturing and climate action, the Group also committed to achieving Net Zero GHG emissions across Scope 1, Scope 2 and Scope 3 by 2045.

- Social Compliance

The Group continues to enhance its internal policies and practices to improve its social compliance and uphold ethical business standards following the Code of Conduct of the amfori Business Social Compliance Initiative ("BSCI") of which Onetexx is a member. BSCI is an industry-driven movement which aims at monitoring and assessing workplace standards across the global supply chains. In FYE 2026, Onetexx obtained its gold certification of compliance from Worldwide Responsible Accredited Production ("WRAP"), having aligned its practices with the 12 Principles of WRAP which extend beyond fair labour, health and safety, environmental responsibility and ethical conduct to cover customs compliance and security (including cybersecurity).

## Statement on Risk Management and Internal Control (Cont'd)

### KEY FEATURES OF THE COMPANY'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM (CONT'D)

#### 1. CONTROL ENVIRONMENT (CONT'D)

- Regular Operational and Management Meetings

Given the close relationship between members of Senior Management and their relatively small size in number, Senior Management meet daily to variously discuss and review the business plans, budgets and financial and operational performance of the Group. Weekly meetings of Heads of Department are also held to monitor performance. The quarterly financial statements containing key financial results and comparisons are tabled to the Board for their review.

#### 2. RISK MANAGEMENT FRAMEWORK

The Board acknowledges that the Group's business activities involve some degree of risks and key management staff are responsible for managing identified risks within defined parameters and standards which are managed and reported through the weekly meetings of the Heads of Department.

With this, the Group has established and put in place a risk management framework to promote effective risk management within the Group, to also ensure adequate financial resources are available for the development of the Group's business whilst managing its risks at an appropriate level acceptable to the Group.

As mentioned above, the responsibility to oversee the risk management framework is delegated to the Risk Management Committee, which comprises Senior Management, and reports directly to the Audit Committee. The Risk Management Committee is responsible for implementing processes in identifying, evaluating, monitoring and reporting risks and internal controls which arise from the daily business activities of the Group. All significant issues identified and affecting the business objectives of the Group are reported to the Audit Committee and Board accordingly. The Board, through the Audit Committee, observed that measures were taken on areas identified for improvement, as part of management's continuous efforts to strengthen the Group's internal control.

The internal auditors will also table the internal audit report in relation to the identified risk to the Audit Committee and Board for notation and discussion with the aim to mitigate the risks.

#### 3. INTERNAL AUDIT FUNCTION

The Group's internal audit function, which is outsourced to a professional service firm, assists the Board and the Audit Committee in providing an independent assessment of the adequacy, efficiency and effectiveness of the Group's internal control system. The Internal Auditors assess the Group's compliance with policies and procedures as well as relevant laws and regulations. Internal Auditors then provide reports on issues relating to internal controls and the associated risks together with recommendations for appropriate actions to the Audit Committee for review and approval to ensure adequate coverage. In addition, the annual Internal Audit Plans are reviewed and approved by the Audit Committee.

Based on the internal audit reviews carried out, none of the weaknesses noted have resulted in any material losses, contingencies or uncertainties that would require separate disclosure in this annual report.

The costs incurred in maintaining the outsourced internal audit function for FYE 2026 amounted to RM64,000 (financial year ended 31 March 2025: RM64,000).

## Statement on Risk Management and Internal Control (Cont'd)

### KEY FEATURES OF THE COMPANY'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM (CONT'D)

#### 4. REVIEW BY THE BOARD

The Board's review of risk management and internal control effectiveness is based on information from:-

- Senior Management within the organisation, which is responsible for the development, implementation and maintenance of the Group's risk management and internal control system; and
- The internal audit function, which provides independent assessments of the adequacy and effectiveness of internal controls.

Through the Audit Committee, the Board undertakes regular reviews of the adequacy and effectiveness of the Group's risk management and internal control systems. The Board receives periodic reports from Senior Management on key operational, financial, compliance, and strategic risks, together with updates on mitigation plans and control enhancements. In carrying out its review, the Board considers reports and recommendations from the Audit Committee, internal auditor, Senior Management, and external auditors, where applicable. The review process includes the assessment of key risks, control measures, audit findings, compliance matters, and the status of corrective actions taken to address identified issues.

During the financial year, the Internal Audit function carried out independent reviews of selected business processes and internal controls based on the approved audit plan. The findings, recommendations, and Management's responses were reported to the Audit Committee, which monitored the implementation of corrective actions to ensure they were appropriately addressed within the agreed timeframes. Where significant failings or weaknesses were identified, Senior Management developed and implemented remedial action plans to address the issues, and their progress was monitored by the Audit Committee and the Board.

The Board considered the system of internal control and risk management described in this Statement to be satisfactory and the risks to be at an acceptable level within the context of the Group's business environment.

The Board is also satisfied that the on-going process of regular reviewing, evaluating and monitoring of risk management and internal control system is reasonably effective and adequate within the Group. The Group excludes One Glove Venture Sdn. Bhd. and its subsidiaries, namely, Stylish Technology Sdn. Bhd. and Stylish Energy Sdn. Bhd., as these are associate companies of One Glove and so are excluded from the Group's risk management and internal control framework assessment.

#### 5. INFORMATION AND COMMUNICATION

Information critical to the achievement of the Group's business objectives is communicated through established reporting lines across the Group. This is to ensure that matters that require the Board and Senior Management's attention are highlighted for review, deliberation and decision on a timely basis.

#### 6. ASSURANCE FROM THE KEY MANAGEMENT TEAM

Management is responsible for implementing processes to identify, evaluate, monitor and report risks and internal controls as outlined above. For the financial year under review and up to the date of this Statement, the Group Managing Director monitors the adequacy and effectiveness of the Group's risk management and internal control systems and provides assurance to the Board that these systems are operating adequately and effectively, in all material aspects. There was no material control failure that would have any material adverse effect on the financial results of the Group for the year under review and up to the date of issuance of the financial statements.

Moving forward, the Group will continue to enhance the existing systems of risk management and internal controls, taking into consideration the changing business environment.

## Statement on Risk Management and Internal Control (Cont'd)

### KEY FEATURES OF THE COMPANY'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM (CONT'D)

#### 7. REVIEW OF THIS STATEMENT

Pursuant to Paragraph 15.23 of the Main LR, the External Auditors have reviewed this Statement pursuant to the scope set out in Audit and Assurance Practice Guide ("AAPG") 3, Guidance for Auditors on Engagements to Report on the Statement on Risk Management and Internal Control included in the Annual Report issued by the Malaysian Institute of Accountants ("MIA") for inclusion in the 2026 Annual Report, and reported to the Board that nothing has come to their attention that causes them to believe that this Statement, in all material respects, has not been prepared in accordance with the disclosures required by section 7 of the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Companies (SORMIC Guide 2025) nor is factually inaccurate.

#### 8. CONCLUSION

The Board is of the view that the Group's system of internal control and risk management in place for the year under review is adequate and effective to safeguard shareholders' investments and the Group's assets and has not resulted in any material loss, contingency or uncertainty. The Board has not identified any circumstances which suggest any fundamental deficiencies in the Group's system of internal control. However, the Board is also cognisant of the fact that the Group's system of internal control and risk management practices must continuously evolve to meet the changing and challenging business environment. Therefore, the Board will, when necessary, put in place appropriate action plans to further enhance the system of internal control.

This statement was approved by the Board of Directors on 21 July 2026.

## **STATEMENT OF DIRECTORS' RESPONSIBILITY** IN RELATION TO THE FINANCIAL STATEMENTS

This statement is prepared as required by the Listing Requirements of Bursa Malaysia Securities Berhad.

The Directors are required to prepare financial statements which give a true and fair view of the state of affairs of the Group and of the Company as at the end of the financial year, and of their results and cash flows for that financial year then ended.

The Directors consider that in preparing the financial statements,

- the Group has used appropriate accounting policies which are consistently applied;
- reasonable and prudent judgements and estimates have been made; and
- all applicable approved accounting standards in Malaysia have been followed.

The Directors are responsible for ensuring that the Group maintains accounting records that disclose with reasonable accuracy the financial position of the Group, and which enable them to ensure that the financial statements comply with the Companies Act 2016.

The Directors have general responsibilities for taking such steps as are reasonably available to them to safeguard the assets of the Group, and to prevent and detect fraud and other irregularities.

## ADDITIONAL COMPLIANCE INFORMATION

### 1. UTILISATION OF PROCEEDS

The Company did not undertake any corporate proposal to raise any proceeds during FYE 2026.

### 2. AUDIT AND NON-AUDIT FEES

During the financial year, Messrs. Deloitte Malaysia PLT (formerly known as Deloitte PLT) the external auditors of the Company, have rendered certain audit and non-audit services to the Company and to the Group, the breakdown of the amount of audit fees and non-audit fees paid or payable by the Company and by the Group is listed below for information:-

|                                                                                                | Company<br>(RM) | Group<br>(RM)  |
|------------------------------------------------------------------------------------------------|-----------------|----------------|
| <b>Audit services rendered</b>                                                                 |                 |                |
| Statutory audit in respect of FYE 2026                                                         | 156,000         | 300,500        |
| <b>Non-audit services rendered</b>                                                             |                 |                |
| Review of the Statement on Risk Management and Internal Control for Annual Report for FYE 2026 | 5,000           | 5,000          |
| <b>Total:</b>                                                                                  | <b>161,000</b>  | <b>305,500</b> |

### 3. MATERIAL CONTRACTS

There were no material contracts entered into by the Company and its subsidiaries (not being contracts entered into in the ordinary course of business) involving Directors' and major shareholders' interests which were still subsisting as at the end of the financial year, or which were entered into since the end of the previous financial year.

### 4. RECURRENT RELATED PARTY TRANSACTIONS OF REVENUE OR TRADING NATURE

The recurrent related party transactions of revenue or trading nature incurred by the Group for the financial year ended 31 March 2026 did not exceed the threshold prescribed under Paragraph 10.09(1) of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

### 5. EMPLOYEES' SHARE OPTION SCHEME

The Employees' Share Option Scheme ("ESOS" or "Scheme") was implemented on 11 November 2022 and shall be in force for a period of ten (10) years.

The maximum number of ESOS options to be granted and be issued pursuant to the Scheme at any time, shall not exceed in aggregate ten percent (10%) of the total number of issued shares of the Company (excluding treasury shares, if any) at any point in time during the duration of the Scheme for the eligible persons of the Group (excluding dormant subsidiaries).

There were no ESOS options granted under the Scheme to any Director, senior management or eligible persons during the financial year under review.

## DIRECTORS' REPORT

The directors of **ONE GLOVE GROUP BERHAD** hereby submit their report and the audited financial statements of the Group and of the Company for the financial year ended March 31, 2026.

### PRINCIPAL ACTIVITIES

The Company is principally involved in investment holding. The information on the name, principal place of business and place of incorporation, principal activities, and effective equity interest held by the Company in the subsidiaries is disclosed in Note 14 to the financial statements.

Subsequent to the financial year end, one subsidiary, Best Water Sdn. Bhd., changed its name to Rewise Sdn. Bhd. pursuant to a Special Resolution passed by the Company (as sole shareholder) on July 1, 2026.

### RESULTS OF OPERATIONS

The results of operations of the Group and of the Company for the financial year are as follows:

|                                                         | The Group<br>RM | The Company<br>RM |
|---------------------------------------------------------|-----------------|-------------------|
| Loss for the year attributable to owners of the Company | (39,098,929)    | (131,027,586)     |

In the opinion of the directors, the results of operations of the Group and of the Company during the financial year have not been substantially affected by any item, transaction or event of a material and unusual nature other than the recognition of impairment losses on property, plant and equipment at the Group level and impairment loss on investment in a subsidiary company at the Company level amounting to RM5,632,824 and RM128,666,205 respectively, as disclosed in Note 12 and Note 14 to the financial statements respectively.

### DIVIDENDS

No dividend has been paid or declared by the Company since the end of the previous financial year as the Company does not have any distributable reserves.

### RESERVES AND PROVISIONS

There were no material transfers to or from reserves or provisions during the financial year other than those disclosed in the financial statements.

### ISSUE OF SHARES AND DEBENTURES

On September 19, 2025, 19,000,000 Redeemable Convertible Preference Shares ("RCPS") were converted into new ordinary shares of the Company, at a conversion price of RM0.24 per ordinary share, leaving a balance of 137,000,000 RCPS.

The new ordinary shares issued during the financial year rank pari passu in all respects with the then existing ordinary shares of the Company. Further details are disclosed in Note 22 to the financial statements.

The Company has not issued any debentures during the financial year.

Directors' Report  
(Cont'd)

## SHARE OPTIONS

At an Extraordinary General Meeting held on July 18, 2022, the shareholders of the Company approved the establishment of an Employees' Share Option Scheme ("ESOS") of up to 10% of the total number of issued shares of the Company (excluding treasury shares, if any) at any point of time over the duration of the ESOS for eligible persons. The effective date for the ESOS is November 11, 2022 and shall be in force for a period of ten (10) years.

No options have been granted by the Company to any parties during the financial year to take up unissued shares of the Company.

No shares have been issued during the financial year by virtue of the exercise of any option to take up unissued shares of the Company. As of the end of the financial year, there were no unissued shares of the Company under options.

## OTHER STATUTORY INFORMATION

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps:

- (a) to ascertain that proper action had been taken in relation to the writing off of bad debts and the making of allowance for doubtful debts and had satisfied themselves that no known bad debts needed to be written off and that adequate allowance had been made for doubtful debts; and
- (b) to ensure that any current assets which were unlikely to be realised in the ordinary course of business including the value of current assets as shown in the accounting records of the Group and of the Company had been written down to an amount which the current assets might be expected so to realise.

At the date of this report, the directors are not aware of any circumstances:

- (a) which would require the writing off of any bad debts or render the amount of allowance for doubtful debts in the financial statements of the Group and of the Company inadequate to any substantial extent; or
- (b) which would render the values attributed to current assets in the financial statements of the Group and of the Company misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate; or
- (d) not otherwise dealt with in this report or the financial statements, which would render any amount stated in the financial statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- (a) any charge on the assets of the Group and of the Company that has arisen since the end of the financial year and which secures the liabilities of any other person; or
- (b) any contingent liability in respect of the Group and of the Company that has arisen since the end of the financial year.

No contingent or other liability has become enforceable, or is likely to become enforceable, within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations when they fall due.

In the opinion of the directors, no item, transaction or event of a material and unusual nature has arisen in the interval between the end of the financial year and the date of this report which is likely to affect substantially the results of operations of the Group and of the Company for the financial year in which this report is made.

## Directors' Report (Cont'd)

### DIRECTORS

The directors of the Company in office during the financial year and during the period from the end of the financial year to the date of this report are:

Dato' Asmuni Bin Sudin  
Low Bok Tek  
Dominic Aw Kian-Wee  
Dr. Liew Lai Lai  
Lim Chong Eng

The directors who held office in the subsidiaries of the Company during the financial year and up to the date of this report are:

| Name of Directors   | Subsidiaries |
|---------------------|--------------|
| Low Bok Tek         | Onetexx, BW  |
| Dominic Aw Kian-Wee | Onetexx, BW  |
| Teong Lian Aik      | Onetexx, BW  |

<sup>^</sup> Deemed interested by virtue of his shareholdings in ADA Capital Investments Limited pursuant to Section 8(4) of the Companies Act, 2016.

By virtue of his interests in the shares of the Company, Low Bok Tek is also deemed to have an interest in the shares of all the subsidiaries to the extent that the Company has interests.

Other than the above, none of the other directors in office at the end of the financial year held shares or had any beneficial interests in shares of the Company and its subsidiaries during or at the beginning and end of the financial year.

**DIRECTORS' BENEFITS**

Since the end of the previous financial year, none of the directors of the Company has received or become entitled to receive any benefit (other than a benefit included in the aggregate of remuneration received or due and receivable by directors or the fixed salary of a full time employee of the Company as disclosed below) by reason of a contract made by the Company or a related corporation with the director or with a firm of which he is a member, or with a company in which he has a substantial financial interest except for any benefit which may be deemed to have arisen by virtue of the transactions as disclosed in Note 29 to the financial statements.

**Directors' remuneration:**

|                                            | The Group<br>RM | The Company<br>RM |
|--------------------------------------------|-----------------|-------------------|

## INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ONE GLOVE GROUP BERHAD

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### Opinion

We have audited the financial statements of **ONE GLOVE GROUP BERHAD**, which comprise the statements of financial position of the Group and of the Company as of March 31, 2026, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 102 to 171.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as of March 31, 2026, and of their financial performance and their cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

#### Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Independence and Other Ethical Responsibilities*

We are independent of the Group and of the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("IESBA Code"), as applicable to audits of financial statements of public interest entities and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### Material Uncertainty Related to Going Concern

We draw attention to Note 2 to the financial statements, which describes the principal events and conditions that indicate the existence of a material uncertainty that may cast significant doubt on the ability of the Group and of the Company to continue as a going concern.

For the financial year ended March 31, 2026, the Group and the Company incurred net losses of RM39,098,929 and RM131,027,586 respectively, and recorded net operating cash outflows of RM12,292,917 and RM1,475,282 respectively. As of that date, the Group was in a net current liabilities position of RM23,889,820.

The Group continues to operate in a challenging operating environment. The glove manufacturing activity faces persistent global oversupply, subdued selling prices, and rising production costs.

The appropriateness of the going concern assumption is dependent upon the successful implementation of the Group's financial and operational restructuring plans, including the disposal of all or part of the land held by an indirect associated company, whether through a direct disposal of the land or an indirect disposal of the associated company. The proceeds attributable to the Company are expected to be received in the form of a cash dividend. The going concern assumption is also dependent on the continued availability of financial support from the Group's and the Company's substantial shareholder, namely ADA Capital Investments Limited. Accordingly, these conditions, along with other matters described in Note 2 to the financial statements, indicate the existence of a material uncertainty that may cast significant doubt on the Group's and the Company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, are of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters are addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Our audit performed and responses thereon                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b><u>Impairment assessment of property, plant and equipment at Group level</u></b></p> <p>During the current financial year, a subsidiary, Onetexx Sdn. Bhd. ("Onetexx") incurred operating losses primarily due to a low production utilisation rate, which was driven by subdued sales volumes and depressed average selling prices for nitrile gloves.</p> <p>Based on management's assessment, an impairment loss on plant and machinery, including capital work-in-progress of RM5.63 million was recognised in the financial statements of the Group for the year ended March 31, 2026, as shown in Note 12 to the financial statements.</p> <p>The assessment of recoverable amounts of plant and machinery, buildings, right-of-use asset, including capital work-in-progress, which was estimated based on the higher of the fair value less cost of disposal and their value-in-use, required significant management's judgements and estimates, as described in Notes 4 and 12 to the financial statements respectively, in particular in relation to the revenue growth rates, cost savings and the discount rate applied in management's value-in-use computation.</p> | <p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> <li>• Inquired of management and obtained their assessment on indicators for impairment.</li> <li>• Obtained management's impairment workings, i.e., the fair value less cost of disposal ("FVLCD") assessment and value-in-use ("VIU") computation (based on the Discounted Cash Flows ("DCF") method), for plant and machinery, buildings, right-of-use asset, and capital work-in-progress as a single cash-generating unit.</li> <li>• Performed mathematical accuracy checks on the impairment assessment workings and evaluated the competency, capability and objectivity of the management personnel tasked to build the VIU computation.</li> <li>• Evaluated whether the DCF method (i.e. valuation technique) and significant assumptions used (i.e., revenue growth rates, cost saving and the discount rate) were appropriate in the context of the financial reporting framework.</li> <li>• Compared information used to develop the significant assumptions in management's value-in-use computation against other independent internal or external information for reasonableness.</li> <li>• Corroborated the evaluation of significant assumptions used (as mentioned above) with supporting budget and performed corroborative inquiries with the relevant personnel.</li> <li>• Assessed the competency, capability and objectivity of the external valuation specialists engaged by management and our internal valuation specialist.</li> <li>• Engaged internal valuation specialist to assess the discount rate applied in the VIU computation by benchmarking against independent data, and valuation methodology used by management's valuation specialists in determining the FVLCD of the plant and machinery, buildings, right-of-use asset, and capital work-in-progress.</li> <li>• Ran sensitivity analysis on management's valuation model using a range of discount rates and other relevant assumptions used in the value-in-use computation.</li> </ul> |

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

#### Key Audit Matters (Cont'd)

| Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Our audit performed and responses thereon                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b><u>Impairment assessment of investment in a subsidiary at Company level</u></b></p> <p>During the current financial year Onetexx incurred operating losses primarily due to a low production utilisation rate, which was driven by subdued sales volumes and depressed average selling prices for nitrile gloves.</p> <p>Based on management's assessment, an impairment loss on investment in the subsidiary of RM128.67 million was recognised in the financial statements of the Company for the year ended March 31, 2026, as shown in Note 14 to the financial statements.</p> <p>The assessment of recoverable amounts of the investment in the subsidiary, which was estimated based on their value-in-use, required significant management's judgements and estimates, as described in Notes 4 and 14 to the financial statements respectively, in particular in relation to the revenue growth rates, cost savings and the discount rate applied.</p> | <p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> <li>• Inquired of management and obtained their assessment on indicators for impairment.</li> <li>• Obtained management's impairment workings, i.e., value-in-use ("VIU") computation (based on the Discounted Cash Flows ("DCF") method).</li> <li>• Performed mathematical accuracy checks on the impairment assessment workings and evaluated the competency, capability and objectivity of the management personnel tasked to build the VIU computation.</li> <li>• Evaluated whether the DCF method (i.e. valuation technique) and significant assumptions used (i.e., revenue growth rates, cost saving and discount rate) were appropriate in the context of the financial reporting framework.</li> <li>• Compared information used to develop the significant assumptions against other independent internal or external information for reasonableness.</li> <li>• Corroborated the evaluation of significant assumptions used (as mentioned above) with supporting budget and performed corroborative inquiries with the relevant personnel.</li> <li>• Assessed the competency, capability and objectivity of our internal valuation specialist.</li> <li>• Engaged internal valuation specialist to assess the discount rate applied in the VIU computation by benchmarking against independent data.</li> <li>• Ran sensitivity analysis on management's valuation model using a range of discount rates and other relevant assumptions used in the value-in-use computation.</li> </ul> |

#### Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the Other Information. The Other Information comprises the information included in the Directors' Report and in the annual report but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

## Independent Auditors' Report (Cont'd)

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

#### Responsibilities of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the Group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

## Independent Auditors' Report (Cont'd)

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

#### Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

The accompanying Notes form an integral part of the financial statements.

# NOTES TO THE FINANCIAL STATEMENTS

## 1. GENERAL INFORMATION

The Company is a public limited liability company, incorporated and domiciled in Malaysia and is listed on the Main Market of Bursa Malaysia Securities Berhad.

The Company is principally involved in investment holding. The information on the name, principal place of business and place of incorporation, principal activities, and effective equity interest held by the Company in the subsidiaries is disclosed in Note 14.

The registered office of the Company is located at Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490 Kuala Lumpur, Malaysia.

The principal place of business of the Company is located at Lot 73 - 86, Jalan Logam 5, Perindustrian Kamunting 3, Kamunting Raya Industrial Estate, 34600 Kamunting, Perak Darul Ridzuan.

The financial statements of the Group and of the Company are presented in the Ringgit Malaysia ("RM"), which is the Company's functional and presentation currency.

The financial statements of the Group and of the Company were authorised for issue by the Board of Directors on July 21, 2026.

## 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

### (a) Adoption of amendments to MFRSs

In the current year, the Group and the Company have applied the amendments to MFRSs issued by the Malaysian Accounting Standards Board ("MASB") that are mandatorily effective for an accounting period that begins on or after April 1, 2025.

|                        |                         |
|------------------------|-------------------------|
| Amendments to MFRS 121 | Lack of Exchangeability |
|------------------------|-------------------------|

The adoption of the above-mentioned amendments to MFRSs did not have any material impact on the amounts reported in the financial statements of the Group and of the Company upon its initial application.

### (b) Standards in issue but not yet effective

The Group and the Company have not elected for early adoption of the relevant new and amendments to MFRSs which have been issued but not yet effective until future periods, at the date of authorisation for issue of these financial statements.

|                                    |                                                                                                      |
|------------------------------------|------------------------------------------------------------------------------------------------------|
| Amendments to MFRS 7 and MFRS 9    | Classification and Measurement of Financial Instruments <sup>(a)</sup>                               |
| Amendments to MFRS 7 and MFRS 9    | Contracts Referencing Nature-dependent Electricity <sup>(a)</sup>                                    |
| Amendment to MFRSs                 | Annual Improvements to MFRS Standards - Volume 11 <sup>(a)</sup>                                     |
| MFRS 18                            | Presentation and Disclosure in Financial Statements <sup>(b)</sup>                                   |
| MFRS 19                            | Subsidiaries without Public Accountability: Disclosures <sup>(b)</sup>                               |
| Amendments to MFRS 19              | Subsidiaries without Public Accountability: Disclosures <sup>(b)</sup>                               |
| Amendments to MFRS 121             | Translation to a Hyperinflationary Presentation Currency <sup>(b)</sup>                              |
| Amendments to MFRS 10 and MFRS 128 | Sale or Contribution of Assets between an Investor and its Associate or Joint Venture <sup>(c)</sup> |

(a) Effective for annual periods beginning on or after January 1, 2026, with earlier application permitted.

(b) Effective for annual periods beginning on or after January 1, 2027, with earlier application permitted.

(c) Effective date deferred to a date to be announced by MASB.

## Notes to the Financial Statements (Cont'd)

### 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS (CONT'D)

#### (b) Standards in issue but not yet effective (Cont'd)

The directors anticipate that the abovementioned new and amendments to MFRSs will be adopted in the annual financial statements of the Group and of the Company when they become effective and that the adoption of these new and amendments to MFRSs will have no material impact on the financial statements of the Group and of the Company in the period of initial application except as discussed below:

#### **MFRS 18 *Presentation and Disclosure in Financial Statements***

MFRS 18 replaces MFRS 101 *Presentation of Financial Statements*, carrying forward many of the requirements in MFRS 101 unchanged and complementing them with new requirements. In addition, some MFRS 101 paragraphs have been moved to MFRS 108 *Accounting Policies, Changes in Accounting Estimates and Errors* and MFRS 7 *Financial Instruments: Disclosures*. Furthermore, the MASB has made minor amendments to MFRS 107 *Statement of Cash Flows* and MFRS 133 *Earnings per Share*.

MFRS 18 introduces new requirements to:

- (a) present specified categories and defined subtotals in the statement of profit or loss.
- (b) provide disclosures on management-defined performance measures (MPMs) in the notes to the financial statements.
- (c) improve aggregation and disaggregation.

An entity is required to apply MFRS 18 for annual reporting periods beginning on or after January 1, 2027, with earlier application permitted. The amendments to MFRS 107 and MFRS 133, as well as the revised MFRS 108 and MFRS 7, become effective when an entity applies MFRS 18. MFRS 18 requires retrospective application with specific transition provisions.

The Group and the Company are currently assessing the impact of applying MFRS 18 as the effects will only become observable in future reporting periods.

#### **Going concern consideration**

The Group continues to operate in a challenging and uncertain macroeconomic environment. The glove manufacturing segment faces persistent global oversupply, resulting in prolonged margin compression across the industry. Although there has been some recovery in demand, average selling prices remain subdued due to aggressive competition, particularly from Chinese manufacturers expanding their production capacity into Southeast Asia. In addition, rising raw material costs, labour costs, and higher energy prices have further intensified cost pressures and challenged the profitability of domestic producers.

For the financial year ended March 31, 2026, the Group and the Company incurred net losses of RM39,098,929 and RM131,027,586 (2025: RM31,632,365 and RM2,940,141) respectively, and recorded net operating cash outflows of RM12,292,917 and RM1,475,282 (2025: RM14,649,633 and cash inflows of RM680,403) respectively. As of that date, the Group was in a net current liabilities position of RM23,889,820 (2025: net current assets position of RM6,632,686) while the Company reported net current assets of RM3,267,081 (2025: RM3,821,013). Despite these conditions, the Group remained in compliance with all of its loan covenants as at March 31, 2026. These circumstances indicate the existence of a material uncertainty that may cast significant doubt on the ability of the Group and of the Company to continue as a going concern.

## Notes to the Financial Statements (Cont'd)

### 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS (CONT'D)

Nevertheless, the financial statements have been prepared on a going concern basis, as the directors have considered the following factors and plans, grouped into three main areas:

#### (a) Financial restructuring and funding plans

One Glove Venture Sdn. Bhd. ("OGV"), a 38% owned associate company of One Glove Group Berhad, is actively pursuing either a direct disposal of all or part of the approximately 322 acres of land ("Land") valued at approximately RM520.0 million, held free and clear of encumbrances by Stylish Technology Sdn. Bhd. ("ST"), a wholly owned subsidiary of OGV, or an indirect disposal of the Land via a disposal of ST itself ("Disposal").

OGV is currently in discussions with multiple prospective purchasers. The Land is strategically located, with frontage onto the North-South Expressway near Taiping, Perak, and part of it has already been converted for industrial use. The relevant local authority has indicated that it has no objection to the change of the approved development to data centre whilst the Land is also suitable for other utilities intensive industrial uses. In the directors' view, these factors give the Land significant development potential and support its marketability and the value expected to be realised on the Disposal.

The Disposal would also enable the Group to realise, in cash, value that is presently reflected in the carrying amount of its investment in OGV. The proceeds attributable to One Glove Group Berhad from the Disposal are to be received as dividends and intended to be applied primarily towards Onetexx's operational requirements and the repayment of borrowings. Successful completion of the transaction is expected to materially reduce the Group's finance costs, strengthen its liquidity position, and contribute towards narrowing its net loss position going forward.

#### (b) Operational initiatives

The Group continues to monitor and to manage its operational costs closely as part of an ongoing cost optimisation programme. These initiatives include:

1. actively engaging with both local and overseas suppliers, particularly those in China and Korea, to enhance the stability and continuity of raw material supplies, which underpins the Group's "made to order" policy adopted to improve working capital efficiency and reduce inventory holding costs;
2. continually refining its production processes and pursuing innovation through research and development to improve efficiency and support the "made to order" approach;
3. implementing utilities saving measures to lower production overheads; and
4. managing headcount in line with prevailing production utilisation.

These initiatives are aimed at reducing and optimising the Group's cost base and improving operating cash flows. In addition, in response to input cost volatility arising from the ongoing conflict in the Middle East, the directors have approved a revised pricing mechanism, implemented since April 2026, under which increases in raw material costs are passed through to customers.

#### (c) Support from stakeholders

The Group has continued to comply with all existing loan covenants. The directors and management will continue to closely monitor the Group's liquidity position and explore other viable options, including a rights issue, should additional funding be required.

In addition, the Group has received a moratorium on repayment obligations from a lender subsequent to year end which alleviates cash flow pressures and provides the Group additional financial flexibility to navigate current market challenges.

A substantial shareholder of the Company, namely ADA Capital Investments Limited ("Substantial Shareholder"), has also confirmed in writing that it will not withdraw its financial support and has agreed to provide financial support to the Group as and when needed.

## Notes to the Financial Statements (Cont'd)

### 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS (CONT'D)

The above plans have been formulated with the objective of improving the Group's liquidity position and returning to profitability. The appropriateness of the going concern assumption is dependent on the successful financial and operational restructuring and ensuring the availability of continued financial support from the Substantial Shareholder.

Accordingly, while there is a material uncertainty that may cast significant doubt on the Group's and the Company's ability to continue as going concerns, the directors believe that the adoption of the going concern basis in the preparation of these financial statements remains appropriate.

Should the going concern basis for the preparation of the financial statements be no longer appropriate, adjustments will have to be made to state the assets at their realisable values and to provide for further liabilities which may arise.

### 3. MATERIAL ACCOUNTING POLICY INFORMATION

#### Basis of Accounting

The financial statements of the Group and of the Company have been prepared on the historical cost basis except for financial instruments that are measured at amortised cost or at fair value at the end of each reporting period as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group and the Company take into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements of the Group and of the Company is determined on such a basis, except for share-based payment transactions that are within the scope of MFRS 2 *Share-Based Payment*, leasing transactions that are within the scope of MFRS 16 *Leases*, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in MFRS 102 *Inventories* or value in use in MFRS 136 *Impairment of Assets*.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The principal accounting policies are set out below:

#### Subsidiaries and Basis of Consolidation

The consolidated financial statements incorporate the financial statements of the Company and of the subsidiaries controlled by the Company. Control is achieved where the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

The Company reassessed whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests.

Non-controlling interests in subsidiaries are identified separately from the Group's equity therein. Those interests of non-controlling shareholders that are present ownership interests entitling their holders to a proportionate share of net assets upon liquidation may initially be measured at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement is made on an acquisition-by-acquisition basis. Other non-controlling interests are initially measured at fair value. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

Profit or loss and each component of other comprehensive income is attributed to owners of the Company and to the non-controlling interests. Total comprehensive income of the subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, the gain or loss on disposal recognised in profit or loss is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), less liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the relevant assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as required/permitted by applicable MFRSs). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under MFRS 9 *Financial Instruments* when applicable, or the cost on initial recognition of an investment in an associate or a joint venture.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Business Combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and equity instruments issued by the Group in exchange for control of the acquiree. Acquisition-related costs are recognised in profit or loss as incurred.

At acquisition date, the identifiable assets acquired and liabilities assumed are recognised at their fair values at the acquisition date, except that:

- deferred tax assets or deferred tax liabilities and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with MFRS 112 *Income Taxes* and MFRS 119 *Employee Benefits* respectively;
- liabilities or equity instruments related to the share-based payment arrangements of the acquiree or share-based payment arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with MFRS 2 at the acquisition date; and
- assets (or disposal groups) that are classified as held for sale in accordance with MFRS 5 *Non-current Assets Held for Sale and Discontinued Operations* are measured in accordance with that Standard.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed. If, after reassessment, the net of the acquisition-date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held equity interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

Where the consideration transferred by the Group in a business combination includes a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively, with corresponding adjustments against goodwill. Measurement period adjustments are adjustments that arise from additional information obtained during the "measurement period" (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date.

The subsequent accounting for changes in the fair value of contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Other contingent consideration is remeasured to fair value at subsequent reporting dates with changes in fair value recognised in profit or loss.

Where a business combination is achieved in stages, the Group's previously held equity interests (include joint operations) in the acquired entity are remeasured to its acquisition-date fair value and the resulting gain or loss, if any, is recognised in the statement of profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to the statement of profit or loss, where such treatment would be appropriate if that interests were disposed of.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period (see above), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised at that date.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### **Revenue Recognition**

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

The Group recognises revenue from sale of nitrile gloves.

Revenue is recognised when control of the goods has transferred, being when the goods have been delivered to the customers' specified location. Following delivery, the customer has full ownership of the goods and bears the risks of loss and damage in relation to the goods. The Group recognises a receivable when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

#### **Foreign Currencies**

The individual financial statements of each entity are presented in the currency of the primary economic environment in which the entity operates (its functional currency). For the purpose of the consolidated financial statements, the results and financial position of each entity are expressed in Ringgit Malaysia, which is the functional currency of the Company, and also the presentation currency for the consolidated financial statements.

In preparing the financial statements of the individual entity, transactions in currencies other than the entity's functional currency ("foreign currencies") are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and monetary liabilities that are denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in profit or loss in the year in which they arise except for exchange differences arising on the retranslation of non-monetary items carried at fair value in respect of which gains and losses are recognised in other comprehensive income. For such non-monetary items, the exchange component of that gain or loss is also recognised in other comprehensive income.

#### **Employee Benefits**

##### ***Short-term employee benefits***

Wages, salaries, paid annual leave, bonuses and social security contributions are recognised as expenses in the period in which the associated services are rendered by employees of the Group and of the Company. Short-term accumulating compensated absences such as paid annual leave are recognised when services are rendered by the employees that increase their entitlement to future compensated absences, and short-term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

##### ***Defined contribution plans***

The Group's and the Company's contribution to defined contribution plans are charged to profit or loss in the period to which they relate. Once the contribution has been paid, the Group and the Company have no further liability in respect of the defined contribution plans.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### **Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sales.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

#### **Taxation**

Tax expense represents the sum of the tax currently payable and deferred tax.

#### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit or loss and other comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The liabilities of the Group and of the Company for current tax are calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### **Deferred tax**

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences, unused tax losses and unused tax credits can be utilised. Such deferred tax assets and deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amounts of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax assets and deferred tax liabilities reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or to settle the carrying amounts of its assets and liabilities.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and current tax liabilities on a net basis.

#### **Current and deferred tax for the period**

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Loss per Ordinary Share

The Group presents basic and diluted loss per ordinary share ("LPS") data for its ordinary shares.

Basic LPS is calculated by dividing the consolidated profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period, adjusted for own shares held.

Diluted LPS is determined by adjusting the consolidated profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held and for the effects of all dilutive potential ordinary shares.

#### Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment, except for freehold land and buildings, are stated at cost less accumulated depreciation and impairment loss, if any.

The Group revalues its freehold land and buildings every five (5) years from the last date of valuation or at shorter intervals whenever the fair values of the said assets is expected to differ substantially from their carrying amounts.

Any revaluation surplus is recognised in other comprehensive income and accumulated in equity under revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit or loss, in which case the increase is recognised in profit or loss. A revaluation deficit is recognised in profit or loss, except to the extent that it offsets an existing surplus on the same asset carried in the revaluation reserve.

The revaluation reserve in respect of an asset, whether on disposal or on a systematic basis over the useful life of the asset, is transferred directly to retained earnings.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when the cost is incurred and it is probable that future economic benefits associated with the cost will flow to the Group and the cost of the asset can be measured reliably. The carrying amount of parts that are replaced is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred. Cost also comprises the initial estimate of dismantling and removing the asset and restoring the site on which it is located for which the Group is obligated to incur when the asset is acquired, if applicable.

Each part of an item of property, plant and equipment, with a cost that is significant in relation to the total cost of the asset and which has different useful life, is depreciated separately.

Capital work-in-progress are not amortised/depreciated.

Capital work-in-progress comprises buildings and plant and machinery under construction. Depreciation on assets under work-in-progress commences when the assets are ready for their intended use.

Depreciation of the other property, plant and equipment is provided for on a straight-line basis over the estimated useful lives of the assets as follows:

|                                                                                 |               |
|---------------------------------------------------------------------------------|---------------|
| Buildings                                                                       | 25 - 50 years |
| Motor vehicles                                                                  | 5 - 10 years  |
| Plant, machinery and former equipment                                           | 2 - 15 years  |
| Computer and software, signage, tools, office equipment, furniture and fittings | 3 - 10 years  |

The residual values estimated useful lives and depreciation method are reviewed at the end of each reporting period to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the property, plant and equipment.

A gain or a loss arising from the disposal of an asset is determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and is recognised in profit or loss.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Leases

##### *The Group as a lessee*

The Group assesses whether a contract is or contains a lease, at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets (such as photocopy machine, water purifier, etc). For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the lessee uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments), less any lease incentives receivable;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is presented as a separate line in the statements of financial position.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- The lease payments change due to changes in an index or a rate or a change in expected payment under a guaranteed residual value, in which case the lease liability is remeasured by discounting the revised lease payments using an unchanged discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used);
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

Whenever the Group incurs an obligation for costs to dismantle and to remove a leased asset, to restore the site on which it is located or to restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under MFRS 137 *Provision, Contingent Liabilities and Contingent Assets*. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Group expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Leases (Cont'd)

##### *The Group as a lessee (Cont'd)*

Depreciation of leasehold land is provided for on a straight-line basis over the term of the lease of 25 to 77 years.

The Group applies MFRS 136 *Impairment of Assets* to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss.

Variable rents that do not depend on an index or a rate are not included in the measurement of the lease liability and the right-of-use asset. The related payments are recognised as an expense in the period in which the event or condition that triggers those payments occurs and are included in 'administrative expenses' in profit or loss.

#### Investment in Subsidiaries

Investment in subsidiaries are stated in the Company's financial statements at cost less accumulated impairment losses, if any.

#### Investment in Associate

An associate is an entity over which the Group has significant influence and that is neither a subsidiary nor an interest in a joint venture. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associate are incorporated in these financial statements using the equity method of accounting.

Under the equity method, an investment in an associate is recognised initially in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate. When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

An investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

If there is objective evidence that the Group's net investment in an associate is impaired, the requirements of MFRS 136 *Impairment of Assets* are applied to determine whether it is necessary to recognise any impairment loss with respect to the Group's investment. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with MFRS 136 as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised is not allocated to any asset, including goodwill that forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with MFRS 136 to the extent that the recoverable amount of the investment subsequently increases.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Investment in Associate (Cont'd)

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate. When the Group retains an interest in the former associate and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with MFRS 9. The difference between the carrying amount of the associate at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate is included in the determination of the gain or loss on disposal of the associate. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate on the same basis as would be required if that associate had directly disposed of the related assets or liabilities. Therefore, if a gain or a loss previously recognised in other comprehensive income by that associate would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the associate is disposed of.

When the Group reduces its ownership interest in an associate but the Group continues to use the equity method, the Group reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities.

When a Group entity transacts with an associate of the Group, profits and losses resulting from the transactions with the associate are recognised in the Group's consolidated financial statements only to the extent of interests in the associate that are not related to the Group.

The Group applies MFRS 9, including the impairment requirements, to long-term interests in an associate to which the equity method is not applied and which form part of the net investment in the investee. Furthermore, in applying MFRS 9 to long-term interests, the Group does not take into account adjustments to their carrying amount required by MFRS 128 *Investments in Associates and Joint Ventures* (i.e. adjustments to the carrying amount of long-term interests arising from the allocation of losses of the investee or assessment of impairment in accordance with MFRS 128).

#### Impairment of Non-financial Assets

At the end of each reporting period, the Group and the Company review the carrying amounts of their assets (other than inventories and financial assets which are dealt with in their respective policies) to determine whether there is any indication that these assets may have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset or the cash-generating unit ("CGU"), to which the assets belong is estimated.

Recoverable amount is the higher of fair value less costs to disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### **Inventories**

Inventories are stated at the lower of cost and net realisable value.

Cost is determined on the "Weighted Average" method. Cost of raw materials, spare parts and consumables comprises the original purchase price plus cost incurred in bringing the inventories to their present location and condition. Cost of work-in-progress and finished goods comprises the cost of direct and packing materials, direct labour and proportion of production overheads.

Net realisable value represents the estimated selling price in the ordinary course of business less selling and distribution costs and all other estimated costs to completion.

#### **Financial Instruments**

Financial assets and financial liabilities are recognised in the Group's and the Company's statements of financial position when the Group and the Company become a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

#### **Effective interest method**

The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating interest income and interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset or financial liability, or where appropriate, a shorter period, to the net carrying amount on initial recognition.

#### **Financial assets**

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### *Classification of financial assets*

Debt instruments that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

Debt instruments that meet the following conditions are measured subsequently at fair value through other comprehensive income ("FVTOCI"):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

By default, all other financial assets are measured subsequently at FVTPL.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Financial Instruments (Cont'd)

##### Amortised cost and effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period.

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. The gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Interest income is recognised in profit or loss using the effective interest method for debt instruments measured subsequently at amortised cost. For financial assets other than purchased or originated credit-impaired financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired. For financial assets that have subsequently become credit-impaired, interest income is recognised by applying the effective interest rate to the amortised cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset.

##### *Foreign exchange gains and losses*

The carrying amount of financial assets that are denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. Specifically, for financial assets measured at amortised cost that are not part of a designated hedging relationship, exchange differences are recognised in profit or loss.

##### *Impairment of financial assets*

The Group and the Company recognise a loss allowance for expected credit losses ("ECL") on investments in debt instruments that are measured at amortised cost and trade receivables. The amount of ECL is updated at the end of each reporting period to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Group and the Company recognise lifetime ECL for trade receivables. The ECL on these financial assets are estimated using a provision matrix based on the Group's and the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the end of the reporting period, including time value of money where appropriate.

For all other financial instruments, the Group and the Company recognise lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if the credit risk on the financial instrument has not increased significantly since initial recognition, the Group and the Company measure the loss allowance for that financial instrument at an amount equal to 12-month ECL.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of a financial instrument. In contrast, 12-month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the end of the reporting period.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Financial Instruments (Cont'd)

##### *Impairment of financial assets (Cont'd)*

##### (i) Significant increase in credit risk

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group and the Company compare the risk of a default occurring on the financial instrument at the end of the reporting period with the risk of a default occurring on the financial instrument at the date of initial recognition. In making this assessment, the Group and the Company consider both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Forward-looking information considered includes the future prospects of the industries in which the Group's and the Company's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organisations, as well as consideration of various external sources of actual and forecast economic information that relate to the Group's and the Company's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor;
- significant increases in credit risk on other financial instruments of the same debtor;
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Group and the Company presume that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 120 days past due, unless the Group and the Company have reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Group and the Company assume that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the end of the reporting period. A financial instrument is determined to have low credit risk if:

- The financial instrument has a low risk of default;
- The debtor has a strong capacity to meet its contractual cash flow obligations in the near term; and
- Adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

The Group and the Company consider a financial asset to have low credit risk when the asset has external credit rating of 'investment grade' in accordance with the globally understood definition or if an external rating is not available, the asset has an internal rating of 'performing'. Performing means that the counterparty has a strong financial position and there are no past due amounts.

The Group and the Company regularly monitor the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Financial Instruments (Cont'd)

##### *Impairment of financial assets (Cont'd)*

##### (ii) Definition of default

The Group and the Company consider the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or
- information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Company, in full (without taking into account any collateral held by the Group and the Company).

Irrespective of the above analysis, the Group and the Company consider that default has occurred when a financial asset is more than 180 days past due unless the Group and the Company have reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

##### (iii) Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- significant financial difficulty of the issuer or the borrower;
- a breach of contract, such as a default or past due event;
- the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for that financial asset because of financial difficulties.

##### (iv) Write-off policy

The Group and the Company write off a financial asset when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the debtor has been placed under liquidation or has entered into bankruptcy proceedings. Financial assets written off may still be subject to enforcement activities under the Group's and the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

##### (v) Measurement and recognition of ECL

The measurement of ECL is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the end of the reporting period, together with any additional amounts expected to be drawn down in the future by default date determined based on historical trend, the Group's and the Company's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the ECL is estimated as the difference between all contractual cash flows that are due to the Group and to the Company in accordance with the contract and all the cash flows that the Group and the Company expect to receive, discounted at the original effective interest rate.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Financial Instruments (Cont'd)

##### *Impairment of financial assets (Cont'd)*

##### (v) Measurement and recognition of ECL (Cont'd)

If the Group and the Company have measured the loss allowance for a financial instrument at an amount equal to lifetime ECL in the previous reporting period but determines at the end of the current reporting period that the conditions for lifetime ECL are no longer met, the Group and the Company measure the loss allowance at an amount equal to 12-month ECL at the end of the current reporting period, except for assets for which simplified approach was used.

The Group and the Company recognise a reversal of impairment loss or an impairment loss in profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account.

##### *Derecognition of financial assets*

The Group and the Company derecognise a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group and the Company neither transfer nor retains substantially all the risks and rewards of ownership and continue to control the transferred asset, the Group and the Company recognise its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group and the Company retain substantially all the risks and rewards of ownership of a transferred financial asset, the Group and the Company continue to recognise the financial asset and recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

#### **Financial liabilities and equity instruments**

##### *Classification as debt or equity*

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

##### *Equity instruments*

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group and by the Company are recognised at the proceeds received, net of direct issue costs.

##### *Financial liabilities*

All financial liabilities are measured subsequently at amortised cost using the effective interest method or at FVTPL (the Company does not have any financial liabilities measured at FVTPL).

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, and financial guarantee contracts issued by the Group and by the Company, are measured in accordance with the specific accounting policies set out below.

##### *Financial liabilities measured subsequently at amortised cost*

Financial liabilities that are not (i) contingent consideration of an acquirer in a business combination, (ii) held for trading or (iii) designated as at FVTPL, are measured subsequently at amortised cost using the effective interest method.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Financial Instruments (Cont'd)

##### *Foreign exchange gains and losses*

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments. These foreign exchange gains and losses are recognised in profit or loss for financial liabilities that are not part of a designated hedging relationship.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period.

##### *Derecognition of financial liabilities*

The Group and the Company derecognise financial liabilities when, and only when, the Group's and the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

When the Group and the Company exchange with the existing lender one debt instrument into another one with substantially different terms, such exchange is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, the Group and the Company account for substantial modification of terms of an existing liability or part of it as an extinguishment of the original financial liability and the recognition of a new liability. It is assumed that the terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received and discounted using the original effective rate is at least 10 per cent different from the discounted present value of the remaining cash flows of the original financial liability. If the modification is not substantial, the difference between: (i) the carrying amount of the liability before the modification; and (ii) the present value of the cash flows after modification should be recognised in profit or loss as the modification gain or loss within other gains and losses.

#### Assets held for sales

Assets (and disposal groups) classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Assets (and disposal groups) are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset (or disposal group) is available for immediate sale in its present condition. Management must be committed to the sale.

#### Provisions

Provisions are recognised when the Group or the Company have a present obligation (legal or constructive) as a result of a past event, it is probable that the Group and the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

## Notes to the Financial Statements (Cont'd)

### 3. MATERIAL ACCOUNTING POLICY INFORMATION (CONT'D)

#### Segment Reporting

For management purposes, the Group is organised into operating segments that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that related to transactions with any of the Group's other components. The Group's reporting segments were identified based on internal reports that are regularly reviewed by the Group's chief operating decision maker in order to allocate resources to the segment and to assess its performance. The Group's reportable segments are strategic business operations that are managed separately based on the Group's management and internal reporting structure.

#### Statements of Cash Flows

The Group and the Company adopt the indirect method in the preparation of the statements of cash flows.

Cash equivalents are short-term, highly liquid investments with maturities of three months or less from the date of acquisition and are readily convertible to cash with insignificant risks of changes in value.

### 4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the accounting policies of the Group and of the Company, the directors are required to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### *Critical judgements in applying the Company's accounting policies*

In the process of applying the Group's and the Company's accounting policies, which are described in Note 3 above, the directors are of the opinion that there are no instances of application of judgement which are expected to have significant effect on the amounts recognised in the financial statements.

#### *Key sources of estimation uncertainty*

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are disclosed below:

#### *(i) Estimated useful lives of property, plant and equipment*

The Group and the Company review the estimated useful lives of property, plant and equipment at the end of each reporting period based on factors such as business plan and strategies, expected level of usage and future technological developments. Future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned above. A reduction in the estimated useful lives of property, plant and equipment would increase the recorded depreciation and decrease the value of property, plant and equipment. The carrying amounts of property, plant and equipment and the related depreciation expense are as disclosed in Note 12.

Notes to the Financial Statements  
(Cont'd)

**4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (CONT'D)**

***Key sources of estimation uncertainty (Cont'd)***

*(ii) Loss allowance*

When measuring ECL, the Group and the Company use reasonable and supportable forward-looking information, which is based on assumptions for the future movement of different economic drivers and how these drivers will affect each other.

Loss given default is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancement.

Probability of default constitutes a key input in measuring ECL. Probability of default is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

The carrying amounts of trade and other receivables are as disclosed in Note 16.

*(iii) Reversal of write down/write down in value of inventories*

The costs of inventories are written down when events or changes in circumstances indicate that the costs may not be recoverable. The amount of inventories to be written down is based on an assessment of the net realisable values of the inventories through sales. The determination of net realisable amount of an inventory required the use of judgement and estimates.

When the expectation is different from the original estimate, such difference will impact the carrying amounts of the inventories and write down in value expenses in the period in which such estimate has changed.

The carrying amounts of inventories of the Group and the related cost of inventories are as disclosed in Note 17.

*(iv) Impairment of investment in subsidiaries*

Management reviews the investment in subsidiaries for impairment when there is an indication of impairment. Recoverable amounts of the investment in subsidiaries are assessed by reference to the equity value of the subsidiary derived from the subsidiary's enterprise value after adjusting for net debt and obligations to other capital providers, and inclusive of cash and cash equivalents.

During the financial year, an impairment loss on investment in a subsidiary amounting to RM128,666,205 (2025: Nil) are recognised in profit and loss.

*(v) Impairment of property, plant and equipment*

The Company assesses impairment of assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable, i.e. the carrying amount of the asset is more than the recoverable amount. If there are indicators of impairment, then a review of recoverable amount is performed. The recoverable amount is determined based on the higher of value-in-use calculation ("VIU") or fair value less cost of disposal ("FVLCD").

The determination of recoverable amount involves significant estimates including:

- assessing the likelihood of market recovery and future utilisation levels;
- estimating realisation values for plant and machinery based on prevailing prices, dismantling costs and transportation costs; and
- selecting appropriate market comparables for land and buildings.

## Notes to the Financial Statements (Cont'd)

### 4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (CONT'D)

#### Key sources of estimation uncertainty (Cont'd)

##### (v) Impairment of property, plant and equipment

The global glove industry continued to be impacted by the elevated raw material prices caused by the ongoing conflict in the Middle East alongside the intense competition from China. Consequently, management had reassessed the financial forecast for the Company which resulted in the recoverable amount determined using VIU to be lower than FVLCD. Accordingly, FVLCD had been selected as the basis for determining the recoverable amount for the purpose of impairment assessment.

The carrying amount and valuation methods are as disclosed in Note 12.

### 5. REVENUE

The following is an analysis of revenue recognised at a point in time during the financial year:

|                        | The Group  |            | The Company |            |
|------------------------|------------|------------|-------------|------------|
|                        | 2026<br>RM | 2025<br>RM | 2026<br>RM  | 2025<br>RM |
| Sale of nitrile gloves | 39,474,944 | 35,465,342 | –           | –          |

### 6. SEGMENT REPORTING

An operating segment is a component of the Group that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relate to transactions with any of the Group's other components. The chief operating decision maker ("CODM") and senior management of the Group review the operating segment results regularly to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available.

The Group has three (3) reportable segments, which are the Group's strategic business units. The strategic business units offer different products and services and are managed separately as they require different technology and marketing strategies. The CODM and senior management of the Group review the management reports of each of the strategic units on a monthly basis.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise corporate assets and corporate liabilities, such as tax assets/liabilities and deferred tax assets/liabilities.

Segment capital expenditure is the total cost incurred during the year to acquire segment assets that are expected to be used for more than one period.

Segments comprise:

- Manufacturing
- Investment holding
- Others (dormant companies)

## Notes to the Financial Statements (Cont'd)

### 10. TAX INCOME (CONT'D)

As mentioned in Note 3, the deductible temporary differences, unutilised tax losses and unabsorbed capital allowances which would give rise to deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

At the end of the reporting period, the deductible temporary differences, unutilised business losses and unabsorbed tax capital allowances of which the deferred tax assets have not been recognised in the financial statements of the Group due to uncertainty of its realisation in foreseeable future are as follows:

|                                           | The Group   |             |
|-------------------------------------------|-------------|-------------|
|                                           | 2026<br>RM  | 2025<br>RM  |
| <b>Temporary differences arising from</b> |             |             |
| Unused tax losses                         | 121,054,800 | 105,869,446 |
| Unused tax capital allowances             | 18,004,864  | 9,868,348   |
| Others                                    | 1,020,198   | 638,738     |
|                                           | 140,079,862 | 116,376,532 |

As at the end of reporting period, the Group has unabsorbed tax capital allowances and unutilised tax losses of RM46,866,079 and RM121,054,800 (2025: RM36,821,908 and RM105,869,446) respectively that are available for offsetting against future taxable profits.

The unabsorbed tax capital allowances of the Group have no expiry while the unutilised tax losses of the Group have the following expiry:

| Business loss incurred in Year<br>of Assessment ("YA") | RM          | Carried<br>forward<br>up to YA | Unutilised<br>amount<br>will be<br>disregarded<br>in YA |
|--------------------------------------------------------|-------------|--------------------------------|---------------------------------------------------------|
| <b>2026</b>                                            |             |                                |                                                         |

| 2023                                                   | 16,675,370  | 2033                           | 2034                                                    |
| Up to 2022                                             | 16,541,249  | 2032                           | 2033                                                    |
|                                                        | 105,869,446 |                                |                                                         |

The comparative figures have been restated to reflect actual unabsorbed tax capital allowances and unutilised tax losses available to the Group.

## Notes to the Financial Statements (Cont'd)

### 11. LOSS PER SHARE

Basic/Diluted loss per share is calculated by dividing loss for the financial year attributable to owners of the Company by the weighted average number of ordinary shares in issue during the financial year.

|                                                                                        | The Group    |              |
|----------------------------------------------------------------------------------------|--------------|--------------|
|                                                                                        | 2026<br>RM   | 2025<br>RM   |
| Loss for the year attributable to owners of the Company                                | (39,098,929) | (31,632,365) |
| Number of ordinary shares in issue at beginning of year                                | 563,708,314  | 528,708,314  |
| Weighted average for issuance of new shares                                            | 10,098,630   | 10,054,794   |
| Adjusted weighted average number of ordinary shares<br>in issue at end of year (units) | 573,806,944  | 538,763,108  |
| Basic and diluted loss per share (sen):                                                |              |              |
| Basic                                                                                  | (6.81)       | (5.87)       |
| Diluted                                                                                | (6.81)       | (5.87)       |

Both the Redeemable Convertible Preference Shares ("RCPS") and Warrants have an anti-dilutive effect when considering the calculation of diluted loss per share for the current financial year. Specifically, the RCPS are anti-dilutive as their conversion would reduce the loss per share, while the Warrants are considered out-of-the-money. Accordingly, the diluted loss per share for the current financial year is presented as equal to the basic loss per share.

The carrying amounts of plant, property and equipment of the Group held under hire-purchase arrangements are RM73,991,995 (2025: RM78,499,620).

Buildings of the Group amounting to RM117,000,000 (2025: RM128,269,118) are charged to a licensed financial institution as security for banking facilities granted to a subsidiary as disclosed in Note 26.

The fair values of the Group's buildings under the revaluation model and its plant and machinery, including capital work-in-progress, under the FVLCD model were appraised on March 30, 2026 by independent professional qualified valuers using the comparison, cost and depreciated replacement cost methods.

**Comparison method**

Under the comparison method, a property's fair value is estimated based on comparison of current prices in an active market for similar properties within the same location or other comparable localities, adjusted for differences in key attributes.

**Cost method**

Under the cost method, a property's fair value is estimated based on the comparison method and is added with the estimated construction cost of the building based on the current building material prices, labour costs and construction costs based on the building design and materials and then adjusted for depreciation.

**Depreciated replacement cost method**

Under the depreciated replacement cost method, a property's fair value is estimated based on the comparison method less allowances for physical deterioration and all relevant forms of obsolescence and optimisation.

## Notes to the Financial Statements (Cont'd)

### 12. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

Qualitative information about fair value measurement performed using significant unobservable inputs is as follows:

| Valuation technique                 | Significant unobservable inputs                    |
|-------------------------------------|----------------------------------------------------|
| Comparison method and amenities     | Difference in location, size, tenure, improvements |
| Cost method                         | Construction price per square feet                 |
| Depreciated replacement cost method | Deductions for depreciation and obsolescence       |

Information about the fair value hierarchy as of the Group's buildings of the end of the financial year are as follows:

| The Group                         | Fair value    |               |               |
|-----------------------------------|---------------|---------------|---------------|
|                                   | Level 1<br>RM | Level 2<br>RM | Level 3<br>RM |
| As of March 31, 2025<br>Buildings | –             | –             | 128,269,118   |
| As of March 31, 2026<br>Buildings | –             | –             | 117,000,000   |

If the buildings were measured using the cost model, the carrying amounts would have been as follows:

|                                | The Group    |              |
|--------------------------------|--------------|--------------|
|                                | 2026<br>RM   | 2025<br>RM   |
| <b>Buildings</b>               |              |              |
| Cost                           | 113,137,134  | 113,065,402  |
| Less: Accumulated depreciation | (12,784,947) | (10,354,087) |
|                                | 100,352,187  | 102,711,315  |

During the current financial year, a subsidiary, Onetexx Sdn. Bhd. ("Onetexx") incurred operating losses primarily due to a low production utilisation rate, which was driven by subdued sales volumes and depressed average selling prices for nitrile gloves.

As indications of impairment were present during the financial year, the directors conducted an impairment review by estimating the recoverable amounts of the plant and machinery, buildings, right-of-use asset, including capital work-in-progress as a single CGU based on the higher of VIU and FVLCD. Based on the results of this review, Onetexx has determined that FVLCD should be used as the recoverable amount.

The determination of FVLCD incorporated different valuation approaches for varying classes of assets within the CGUs, including the comparison and cost methods for buildings and right-of-use asset, and the depreciated replacement cost method for plant & machinery, including capital work-in-progress.

As the valuation involved the use of significant unobservable inputs, the overall fair value measurement of the CGU is categorised as Level 3 in the fair value hierarchy.

#### Sensitivity analysis

A decrease in the price per square foot as a result of the change in adjustment quantum adopted by the independent valuer will result in an increase of impairment loss of the CGU's building.

## Notes to the Financial Statements (Cont'd)

### 12. PROPERTY, PLANT AND EQUIPMENT (CONT'D)

#### Sensitivity analysis (Cont'd)

The recoverable amount of the CGU stood at RM265,525,310 (2025: RM342,024,502) and have resulted in an impairment loss of RM5,632,824 (2025: Nil) recognised in profit and loss during the financial year.

In the prior year, for the purpose of impairment assessment, the Group's cashflow projections used in the VIU method followed the key assumptions below:

- Discount rate - a pre-tax discount rate of 15.0% was used in the calculation of recoverable amounts that reflects the current market assessment and the risks specific to the subsidiary.
- Inflation rate - 2.2%.
- Revenue growth rates - based on management's expectation of revenue and current assessment of the market and industry growth.
- Cost savings – anticipated cost savings arising from the implementation of measures intended to reduce utilities consumption.

#### Sensitivity to changes in significant assumptions

The sensitivity analysis below had been determined based on reasonably possible changes of the significant assumptions occurring at the end of the previous reporting period, while holding all other assumptions constant.

- If the discount rate was 1% higher/lower, the recoverable amount would decrease by RM10,864,655 or increase by RM11,371,934.

### 13. RIGHT-OF-USE ASSETS

| Transfer to assets held for sale (Note 20) | (2,732,692)             |
| As of March 31, 2025/March 31, 2026        | –                       |
| <b>Accumulated depreciation</b>            |                         |
| As of April 1, 2024                        | 236,833                 |
| Transfer to assets held for sale (Note 20) | (236,833)               |
| As of March 31, 2025/March 31, 2026        | –                       |
| <b>Carrying amounts</b>                    |                         |
| As of March 31, 2025                       | –                       |
| As of March 31, 2026                       | –                       |

The carrying amounts of certain leasehold land of the Group amounting to RM26,700,000 (2025: RM19,953,437) are charged to a licensed financial institution as security for banking facilities granted to a subsidiary as disclosed in Note 26.

Certain leasehold land of the Group was revalued on March 30, 2026 by an independent professional qualified valuer using the comparison method. Under the comparison method, a land's fair value is estimated based on comparison of current prices in an active market for similar land within the same location or other comparable localities, adjusted for differences in key attributes. Qualitative information about fair value measurement of the leasehold land performed using significant unobservable inputs are difference in location, size and tenure.

Information about the fair value hierarchy as of the Group's leasehold land of the end of the financial year are as follows:

| The Group            | Fair value    |               |               |
|----------------------|---------------|---------------|---------------|
|                      | Level 1<br>RM | Level 2<br>RM | Level 3<br>RM |
| As of March 31, 2026 |               |               |               |
| Leasehold land       | –             | –             | 26,700,000    |
| As of March 31, 2025 |               |               |               |
| Leasehold land       | –             | –             | 19,953,437    |

Notes to the Financial Statements  
(Cont'd)

13. RIGHT-OF-USE ASSETS (CONT'D)

If the leasehold land were measured using the cost model, the carrying amounts would have been as follows:

|                                | The Group   |             |
|--------------------------------|-------------|-------------|
|                                | 2026<br>RM  | 2025<br>RM  |
| <b>Leasehold land</b>          |             |             |
| Cost                           | 13,047,389  | 13,047,389  |
| Less: Accumulated depreciation | (1,274,655) | (1,110,575) |
|                                | 11,772,734  | 11,936,814  |

|                                             | The Group  |            | The Company |            |
|---------------------------------------------|------------|------------|-------------|------------|
|                                             | 2026<br>RM | 2025<br>RM | 2026<br>RM  | 2025<br>RM |
| <b>Amount recognised in profit or loss:</b> |            |            |             |            |
| Expenses relating to short-term leases      | 149,755    | 142,800    | –           | –          |
| Depreciation expense on right-of-use assets | 275,167    | 275,167    | –           | –          |

The total cash outflows for leases, including short-term leases of the Group amounted to RM149,755 (2025: RM142,800) respectively.

14. INVESTMENT IN SUBSIDIARIES

|                                        | The Company   |             |

## Notes to the Financial Statements (Cont'd)

### 14. INVESTMENT IN SUBSIDIARIES (CONT'D)

The details of the subsidiaries are as follows:

| Name of company                                              | Principal place of business and place of incorporation | Effective equity interest |           | Principal activities            |
|--------------------------------------------------------------|--------------------------------------------------------|---------------------------|-----------|---------------------------------|
|                                                              |                                                        | 2026<br>%                 | 2025<br>% |                                 |
| Direct subsidiaries                                          |                                                        |                           |           |                                 |
| Onetexx Sdn. Bhd.                                            | Malaysia                                               | 100                       | 100       | Manufacturing of rubber gloves. |
| Rewise Sdn. Bhd.<br>(Formerly known as Best Water Sdn. Bhd.) | Malaysia                                               | 100                       | 100       | Dormant.                        |

Subsequent to the financial year end, one subsidiary, Best Water Sdn. Bhd., changed its name to Rewise Sdn. Bhd. pursuant to a Special Resolution passed by the Company (as sole shareholder) on July 1, 2026.

Management reviews the investment in subsidiaries for impairment when there is an indication of impairment. Recoverable amounts of the investment in subsidiaries are assessed by reference to the equity value of the subsidiary derived from the subsidiary's enterprise value, determined based on Discounted Cash Flows method in the value-in-use computation, after adjusting for net debt and obligations to other capital providers, and inclusive of cash and cash equivalents. During the financial year, an impairment loss on investment in subsidiaries amounting to RM128,666,205 (2025: Nil) is recognised in profit and loss.

#### Composition of the Group

Information about composition of the Group at the end of the reporting period is as follows:

| Principal activities           | Place of incorporation and operations | Number of wholly-owned subsidiaries |      |
|--------------------------------|---------------------------------------|-------------------------------------|------|
|                                |                                       | 2026                                | 2025 |
| Manufacturing of rubber gloves | Malaysia                              | 1                                   | 1    |
| Dormant                        | Malaysia                              | 1                                   | 1    |
|                                |                                       | 2                                   | 2    |

### 15. INVESTMENT IN AN ASSOCIATE

## Notes to the Financial Statements (Cont'd)

### 15. INVESTMENT IN AN ASSOCIATE (CONT'D)

The interest in the associated company of the Group is analysed as follows:

|                     | The Group   |            |
|---------------------|-------------|------------|
|                     | 2026<br>RM  | 2025<br>RM |
| Share of net assets | 172,205,385 | 87,302,260 |
| Goodwill            | 1,566,532   | 1,566,532  |
|                     | 173,771,917 | 88,868,792 |

The details of the associate are as follows:

| Name of company                     | Principal place of business and place of incorporation | Effective equity interest |        | Principal activities |
|-------------------------------------|--------------------------------------------------------|---------------------------|--------|----------------------|

|                                                                | 5,906,724   | 8,695,240   | 17,615,189  | 19,662,503 |
| Less: Amount due within 12 months (shown under current assets) | (5,906,724) | (8,695,240) | –           | –          |
| Non-current portion                                            | –           | –           | 17,615,189  | 19,662,503 |

The currency profile of trade and other receivables is as follows:

|                         | The Group  |            | The Company |            |
|-------------------------|------------|------------|-------------|------------|
|                         | 2026<br>RM | 2025<br>RM | 2026<br>RM  | 2025<br>RM |
| In Ringgit Malaysia     | 449,951    | 2,449,182  | 17,615,189  | 19,662,503 |
| In United States Dollar | 5,456,773  | 6,246,058  | –           | –          |
|                         | 5,906,724  | 8,695,240  | 17,615,189  | 19,662,503 |

Trade receivables comprise amounts receivable for sale of goods. The credit periods granted ranged from cash upon confirmation to 60 days (2025: cash upon confirmation to 30 days). No interest is charged on overdue outstanding trade balances.

Other receivables comprised mainly advance payments made to suppliers which are unsecured, interest-free and are repayable on demand.

## Notes to the Financial Statements (Cont'd)

### 16. TRADE AND OTHER RECEIVABLES (CONT'D)

The Group measures the loss allowance for trade receivables at an amount equal to lifetime ECL. The expected credit losses on trade receivables are estimated based on past default experience and an analysis of the trade receivables' current financial position, adjusted for factors that are specific to the trade receivables such as liquidation, bankruptcy, etc. There has been no change in the estimation techniques or significant assumptions made during the period.

The Group writes off a receivable when there is information indicating that the receivable is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the receivable has been placed under liquidation or has entered into bankruptcy proceedings.

Included in trade receivables of the Group are receivables with total carrying amount of RM879,894 (2025: RM4,717,540) which were past due at the end of the reporting period for which the Group has not recognised loss allowance as there have not been significant changes in credit quality and the probability of default was assessed as remote. The Group does not hold any collateral over these balances, nor does it have a legal right to offset against any amounts owed by the Group to the counterparties.

The Group seeks to maintain strict control over its outstanding trade receivables and has a credit period policy to minimise credit risk. Overdue balances are reviewed by management at least once a month.

Ageing of trade receivables and trade portion of amount owing by related parties at the end of the reporting period is as follows:

|                            | 2026<br>RM | 2025<br>RM |
|----------------------------|------------|------------|
| Not past due               | 1,363,849  | –          |
| Past due but not impaired: |            |            |
| 1 to 60 days               | 614,622    | 4,308,786  |
| 61 to 90 days              | –          | –          |
| 91 to 120 days             | –          | 408,754    |
| Over 120 days              | 265,272    | –          |
| Past due and impaired:     |            |            |
| Over 120 days              | 4,410,401  | 4,410,401  |
|                            | 6,654,144  | 9,127,941  |

The following table shows the movement in loss allowance that has been recognised for trade receivables set out in MFRS 9:

|                                                   | The Group   |             |
|---------------------------------------------------|-------------|-------------|
|                                                   | 2026<br>RM  | 2025<br>RM  |
| As of April 1, 2024/March 31, 2025/March 31, 2026 | (4,410,401) | (4,410,401) |

The Group and the Company have entered into a Sale and Purchase agreement on April 26, 2024 with a third party, to dispose of a unit of multi-storey factory building erected on a piece of industrial land held under H.S.(D) 135115, PTB 13338, Bandar Johor Bahru, District of Johor Bahru, measuring approximately 0.7613 hectares and bearing assessment address No. PTB 13338, Jalan Petaling, Kawasan Perindustrian Larkin, Johor Bahru, Johor ("Property") for an agreed total consideration of RM4,180,000. The Company has received the deposit of RM3,140,000 (2025: RM2,180,000) as of year end. The balance purchase price of RM1,040,000 (2025: RM2,000,000) shall be paid by the Purchaser to the Company in 13 (2025: 25) monthly instalments for which post-dated cheques have been received. The transaction has not completed as of report date and will only be considered complete once the Group and the Company have received the full amount of the agreed total consideration for the disposal of the building and land against which the Group and the Company shall release, amongst others, the original issue document of title for the Property.

| Issued during the year                                | –                         | 191,000,000               | –           | 45,840,000  |
| Conversion of RCPS to<br>ordinary shares (Note 21)    | (19,000,000)              | (35,000,000)              | (4,560,000) | (8,400,000) |
| At end of year                                        | 137,000,000               | 156,000,000               | 32,880,000  | 37,440,000  |

During the financial year, 19,000,000 RCPS (2025: 35,000,000 RCPS) were converted into new ordinary shares of the Company, at a conversion price of RM0.24 (2025: RM0.24) per ordinary share, leaving a balance of 137,000,000 RCPS (2025: 156,000,000 RCPS).

The rights, privileges and obligations of the holder of RCPS ("RCPS Holder") of the Company are as follows

(a) Dividends:

The RCPS shall not be entitled to any dividend. The RCPS shall not be entitled to participate in any distribution and/or offer of further securities in the Company by way of rights or bonus until and unless such RCPS has been converted into new ordinary shares. Without limiting the generality of the above, the RCPS shall not confer any right or claim as regards to participation in the distributable profits of the Company.

Notes to the Financial Statements  
(Cont'd)

**22. REDEEMABLE CONVERTIBLE PREFERENCE SHARES (CONT'D)**

(b) Redemption:

- (i) The Company may at its sole and absolute discretion, subject to and in accordance with Section 72 of the Act, at any time and from time to time during the tenure of the RCPS, redeem the RCPS in whole or part thereof the outstanding RCPS held by such RCPS holders, at the redemption price of RM0.24 ("Redemption Price") in cash by giving the RCPS holders no less than 5 business days' written notice ("Redemption Notice") prior to the intended date of the redemption ("Redemption Date"). For the avoidance of doubt, there is no fixed redemption schedule in respect of the RCPS. At any time during the aforesaid notice period prior to the Redemption Date, the RCPS holders shall not be entitled to exercise their conversion rights, subject to the conditions of conversion.
- (ii) In the event of the Company determining to redeem a part only of the RCPS, the Board shall have the sole and absolute discretion to determine the selected RCPS to redeem or at a rateable proportion (as nearly as practicable without involving fractions of RCPS held by the RCPS holders after the redemption) of each holding of such RCPS on the Redemption Date.
- (iii) Upon receipt of the Redemption Notice, the RCPS holder shall be bound to surrender the RCPS certificate (if any) for cancellation on or before the Redemption Date unless it shall have exercised its conversion rights prior thereto. On the Redemption Date and subject to the Company's receipt of the relevant RCPS certificate (if any), the Company shall be bound to redeem the RCPS specified in the Redemption Notice at the redemption amount being the product of the number of RCPS to be redeemed and issue price and cancel the relevant RCPS certificate (if any). All accrued and unpaid dividend in respect of such redeemed RCPS up to the date of redemption (if any) shall be paid on the Redemption Date.
- (iv) The Redemption Price is equivalent to the issue price.
- (v) For the avoidance of doubt, the RCPS holders shall not have the right to require the Company to redeem the RCPS.
- (vi) All RCPS which are redeemed will be cancelled and will not be reissued.

(c) Ranking of RCPS and Liquidation Preference:

The RCPS are unsecured and shall upon allotment and issuance, rank pari passu in all respects amongst themselves and shall always rank in priority or equally with other preference shares that may be created in future. The RCPS shall also rank in priority to the ordinary shares, but shall rank behind all secured and unsecured creditors of the Company.

Notwithstanding the above, in the event of liquidation, dissolution, winding-up, reduction of capital for capital repayment or other repayment of capital:

- (i) the RCPS shall confer on the holders the rights to receive in priority to the ordinary shareholders of the Company, cash repayment in full of the amount which is equal to the issue price for each RCPS, provided that there shall be no further right to participate in any surplus capital or surplus profits of the Company;
- (ii) in the event that the Company has insufficient assets to permit payment of the full amount of the issue price to holders of the RCPS, the assets of the Company shall be distributed pro rata on an equal priority to the holders of RCPS in proportion to the amount that each holder of RCPS would otherwise be entitled to receive;
- (iii) in the event of capital being written off on a reduction of capital which is lost or unrepresented by available assets, the amounts paid or credited on the ordinary shares of the Company shall be written off before the amounts paid or credited on the RCPS; and
- (iv) in the event of repayment of capital to the ordinary shareholders of the Company, the remaining RCPS shall then be automatically converted into new ordinary shares of the Company at the Conversion Ratio prior to any distribution to be made to ordinary shareholders of the Company.

## Notes to the Financial Statements (Cont'd)

### 22. REDEEMABLE CONVERTIBLE PREFERENCE SHARES (CONT'D)

- (d) Ranking of new ordinary shares to be issued pursuant to conversion of RCPS:

The new ordinary shares to be allotted and issued pursuant to the conversion of the RCPS shall, upon allotment and issuance, rank pari passu in all respects with the then existing ordinary shares except that such new ordinary shares shall not be entitled to any dividends, rights, allotments and/ or other distributions of which the entitlement date is prior to the date of allotment of the new ordinary shares arising from the conversion of the RCPS.

- (e) Voting rights:

In any of the above cases, the RCPS holders shall be entitled to vote together with the holders of ordinary shares, and each RCPS holder present shall be entitled on the show of hands to 1 vote, and if voting is by way of poll, the RCPS holder shall have 1 vote for 1 ordinary share in which the RCPS are convertible.

- (f) Conversion rights:

- (i) Each RCPS carries the entitlement to be converted into new ordinary shares at the conversion ratio through the surrender of the RCPS and submission of a conversion notice to the Company.
- (ii) If the conversion results in a fractional entitlement to the new ordinary shares, such fractional entitlement shall be disregarded and no refund or credit, whether in the form of the RCPS, cash or otherwise, shall be given in respect of the disregarded fractional entitlement. RCPS Holders shall not be entitled to top up the Conversion Price for any fractional entitlement.
- (iii) The RCPS which have been converted will be cancelled and cannot be reissued.
- (iv) Subject to the applicable Listing Requirements, conversion of RCPS into new ordinary shares ("Conversion Shares") and payment of conversion price may be made manually and/or electronically in the manner prescribed by the Company.

Based on the above salient features of the RCPS, they are classified as equity instruments and presented within equity in the statements of financial position.

### 23. RESERVES

#### Revaluation reserve

Revaluation reserve of the Group arises on the revaluation of leasehold land and certain buildings of the Group, net of tax, where applicable.

## Notes to the Financial Statements (Cont'd)

### 23. RESERVES (CONT'D)

#### Warrant reserve

Warrants reserve represents the proceeds from the issuance of warrants which are non-distributable. The warrants reserve is transferred to the share capital account upon the exercise of warrants and the warrants reserve in relation to the unexercised warrants at the expiry of the warrants will be transferred to retained earnings.

On July 28, 2023, the Company issued 71,000,000 free warrants to subscribe for 71,000,000 new One Glove shares, at no cost to entitled shareholders. The warrants were issued in registered form and constituted under a Deed Poll, and are tradeable in board lots of 100 units on Bursa Securities.

The warrants carry the right to subscribe for new shares at an exercise price of RM0.22 per warrant, exercisable at any time within a period of five (5) years from the date of issuance and expiring at 5p.m. on the day immediately preceding the fifth anniversary of the issuance date. If such date is not a market day, the expiry will fall on the preceding market day. Any warrants not exercised by the expiry date will lapse and cease to be valid.

Warrant holders are not entitled to vote or participate in any dividends, rights, allotments, distributions or offers of securities by the Company unless and until they exercise their warrants and become shareholders. Upon allotment, the new One Glove shares issued from the exercise of warrants will rank equally with existing shares, except for entitlements declared prior to the allotment date.

The warrants were listed on Bursa Malaysia Securities Berhad on July 28, 2023.

The movements in the Company's warrants are as follows:

|                     | Number of unexercised warrants (unit) |          |           | Balance as of<br>31.3.2026 |
|---------------------|---------------------------------------|----------|-----------|----------------------------|
|                     | Balance as of<br>1.4.2025             | Allotted | Exercised |                            |
| Numbers of warrants | 71,000,000                            | –        | –         | 71,000,000                 |

#### Capital reserve

Capital reserve for the Group is the surplus credit arising from the capital reduction exercise for use in offsetting future losses of the Company. The capital reserve account shall not be distributable without confirmation of the High Court of Malaya. In the current financial year, the capital reserve has been fully utilised to offset losses of the Company.

| Secured:                                                            |             |             |
| Term loan                                                           | 66,380,729  | 68,680,729  |
| Revolving credit                                                    | 2,859,040   | –           |
|                                                                     | 69,239,769  | 68,680,729  |
| Less: Amount due within 12 months (shown under current liabilities) | (7,459,040) | (2,300,000) |
| Non-current portion                                                 | 61,780,729  | 66,380,729  |

The non-current portion is repayable as follows:

|                   | The Group  |            |
|-------------------|------------|------------|
|                   | 2026<br>RM | 2025<br>RM |
| One to two years  | 5,900,000  | 4,600,000  |
| Two to five years | 26,600,000 | 21,850,000 |
| After five years  | 29,280,729 | 39,930,729 |
|                   | 61,780,729 | 66,380,729 |

## Notes to the Financial Statements (Cont'd)

### 26. BORROWINGS (CONT'D)

The effective interest rates per annum are as follows:

|                  | The Group |           |
|------------------|-----------|-----------|
|                  | 2026<br>% | 2025<br>% |
| Term loan        | 6.02      | 6.24      |
| Revolving credit | 7.75      | –         |

The Group has a ten (10) year term loan of RM85,000,000 (2025: RM85,000,000). As of the financial year ended, a principal amount of RM66,380,729 (2025: RM68,680,729) remains outstanding and repayable by 85 instalments ending April 2033 (2025: 97 instalments ending April, 2033).

The Group has banking facilities of RM9,404,121 (2025: RM9,404,121) obtained from a licensed financial institution. As at the end of the financial year, RM9,308,442 (2025: RM5,561,438) of the facilities had been utilised, resulting in unutilised banking facilities of RM95,679 (2025: RM3,842,683).

Both the term loan and banking facilities above are secured by the following:

- (i) a first legal charge over certain buildings and certain leasehold land of the Group as disclosed in Notes 12 and 13 respectively;
- (ii) personal guarantee by a director of the Company; and
- (iii) corporate guarantee by the Company.

The Group has a revolving credit facility of RM15,500,000 (2025: Nil) obtained from a local licensed bank. As at the end of the financial year, RM2,859,040 (2025: Nil) of the facility had been utilised, resulting in unutilised revolving credit facility of RM12,640,960 (2025: Nil). The revolving credit facility is secured by the following:

- (i) a First Party Open Monies Memorandum of Deposit and Open Monies Letter of Set-Off;
- (ii) personal guarantee by a director of the Company; and
- (iii) corporate guarantee by the Company.

### 27. HIRE-PURCHASE PAYABLES

| Present value of hire-purchase payables                                | 49,875,599                        | 59,924,690   | 49,875,599                                         | 59,924,690   |
| Less: Amount due within 12 months (shown<br>under current liabilities) |                                   |              | (16,714,813)                                       | (10,675,163) |
| Non-current portion                                                    |                                   |              | 33,160,786                                         | 49,249,527   |

## Notes to the Financial Statements (Cont'd)

### 27. HIRE-PURCHASE PAYABLES (CONT'D)

The non-current portion is repayable as follows:

|                   | The Group  |            |
|-------------------|------------|------------|
|                   | 2026<br>RM | 2025<br>RM |
| One to two years  | 13,070,879 | 16,040,763 |
| Two to five years | 20,089,907 | 33,208,764 |
|                   | 33,160,786 | 49,249,527 |

The remaining terms for hire-purchase arrangements are 1 to 5 years (2025: 1 to 5 years) and the effective hire-purchase interest rates range from 5.46% to 9.71% (2025: 5.46% to 8.90%) per annum. Interest rates are fixed at the inception of the hire-purchase arrangements.

The Group's hire-purchase payables are secured by the assets under hire-purchase.

### 28. OTHER LIABILITIES

|                                                                           | The Group   |             | The Company |            |

|                      | 9,702,344  | 6,602,832  | 3,655,267   | 2,709,102  |

## Notes to the Financial Statements (Cont'd)

### 29. RELATED PARTY DISCLOSURES

Parties are considered to be related to the Group if the Group has the ability to directly control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group and the party are subject to common control or common significant influence. Related parties may be individuals or other entities.

The current amounts owing by related parties arose mainly from advances and expenses paid on behalf which are unsecured, interest-free and are repayable upon demand.

The non-current amounts owing by subsidiaries arose mainly from advances which are unsecured, interest-free and are repayable after June 30, 2027 (2025: June 30, 2026).

The amount owing to a director arose mainly from non-trade advances and expenses paid on behalf which are unsecured, interest-free and are repayable on demand.

Amount owing to shareholders arose mainly from advances which are unsecured, interest-free and are repayable after June 30, 2027 (2025: June 30, 2026).

#### Related party transactions

Transactions with related parties are as follows:

|                                                                                                                                           | The Group  |            | The Company |            |

#### Financial Risk Management Objectives and Policies

Risk management is integral to the whole business of the Group and of the Company. Management continually monitors the Group's and the Company's risk management process to ensure that an appropriate balance between risk and control is achieved. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Group's and the Company's activities.

There has been no change to the Group's and the Company's exposure to these financial risks or the manner in which it manages and measures the risk.

## Notes to the Financial Statements (Cont'd)

### 30. FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT

#### (a) Market risk

The Group is exposed primarily to the risks of changes in foreign currency exchange rates and interest rates.

##### (i) Foreign currency risk management

The Group transacts in various foreign currencies and therefore, is exposed to foreign exchange risk, mainly in United States Dollar ("USD").

The carrying amounts of the foreign currency denominated monetary assets and monetary liabilities of the Group at the end of the reporting period are disclosed in Notes 16, 19, 24 and 28 respectively.

##### Foreign currency sensitivity analysis

The following table details the Group's sensitivity to a 11% (2025: 6%) increase and decrease in RM against USD. 11% (2025: 6%) is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonable possible change in foreign exchange rates in the next 12 months.

The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 11% (2025: 6%) change in foreign currency rates. A negative number below indicates an increase in loss net of tax (2025: positive number below indicates a decrease in loss net of tax), where USD strengthens 11% (2025: 6%) against RM. For a 11% (2025: 6%) weakening of USD against RM, there would be a comparable reversed impact on the loss net of tax and equity.

|     | The Group  |            |
|-----|------------|------------|
|     | 2026<br>RM | 2025<br>RM |
| USD | (91,296)   | 98,944     |

The above impacts are mainly attributable to the exposure on USD for receivables, bank balances and payables of the Group outstanding at the end of the reporting year. In the opinion of management, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk as the year end exposure does not reflect the full exposure of the Group during the year.

##### (ii) Interest rate risk management

Interest rate risk is the risk that the fair values or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rates.

The Group finances their operations by a mixture of internal funds, banks and other borrowings. The Group regularly reviews the interest rate profile of borrowings against prevailing and anticipated market rates. The repayment and maturity profiles of borrowings are structured after taking into consideration of the cash inflows expected to be generated from the underlying assets or operations and the economic life of the assets or operations being financed.

The policy of the Group is to borrow both on the fixed and floating rate basis. The objective for the mix between fixed and floating rate borrowings is set to reduce the impact of an upward change in interest rates while enabling benefits to be enjoyed if interest rates fall.

The details of the Group's deposits, borrowings and hire-purchase payables are as disclosed in Notes 19, 26 and 27 respectively.

## Notes to the Financial Statements (Cont'd)

### 30. FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT (CONT'D)

#### (a) Market risk (Cont'd)

##### (ii) Interest rate risk management (Cont'd)

###### Interest rate sensitivity analysis

The Group's exposure to interest rates on financial liabilities are detailed below. The sensitivity analysis below has been determined based on the exposure to interest rates for financial liabilities at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liabilities at the end of the reporting period will remain unchanged for the whole period. A 10 basis points (2025: 10 basis points) increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 10 basis points (2025: 10 basis points) higher/lower and all other variables were held constant, the Group's loss net of tax for the reporting period would increase/decrease by RM88,873 (2025: RM97,208).

#### (b) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a mean of mitigating the risk of financial loss from defaults.

The exposure of the Group to credit risk arises principally from its receivables and other financial assets. The credit risk exposure of the Company arises from amount owing by subsidiaries and other financial assets.

##### Receivables

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. Ongoing credit evaluation is performed on the financial condition of trade receivables and, where appropriate, credit guarantee insurance cover is purchased.

At the end of the reporting period, the Group is subject to significant concentration of credit risk as 100% (2025: 100%) of its trade receivables are receivable from 3 (2025: 3) customers.

As the Group does not hold any collateral, the maximum exposure to credit risk arising from receivables is represented by the carrying amounts in the statements of financial position.

The Group uses ageing analysis to monitor the credit quality of the trade receivables. Any receivables having significant balances past due or more than 90 days, which are deemed to have higher credit risk, are monitored individually.

In order to minimise credit risk, the Group has developed and has maintained credit risk gradings to categorise exposures according to their degree of risk of default. The credit rating information is supplied by independent rating agencies where available and, if not available, the Group uses other publicly available financial information and its own trading records to rate its major customers and other debtors. The Group's exposure and the credit ratings of its counterparties are continuously monitored, and the aggregate value of transactions concluded is spread amongst approved counterparties.

For other receivables, management does not foresee any credit risk due to the nature of other receivables which comprise mainly advance payments made to suppliers.

The ageing of trade receivables that are past due is disclosed in Note 16.

Notes to the Financial Statements  
(Cont'd)

**30. FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT (CONT'D)**

**(b) Credit risk management (Cont'd)**

*Amount Owing by Subsidiaries*

At the end of the reporting period, the maximum exposure to credit risk of the Company arising from amount owing by a subsidiary is represented by the carrying amount in the statement of financial position of the Company.

*Other Financial Assets*

The credit risk on liquid funds is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

**(c) Liquidity and cash flow risks management**

Ultimate responsibility for liquidity and cash flow risks management rests with the Board of Directors, which has established an appropriate liquidity and cash flow risks management framework for the management of the Group's and of the Company's funding, liquidity and cash flow requirements.

Management is of the view that the Group's and the Company's were exposed to liquidity and cash flow risks. The Group's and Company's principal source of liquidity has historically been cash flows from operations, funds obtained from short-term and long-term borrowings and continued financial support from the Substantial Shareholder as defined in Note 2.

In addition, the Group has formulated certain plans to improve its liquidity position, as disclosed in Note 2, to enable it to meet its anticipated capital expenditure and working capital requirements over the next 12 months.

The Group has banking facilities of RM95,679 (2025: RM3,842,683) and revolving credit facility of RM12,640,960 (2025: Nil) which were unutilised at the end of the reporting period.

The maturity profile of the Group's and of the Company's non-derivative financial assets and financial liabilities at the end of the reporting period based on cash inflows from the financial assets and contractual undiscounted repayment obligations are as follows:

| <b>The Group<br/>2026</b>                                          | <b>On demand<br/>or within<br/>one year<br/>RM</b> | <b>One year to<br/>five years<br/>RM</b> | <b>Over five<br/>years<br/>RM</b> | <b>Total<br/>RM</b>  |

The Group and the Company have not committed to any derivative financial instruments during the current financial year.

**(d) Capital risk management**

The Group manages its capital to ensure that the entities within the Group will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Group's overall strategy remains unchanged from the previous financial year.

The capital structure of the Group consists of net debt and equity. Equity includes share capital, redeemable convertible preference shares, warrant reserve, revaluation reserve, capital reserve and accumulated losses as disclosed in Notes 21 to 23. The Group monitors and maintains an optimal level of gearing ratio in managing its capital. The gearing ratio as of March 31, 2026 and March 31, 2025 respectively were as follows:

|                                           | Note | The Group<br>2026<br>RM | 2025<br>RM  |
|-------------------------------------------|------|-------------------------|-------------|
| Total debts                               |      | 119,115,368             | 128,605,419 |
| Less: Deposits, cash and bank balances 19 |      | (3,385,354)             | (2,146,256) |
| Net debt position                         |      | 115,730,014             | 126,459,163 |
| Total equity                              |      | 168,075,046             | 122,690,300 |
| Gearing ratio                             |      | 0.69                    | 1.03        |

## Notes to the Financial Statements (Cont'd)

### 30. FINANCIAL INSTRUMENTS, FINANCIAL RISKS AND CAPITAL RISKS MANAGEMENT (CONT'D)

#### (d) Capital risk management (Cont'd)

##### Fair Values of Financial Instruments

##### Fair values of financial instruments at amortised cost

The fair values of short-term financial assets and financial liabilities approximate their respective carrying amounts due to the relatively short-term maturity of these financial instruments.

The fair values of non-current financial assets and financial liabilities approximate their carrying amounts due to insignificant impact of discounting.

The fair values of term loan and hire-purchase payables, which are classified as Level 2 in the fair value hierarchy have been estimated using discounted cash flow analysis based on the current borrowing rates for similar types of term loan and hire-purchase arrangements and approximate their carrying amounts.

### 31. STATEMENTS OF CASH FLOWS

#### (a) Reconciliation of liabilities arising from financing activities

The table below details changes in the Group's and the Company's liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the Group's and the Company's statements of cash flows as cash flows from/(used in) financing activities.

| The Group                    | Note | As of<br>1.4.2025<br>RM | Financing<br>cash<br>flows<br>RM | Non-cash<br>flows*<br>RM | As of<br>31.3.2026<br>RM |
|------------------------------|------|-------------------------|----------------------------------|--------------------------|--------------------------|
| Amount owing to a director   | 24   | 25,000                  | –                                | –                        | 25,000                   |
| Amount owing to shareholders | 24   | 113,113,151             | 26,800,000                       | –                        | 139,913,151              |
| Term loan                    | 26   | 68,680,729              | (2,300,000)                      | –                        | 66,380,729               |
| Revolving credits            | 26   | –                       | 2,831,477                        | 27,563                   | 2,859,040                |
| Hire-purchase payables       | 27   | 59,924,690              | (7,135,310)                      | (2,913,781)              | 49,875,599               |

\* The non-cash flows items arose mainly from the advance deposit paid in prior year set off against hire-purchase payables.

|------------------------------|------|-------------------------|----------------------------------|-------------------------|--------------------------|
| Amount owing to shareholders | 24   | 132,853,151             | 26,100,000                       | (45,840,000)            | 113,113,151              |

\* The non-cash flows items arose mainly from the issuance of RCPS as disclosed in Note 22.

(b) Purchase of property, plant and equipment

Property, plant and equipment were acquired by the following means:

|                | The Group  |            | The Company |            |
|----------------|------------|------------|-------------|------------|
|                | 2026<br>RM | 2025<br>RM | 2026<br>RM  | 2025<br>RM |
| Cash purchase  | 1,680,540  | 4,566,950  | –           | –          |
| Other payables | 9,840,696  | 1,204,340  | –           | –          |
|                | 11,521,236 | 5,771,290  | –           | –          |

The full amount outstanding in prior year in relation to acquisition of property, plant and equipment has been fully settled and the movement has been included under changes in other payables in the statement of cash flows.

(c) Cash and cash equivalents

Cash and cash equivalents comprise the following:

|                                                                                      | The Group   |            | The Company |            |
|--------------------------------------------------------------------------------------|-------------|------------|-------------|------------|
|                                                                                      | 2026<br>RM  | 2025<br>RM | 2026<br>RM  | 2025<br>RM |

### 33. MATERIAL LITIGATION

- (a) Onetexx Sdn. Bhd. v Focus Chemical Sdn. Bhd. (previously known as Focus Pigment Sdn. Bhd.) (WA-22NCC-647-09/2024)

The Subsidiary commenced litigation against Focus Chemical Sdn. Bhd. ("Defendant") with the service of a Writ of Summons and Statement of Claim on September 27, 2024.

Pursuant thereto, the Subsidiary sought for, inter alia, payment of the sums of United States Dollar ("USD") 853,425 ("USD Claim") and RM79,650 ("RM Claim") and interest thereon as provided in the Writ, which claims are summarised as follows:

1. The USD Claim
  - 1.1 The USD Claim represents a claim for refund thereof arising from a repudiatory breach of an agreement comprising the Subsidiary's letter dated August 2, 2021 and an Offset Agreement dated December 30, 2021 ("Agreement").
  - 1.2 Pursuant to the Agreement, the Defendant agreed to collect or take return of 450 wet metric tonnes ("MT") of Nitrile Butadiene Rubber ("NBR") Series TG701 ("Returned Goods") and to replace the Returned Goods with new 450MT NBR Series TG701N ("New Goods").
  - 1.3 The difference in price between the Returned Goods and the New Goods amounting to USD1,500 per MT was to be credited by the Defendant to the Subsidiary by way of credit notes or open credit to be applied against future orders placed by the Subsidiary with the Defendant. The Defendant issued credit notes and open credit of an aggregate amount of USD540,000 in respect of part of the Returned Goods.
  - 1.4 By way of a debit note dated March 2, 2022, the Defendant unilaterally, unlawfully and without basis reversed such credit in repudiatory breach of the Agreement.
2. The RM Claim
  - 2.1 The Defendant has failed to replace a balance 89.55MT of the Returned Goods ("Uncollected Returned Goods") which remain in the Subsidiary's possession. The Subsidiary has incurred and continues to incur costs to store and despite reminders and demands for the Defendant to do so, the Defendant has failed and/or refused to collect or replace the Uncollected Returned Goods.
  - 2.2 The RM Claim is in respect of costs incurred to store the Uncollected Returned Goods.

Notes to the Financial Statements  
(Cont'd)

**33. MATERIAL LITIGATION (CONT'D)**

- (a) Onetexx Sdn. Bhd. v Focus Chemical Sdn. Bhd. (previously known as Focus Pigment Sdn. Bhd.) (WA-22NCC-647-09/2024) (Cont'd)

2. The RM Claim (Cont'd)

On November 15, 2024, the Defendant served their defence and counterclaim ("D&CC") on the Subsidiary where the Defendant has alleged in their counterclaim that it has suffered loss and damage for change in delivery schedule for NBR under one purchase order and wrongful cancellation of another purchase order and has claimed the sum of USD77,522 for loss of profit, the aggregate sum of RM259,404 for various charges (comprising port charges/demurrage, haulier charges and forwarding charges, transport charges and storage charges), general damages, interest and costs ("Counterclaim").

On December 13, 2024, the Subsidiary served its reply to the D&CC ("Reply to D&CC") on the Defendant pursuant to which the Subsidiary denied both the Defence (save where consistent with the Writ which contains the Subsidiary's claim for the USD Claim (USD853,425) and the RM Claim (RM79,650)) and the Counterclaim in its entirety.

The Subsidiary maintained its pursuit of full recovery of the USD Claim and RM Claim and resistance of the Counterclaim until the actual hearing date fixed on June 8, 2026 when the Subsidiary first engaged in settlement negotiations with the Defendant at the Defendant's request.

On June 8, 2026, the High Court of Malaya recorded a Consent Judgment through which it ordered by consent that the Subsidiary and the Defendant have agreed to a reduced sum in full and final settlement (having considered the costs, delay and inherent litigation risks) upon the following terms:

1. No admission as to liability by both the Subsidiary and the Defendant;
2. The Subsidiary's USD Claim and RM Claim and the Defendant's Counterclaim as well as the claim of RM10,800 by way of the letter dated March 28, 2023 ("Letter") from the Defendant's former solicitors, Geetar Kaur & Co., are resolved amicably upon the following terms:
  - 2.1. RM800,000.00 to be paid by the Defendant to the Subsidiary on or before June 15, 2026 and;
  - 2.2. RM400,000.00 to be paid by the Defendant to the Subsidiary by way of eight (8) monthly instalments of RM50,000.00 each commencing from July 15, 2026; and
3. The Defendant will write to Credit Tip-Off Service Sdn Bhd ("CTOS") with the necessary application to withdraw the report lodged by the Defendant against the Subsidiary premised on the Letter, with the Subsidiary copied in such communication; and
4. The Subsidiary and the Defendant to each bear their own costs.

## STATEMENT BY DIRECTORS

The directors of **ONE GLOVE GROUP BERHAD** state that, in their opinion, the accompanying financial statements are drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia so as to give a true and fair view of the financial position of the Group and of the Company as of March 31, 2026 and of the financial performance and the cash flows of the Group and of the Company for the year ended on that date.

Signed on behalf of the Board, as approved by the Board  
in accordance with a resolution of the directors,

---

**LOW BOK TEK**

**Notes :-**

1. This Agenda item is meant for discussion only, as the provision of Section 340(1)(a) of the Companies Act 2016 does not require formal approval of the members/shareholders for the Audited Financial Statements. Hence, this Agenda item is not put forward for voting.
2. In respect of deposited securities, only members whose names appear in the Record of Depositors on 27 August 2026 (*General Meeting Record of Depositors*) shall be eligible to attend this Meeting.
3. A member entitled to attend, participate, speak and vote at the Meeting is entitled to appoint a proxy to attend, participate, speak and vote in his/her stead. A proxy need not be a member of the Company. There shall be no restriction as to the qualification of the proxy. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
4. A member may appoint more than one (1) proxy in relation to a meeting, provided that the member specifies the proportion of the member's shareholdings to be represented by each proxy.
5. Where a member of the Company is an exempt authorised nominee which holds ordinary shares in the Company for multiple beneficial owners in one securities account ("**omnibus account**"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorised nominee refers to an authorised nominee defined under Securities Industry (Central Depositories) Act, 1991 ("**SICDA**") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.
6. The instrument appointing a proxy shall be in writing under the hand of the appointor or his/her attorney duly authorised in writing or, if the appointor is a corporation, either under its Common Seal or under the hand of an officer or attorney duly authorised in writing.
7. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a duly notarised certified copy of that power or authority, shall be deposited at the registered office of the Company at Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490 Kuala Lumpur, Wilayah Persekutuan not less than forty-eight (48) hours before the time appointed for holding the Meeting or adjournment thereof:-
